Special to the Watchman. A GOOD SUGGESTION.-It has been suggested to your correspondent that if each farmer in this section-or any section, for that matter-would place a bulletin board at his front gate, announcing what he has to sell and also what he wants to buy it would prove a great DRUG STORE, convenience to everyone. Passersby would read it, and thus carry the news to their neighbors. For instance, a neigh ooring farmer wanted to buy something one day last week. He spent all day driving and upon his return procured what he wanted less than a mile from MANAGER home. We would like to see the scheme tried at all events. It would not cost

Sleighing .- At the present writing (21st) sleighing is badly needed in this section. Work of all kinds is at a standstill for the want of a good fall of the "beautiful." Many farmers have hundreds of cords of wood to draw-some only LOCAL NEWS-LETTERS a short distance-and unless sleighing comes soon they will be "in the soop."

CROSS CREEKS-0PS.
