The Third Annual Meeting Proves Highly Satisfactory.

THE LOSSES FOR THE YEAR WERE it was honor done him. In the past, in \$2,080.34, OF WHICH \$1106.34 WAS CAUS-

rrs' Union Mutual Insurance Company insured therein. was held on Thursday afternoon of last week in Smyth's hall. Each and every year marks an increased interest in this carefully guarded enterprise, hence it was such an excellent attendance of interested moved that the thanks of the members be farmers present, despite the unfavorable tendered him.-Carried. weather and bad roads. The meeting be appreciated, and I will among those prosent from all parts of the chairman. The meeting then adjourned you very much for your county we were pleased to hotice blesses. ce. Mr. JOSEPH BROWN, Jamieson, Hugh Smith, Elwin Mark, erienced cheese manufac- Wm. Lownsbrough, R. M. Birchard, vill have the pleasure of John Short, Thos. Webster, Elisha Mark, on you in a few days with Reid, John Currins, Andrew Marshall, est quotations for the best E. H. Hopkins, T. Ward, Robt. Naylor, in the market, and will be Thos. Robinson, John Prouse, W. J.

After the meeting was called to order, Union Mutual and transact business, as Mr. John Connolly was appointed chairman pro tem, after which Mr. Johnston Ellis, the popular president of the company, read the following :

PRESIDENT'S ADDRESS. To the Members of the Farmers' Union

thanked the directors for the honor con Mutual Fire Insurance Company : GENTLEMEN,-Your directors beg to sub mit the third annual statement of the company, which we believe will be found highly satisfactor the company in that they had suffered for the company in the company in that they had suffered for the company in the comp amount of \$850,000, and we have been only more from lightning than they had from two years and six months in the business; any other cause. This, however, was the before the other six months have passed we five of all companies, they had their good will have gone beyond the \$1,000,000 mark, years and their bad years, and as we have which we think is a creditable showing for a suffered somewhat in 1897, he looked foryoung company. We hope during the next ward to a highly prosperous year in 1898 three years to have at least \$2,500,000 on He was delighted with the very gratify

The insurance taken by our company during the casualities noted, and urged greater 1897 was \$379,650, an amount equal to two- vigilance in keeping the expenditure thirds of that secured in the first two years of our existence, and an increase over 1896 of company had a good surplus.

Our premium income for 1897 was \$2,700.54, On the 31st Dec., 1898, \$322 65 of this income ing of the company. A pleasing feature was held in short-date notes, a number of was the examination of some twenty-five which have matured and been retired since applications for insurance, which were that date. Our losses during the year were carefully considered by each and every rather heavy, amounting in all to \$2,080.34, of director present. which \$1 106.34 was incurred by lightning, and the remainder were thoroughly honest

We have the satisfaction that this money was full board of directors for the year 1898. for anything in this line, and received from the farmers of this county, and Johnson Ellis, Lindsay; John Campbell, satisfied we can save you paid out to them again, so that the money Woodville; Timothy Ward, Lindsay; N attached to our statement a list of the losses Hartley; A. Jamieson, Glenarm; D H with their causes, so far as we have been able Corneil, Omemee; R. M. Thurston, B.b. to ascertain them. Our assets have increased caygeon; W. Magee, Javetville; Elwin

from \$14,978.64 to \$25,019 t7. In closing, we would urge that each member do what he can in increasing our membership by good men. We have carefully watched each risk as it came in, and have leclined a umber that we thought were not good so far as moral hazard is concerned. We have our directors well spread, so that men cannot get into our company who are likely to have disfor their patronage, and we shall endeavor to McGill, Manvers, damage to outbuildings make the Farmers' Union one of the strongest lightning, \$1; John Waldon, Fenelon county companies doing business, as we are,

for the farmers only. The retiring directors are Messis. W.] Moore, John E'lis, Hugh Smith, who are all Gilson, Fenelon, outbuildings, supposed eligible for re-election.

FINANCIAL STATEMENT. Secretary Corneil then read the financial statement as follows :-

Cash on hand in bank Dec. 31, '96.\$ 1418 93 Premiums paid in cash, 1897..... 2431 89

ines of STOVES, which I am Cash paid on due bills of 1896.... elling at the lowest possible prices, Transfer fees and extra premiums March. S 208) 34 Harper's Magazine for March. He dis were 21,857. EXPENDITURES.
