

LOCAL NEWS LETTERS

V. L. T. H.

Special to the Watchman. STOCK NOTES.—Mr. James Casey returned after a week's visit with friends in the east.

PORT PERRY.

THE CIRCUIT.—At an adjourned meeting of Whi by Presbytery, held in Bonnaville last Tuesday, Mr. D. Omiston, moderator, in the chair, the Rev. A. Leslie, M. A., of Newville and Kendal, accepted the call from East Oxford, Paris presbytery.

BURY'S GREEN.

A PLEASANT RECOGNITION.—On the evening of Feb. 4th, Miss Maggie Devitt, the obliging secretary of Broad Lake Association P. of L., was made the recipient of a pleasant recognition of her valued services by a number of the members of the association.

UXBRIDGE.

A PATRON CANDIDATE.—At the Patron convention held in Beaverton on Tuesday of last week, Mr. R. C. Brandon was nominated as a candidate for the Dominion parliament.

MILLBROOK.

ORANGE MEETING.—Considering the excessive cold day quite a large number of Orangemen of the county attended the county meeting of East Durham L. O. L., in the rooms of No. 75, Millbrook, on Tuesday last.

BOBCAYGEON.

RETURNED.—Mr. Wm. J. Read returned home on Wednesday from the hospital in Toronto, where he had been lying for the last seven weeks.

GLENARM.

Special to the Watchman. REVIVAL MEETINGS.—A series of revival meetings which have been in progress for the last five weeks still continue with very gratifying and beneficial results.

Anderson, of Cambray, who made a lasting impression on the minds of the people, and our earnest desire is that the Rev. gentleman will favor us with another discourse.

PERSONAL.—Miss E. Williamson has returned after a week's visit with friends in the east.

RECOVERING.—Mr. R. A. Sinclair, who has been confined to his bed for the past two weeks from the effects of a severe attack of pneumonia, is now able to sit up for a few hours each day.

SICKNESS.—Mr. Loury Kennedy has been on the sick list for some time. We are glad to say he is able to be out again.

ABOUT TO BUILD.—Mr. Robert Webster, our friend residing north of our village, is about to improve his farm by erecting a fine brick house.

COBACONK.

CONVENTION.—The Reform Convention which was to have been held on the 8th of February, was postponed until the 22nd inst; on account of the terrible storm which prevailed at the time.

A few of the leading Reformers came from Kirkfield, and had to remain in our quiet burg over Sunday.

NO MAILS.—The roads are all blocked, and the mails have been very irregular since Thursday night, owing to the storm.

BASKET SOCIAL.—The basket social which was held at the Misses Burchells on Friday last, was a grand success despite the inclemency of the weather.

NEW STORE.—Mr. A. B. H. Carl has moved into our town and opened up a general store where he hopes to sell as cheap as his neighbors.

HARTLEY.

THRILLING ACCIDENT.—On Wednesday last, Feb. 13th, a most thrilling accident happened to Mr. Jno. McEachern of this section.

THE BLOCKADE.—The first train to get through here since Friday morning was a single coach from Toronto on Sunday afternoon. It contained some Lindsay curlers who had gone to Oshawa a week previous, then up to Toronto, where they had to stay till Sunday.

PORT HOPE.

THE ASHFORD BROTHERS.—Volney Ashford and his brother Clarence, now of Honolulu, are sons of Mr. James Ashford formerly of the township of Hope, near Port Hope, Ontario, where they were both born, their grandfather being the old U. E. Loyalist.

KINMOUNT.

BUSINESS.—Our village merchants report business fairly satisfactory. All though the late severe snowstorms blocked the roads to a very considerable extent quite a number of the settlers were in the village on Saturday and Monday.

NEW HOTEL.—For the third time Mr. Joe. Bowie has got comfortably settled in his new hotel. Joe has had quite an experience in hotel keeping here, having been burned out three times.

keeps a comfortable house for the travelling public, is never without his share of the trade.

A GOOD WORD FOR CHARLEY.—Mr. Charles Dunbar, the popular manager of the Dunbar House, has always a keen eye to business, and generally gets it. He is an obliging host and keeps a good house and a staff around him to attend to wants of his numerous customers.—Exam.

CANNINGTON.

RECOVERING.—Mr. R. A. Sinclair, who has been confined to his bed for the past two weeks from the effects of a severe attack of pneumonia, is now able to sit up for a few hours each day.

THE TALENT SCHEME.—The Woman's Guild of Knox church met in the manse last Monday evening. The amount of money raised during the six months of last year was \$110, to be applied on the church debt.

FENELON FALLS.

