AUCTION SALE

Mr. Thos. Cashore will sell for Mr. W. H. Wicke, on the premises of Mr. Thos. Kyle, Lot 19, Con. 5, Somerville, his horses, cattle and other stock, and the usual list of implements, etc. Sale on Wednesday, Aug. 5th, at one o'clock. No reserve. Twelve months credit. See bills.

BIG FISH

Two fine maskinonge, one weighing sixteen pounds and the other twenty-four pounds, were caught in Cameron Lake on Thursday last by Mr. Ace Dexter and a member of the Happy Home Club, who were out fishing together. The two men had trolled around for quite a long time without success, and when near Mr. Geo. Martin's cottage stopped and took on board their boat little Annie Bryan, who very effectively removed the "hoodoo," for soon after going out again the fish were captured. The twenty-four pound lunge is the largest one caught in the vicinity this season.

POULTRY ASSOCIATION.

A local poultry association was formed on Monday evening, with Mr. H. B. Raby as president, Mr. J. B. McKay treasurer, and Mr. J. R. Hand secretary. The first efforts of the new organization will probably be directed toward improving the show in connection with the fall fair. Another meeting is to be held on Aug. 3rd, when information will be available from other associations as to best modes of procedure to benefit the poultry industry.
