A Good Starter

For The New Year.

January must get on a "TWO-FORTY" pace. There must be lots of "Go" put into the last of the WINTER SUITS and OVERCOATS, and HATS, and UNDERWEAR and FURNISHINGS. Everything must get a livelier gait on than ever. It's the month before our Annual Stock-Taking, and we shall start the new year more determined than ever to keep rolling up a good record for every month of 1899. Another milestone has been reached; and, having closed the most successful season in our business history, we begin another year by

of all Broken Lots of WINTER SUITS and OVERCOATSsome of them the Newest and most popular lines we ever sold. We don't want to take them into stock, and have put their ticket-of-leave tag on them for lucky early buyers. Just come and see what advantage this January event has for intelligent judges of Good Clothing.

Every day's service you get out of a winter garment now worth two days of its old age on the second season. Winter Overcoats and Suits are as cheap here to-day as they will be in March. Your money back if dissatisfied.

New Hats for the New Year

There's no reason why we shouldn't double our usual HAT SALES this month. To do so we are willing to accept the maker's price for all our stock. We want to make the month of January a banner month, if Low Prices can do it. Look out for a January thaw in prices at
