One way to keep a store is to say good deal about it. Another way simply to make a store as good a possible ; give the best materials that cabe sold for the price; give attentive service; make the customer's interes Four own; treat people right—say mothing and "saw wood," as they put i In the vernacular; this is the sort of advertising that we like best and follow most closely. When you have anything in the D ug line to buy call and see if w. don't live up to the above motto.
