Continued from page 2.

"Father, won't you kiss me before you ge? It is just twenty-five years ago tonight, you know, since you brought me to this home."

"Why bless my soul! so it is -so it is. I had forgotten it. Good bye, dear," he

said, and stooped and kissed her. But even the little word "deir," so long unused, so much prized before, failed to take away the sting of the words that hart her so. "I had forgotten it!" Had plained the perspiring justice. he really forgotten it after all? It seemed so cruel, so cold, it surely could not be so. witness, "if you know somethin' outside She stood and watched them in a kind of the court-room and don't know nothin' in numb agony as they drove away.

gently pulled her toward the door. "Come on in, mother! It is too cold but it cost the witness \$10. for you out here. Come sit by the fire

and get warm. You are shivering." "Yes, dear, presently. Mother has

something to do first. Then she went into her bed-room and put on her wedding-dress, as she had planned to do. When she came out into as he rushed to the drug store at Twentythe sitting-room, Richard started up in sixth street and Cottage Grove avenue. His
