Church Notes.

Rev. Mr. Roberts of Uxbridge, occupied the pulpit in the Cambridge street Methodist church on Sunday last, and preached two excellent sermons.

Dr. Williams preached the Anniversary Missionary sermons in Uxbridge last Sunday.

On Sunday evening next in Cambridge Street Methodist Church, Rev. Dr. Williams, will deliver the first of a series of lectures on the "Apostles Creed."

Personal.

Mr. Hudspeth was home from Ottawa on Monday and Tuesday of this week.

Mr. Jewell of Woodville paid Lindsay a visit this week on business. Mr. Jewell reports matters active in the northern burgh.

We are pleased to see Rev. R. Johnston, of St. Andrew's church, on our streets again after his late attack of la grippe.

We regret to say that Mr. Harstone, Principal of the Collegiate Institute has had a severe attack of inflammation of the lungs, but is recovering, and will soon be around again.

We are pleased to notice that Mr. John Hore has again taken up his residence in Lindsay. We cannot spare such citizens as Mr. Hore, even to Peterboro'.

Missionary Conference.

The missionary services held in St. Paul's school room on Monday and Tuesday of this week were largely attended, and extremely interesting. On Sunday the Rev. G. M. Wrong B. A. of Wycliffe College, Toronto, preached eloquent sermons on Missions to large audiences at both morning and evening service.

The annual oyster supper and concert of L. O. L. 541 will take place on the 7th of March. The committee will, no doubt, endeavor to make this the best of the season.

Obituary.

The news of the death of Mrs. Dobson, wife of R. L. Dobson Esq. B. A., Principal of Picton High School, and formerly of Lindsay High school, will be read with much regret by a large circle of friends in this district.

The death of Susannah Elizabeth, beloved wife of Mr. Robert Dobson, B. A., Principal of Picton High school, which occurred last Monday morning, has caused a feeling of sadness to pervade the whole community.

Mr. J. A. Ellis has commenced to cut ice with his ice-plow, for shipment. He proposes to load it by a small engine that was used for loading ties on the main line, and he says he can load from twelve to fifteen cars a day, and can ship all he has a mind to. Good for our Johnny. His enterprise deserves to be commended.

It is reported that King Charles of Wurtemberg, who will be 67 on the 6th of March next, is dying. He ascended the throne in 1864.

A Belgian senator proposes that at the Berlin labor conference a motion should be made recommending a general disarmament by the nations of Europe.

Dr. J. T. Blackburn and Dr. W. E. Grant, prominent physicians of Louisville, Ky., were the other night captured, along with two negroes, in the act of robbing graves at New Albany cemetery.

The Ritualistic trouble in the Church of Ascension at Hamilton seems to be as far from settlement as ever.

The American donations to the Land League in Ireland received during the last fortnight sum up \$50,000.

A barrel of powder exploded on Monday at Cienfuegos, Cuba, destroying a house and injuring 30 workmen, seven severely.

LORNEVILLE.

Special to the WATCHMAN. The tea and concert given here were very successful. A splendid programme of music, dialogues, &c. was presented.

WOODVILLE.

WOODVILLE, Feb. 23.—At a meeting of the constituents of Mr. J. A. Barron, M. P., of both political parties, held here to discuss the Dual Language question, Mr. J. Gunn presiding, the following resolution, moved by Mr. Gregor Campbell and seconded by Mr. A. Campbell, was unanimously passed:—

Resolved, That the thanks of this meeting be tendered to Mr. Barron, our representative, for his judicious and independent course on the McCarthy bill, and we further assure Mr. Barron that the sentiments of his able address are in harmony with the opinions of a vast majority of his constituents."

WEST OPS.

As John Moore, son of Mr. James Moore of Ops, was coming from Graham's church on Sunday 16th inst., his horse became suddenly frightened and made a plunge forward; Mr. Moore pulled his horse up quickly and in so doing broke a snap of one of the hold back straps. The horse was more frightened than ever, and Mr. Moore unable to hold the frightened animal, it ran with all the speed of a race horse for about sixty rods.

BURN T RIVER.

There are a few light-fingered parties around here. Parties having fowl will do well to see that their hen-houses are secured at night. Mr. B. Janes had fourteen hens stolen.

We are glad to see that some of our farmers are taking a great interest in securing a stock of well bred cattle. Mr. W. Nichols has lately bought two thorough-breds, one a few weeks and the other a few days old, which cost him about seventy dollars.

FENELON FALLS.

Wm. Ingram, clerk in W. E. Ellis' drug store, was fined \$20.00 and costs for selling strychnine to John Wallace whereby he poisoned himself as reported in last week's WATCHMAN. Mr. Dickson was the presiding justice of the Peace.

Mr. Joseph McFarland's store was entered on Friday night or Saturday morning by some person not yet found out, who secured a bundle of \$150.00. The money did not belong to Mr. McFarland but was money left in his charge by some rate-payers of the township of Fenelon for their taxes for the collector, no other money was touched although their were some loose bills and silver in the till. The goods in the shop were not disturbed the tax money being the object of the burglar.

Mr. J. D. Smith of Port Hope, and Captain Carter agent of the Rathburn Company, met with a rather bad shaking up on Thursday morning. It appears that Mr. Smith was showing Mr. Carter over the machinery of the red mill, and when crossing over the floor the plank on which they crossed gave way precipitating them both into a hole 12 feet deep.

Mr. J. A. Ellis has commenced to cut ice with his ice-plow, for shipment. He proposes to load it by a small engine that was used for loading ties on the main line, and he says he can load from twelve to fifteen cars a day, and can ship all he has a mind to. Good for our Johnny. His enterprise deserves to be commended.