ACCIDENTS.—On Friday last Mr. F. J. Kerr, our village post-master, while trying to make a balky pump work struck it several times with his right hand, and by so doing must have injured a muscle or tendon, for a few hours afterwards one of the fingers commenced to contract, and the whole hand swelled and became so painful that he was unable to go to the office.

UXBRIDGE.

CUT IN TWO.—A dog may bark at a bicyclist or a horse and bother the rider of either, but he cannot fool with a snow plow.

PRINCE ALBERT.

PERPETUAL MOTION.—Mr. James Berney, of this village, has by accident discovered perpetual motion in a modified form. He was trying experiments with the view of inventing a cold air generator or ventilator.

PETERBORO.

BITUMINOUS COAL.—A splendid specimen of Ontario coal was shown to the EXAMINER this morning by Mr. E. F. Coxwell, proprietor and explorer for the Ontario Mining Company.

ORILLIA.

COUN. HICKEY GETS A BAD CUT.—Coun. Hickey sustained injuries in Eaton's planing factory a few days ago that will lose him the use of the third finger of the right hand.

councillor's fingers, the third one of which will, when heated, be perfectly stiff.

A FOUR CORNERED CONTEST.—The News-Letter learns from an authority whose testimony we can vouch for that Col. O'Brien, on behalf of the McCarthy element, will be a candidate in this riding for election to the House of Commons.

IS NOT FOR INSPECTION.—In the little room to the left of the council chamber snugly hid away from the gaze of inquisitive eyes a highly polished brass plate on which are engraved the names of the council board of 1894.

THE ORILLIA COUNCIL OF '94 tried to build a market place. Unfinished it lies and the '94 council is entirely out of the race.

HALIBURTON.

COLD SNAP.—The weather during the cold snap was of phenomenal severity. On Monday night the thermometer descended to 39 below zero, on Tuesday night to 29 below zero, on Wednesday night to 22 below zero, on Thursday night to 13 below zero, and on Friday night to 7 below.

OBITUARY.—Great sorrow was expressed throughout this settlement when it became known that Mr. George Dummit had been called away by death.

PAY UP.

All parties indebted to the firm of Anderson, Nugent & Co., are hereby reminded that all outstanding accounts must be settled on or before the

15TH DAY OF FEBRUARY, 1895.

This course is rendered imperative owing to the heavy loss sustained by the recent fire in our factory, and we must have money in order to rebuild. Thanking the public generally for past patronage.

ANDERSON, NUGENT & CO.

WE DENY IT

While it isn't true that we are selling Groceries for less than cost we are coming very close to the other side of the cost mark in our prices. We want to get rich of course, but we're satisfied to do it slowly. Small profits satisfy us if they are numerous enough.

We have long enjoyed the reputation of keeping

FRESH GOODS.

Remember this when you are in need of

GROCERIES, FLOUR, FEED,

CROCKERY, GLASSWARE AND

THE NOW FAMOUS

CANNED GOODS

LIKE CLOCKWORK

is our delivery system. After quality comes cleanliness in handling, and after that prompt delivery. If the three appeal to your sense of what a grocery ought to be, we want your orders.

FARM AND

FERMENTATION

Controlling Fermentation—The decomposition as a rule, to the active ferment heap, or where the slow fermentation is limited. The successful fermentation is too loose, the manure is too composition may manure will not integrated to produce the soil.

FRENCH METHOD

ture, and thus French authorities principal precaution against losses of manure in regularly and manure with the thought, if the lack should be especially marked manure, which is nature with great care in a less degree. The common and ing" is the result of water and manure by sprinkling. The manure should be heap kept in a corner; otherwise the drying will result. Preservation of manure is generally practiced as a fertilizer. It is or even black, an offensive odor, which loses its consistency and incoherent.

This black substance French agriculture special value as a employed in the preparation of the manure is platted of pack so arranged that into a pit from which up and distributed heap. It is usual to high) it may be all disturbed while the manure is carried the top of the manure rows over an incline. Care is also taken sides of the heap to access of air and the construction of exp collecting the manure the cost, but it is from what has been value of the liquid stability of promotion form fermentation the leachings should be stored separately, they deteriorates, and lack of moisture, is "fire fanging," or tion. Professor W. Farmers' Bulletin, f going is an extract ments have indicated. It is the most favor for manure ferment

Use of Commerce

A New Jersey farmer by the author of "Croc." why he used it replied: "Under the fertilizer grain, grass and potatoes doubled in size. My heavy use of fertilizer did not, did not the thought we were 'into the ground' was to apply just as single crop could use was thought that would be washed on 400 or 500 pounds per acre to use. My father how all the money pounds could come by enough, however, to in the crops that the heavy fertilizing the only way to make use lots of them. A single farmer who 1,500 pounds who to a smaller quantity
