WHICH WILL YOU HAVE?

The latest Blue Book shows that after providing for all liabilities the surplus of the ROYAL CANADIAN for the protection of its policy holders at the close of last year was \$509,074, besides stock to the amount of another \$100,000 subscribed but not

"I knew that temporary salvation- my distracted father, and both men dashed The same Blue Book shows that the surplus of the London Mutual was \$67,176 composed entirely of the unassessed portion of premium notes which no policy holde

The following table shows at a glance how the affairs of the London Mutual have been going during the last few years :-

Year.	Losses unpaid at close of each year.	Cash available for paying losses at close of each year.	Money Borrowed	Surplus reckoning premium notes at full face yalue.	Investments each year.
1885	\$6,047	\$63,963	None	\$101,816	None
1886	9,878	50,686	None	115,955	\$6,500
1887	12.455	22,701	\$20,000	97,268	8,000
1888	23.014	20,721	40,000	75,334	None
1889	20,436	13,911	40,000	74,068	9,028
1890	26,182	1,403	60,000	67,176	11,797

It should be borne in mind that during the last three years the London Mutual collected in heavy assessments over \$30.000 more than usual, and yet at the close of last year, after collecting a full year's income, they had only \$1,403 with which to pay \$26,182 of unsettled losses. In regard to security no one should hesitate as to which company to select.
