DON'T NEGLECT YOUR EYES

It doesn't pay to be
careless of your sight.
Many people won't
realize this until too late.
In the way of correct
fitting of Glasses we
offer you advantages
that but a few years ago
would have been pro-
curable only with much
difficulty and great ex-
pense. And we give
these advantages FREE.
Do your eyes trouble
you? Is your sight
failing? If so the sooner
you attend to them the
better. The old adage
"a stitch in time saves
nine" finds no better
application than in the
care of ones eyes. We
offer these suggestions
for our mutual benefit
and it will pay you to
give them due con-
sideration.

As usual our stock of
Watches is most complete
in all lines. The "MIN-
LAND" and "VICTORIA"
lead the van, but we have

W. F. M. S. will be held in St. Andrews
School room on Thursday (to day) after-
noon at 3.30. The subject will be, our
society's organization methods of work
&c. It is most desirable that every
member should be in attendance but
especially those who are joining for the
first time that they may get an insight
into the workings of the society. The
meeting lasts for one hour from 3.30 to
4.30. On account of the meeting to be
held in the Cambridge St. Methodist
Church in connection with the week of
prayer the evening meeting of the W. F.
M. S. will not be held this month.

A Midnight Scare.

Shortly after midnight on Tuesday, the
residents of that portion of the south
ward, known by the classic name of
"Pumpkin Hollow," were awakened by
hearing loud cries of "help, murder and
police," uttered in the shrill voice of a
female. Investigation proved that the
cries came from the residence of Mr.
Samuel Walker. It was then learned
that some man had rapped at both the
back and front doors and demanded ad-
mittance. Mr. Walker went to the front
door and Miss Walker to the rear door. Mr. Walker
soon heard loud cries at the back and
found that a man had endeavored to force
his way into the house, but evidently
becoming alarmed at Mr. Walker's
appearance the scamp had decamped.
Miss Walker describes him as a short,
stout person. A cop, picked up in the
neighborhood, awaits an owner at the
police station, and the owner can have it
upon application.

Obituary.

Mrs. Mary Driscoll, relict of the late
Moses Driscoll, of the Township of Ops
died on Saturday at the age of 80 years.
The deceased lady, whose maiden name
was Mary McCabe, came to Canada from
Ireland about 50 years ago and settled
with her parents in the township where
she died. Her husband preceded her to
the grave about nine years ago. The
family consisted of four sons and one
daughter, of whom three sons survive,
two residing in Ops and one in the
United States. The deceased lady was
well known and highly respected and her
death was learned of with deep regret.

Was It Murder,

On the Saturday before Christmas
Mr. Donald Campbell who was employed
at Chambers' marble works, Cambridge
St. left for Georgetown to spend the
holidays with his parents. On the Tues-
day following Christmas the young man
went down street, and in attempting to
rescue his brother, who was attacked on
the street, got into trouble himself
and was set upon and brutally beaten and
kicked by a regular mob. He was in-
sensible for some time and died on the 3rd
of January, having been delirious all the
time. We understand that the body is to
be exhumed and an inquest held. The
deceased was a young man of much promise
and is highly spoken of by all who knew
him.

A Draw.

On Thursday night last the Academy
of Music was filled to the doors at the

McDonnell, Mrs. E. Roberts and Miss E.
Ferris, accompanists; and Messrs. Petry

their best and pleased the audience.
The great feature of the evening was the

Messrs John G. O'Donoghue and James
Cashman, of the St. Alphonsus club
Toronto, supported the negative and
Messrs M. J. Kenny and L. V. O'Connor
B. A. of the Lindsay C. L. A. upheld the

was of a high order and the chairman
decided that the debate was a draw.
