Fine ordered Clothing

On Saturday next, the 16th inst., we expect our NEW CUTTER to be in his place.

His reputation as an artist in his business preceeds him, not only in the mechanical work of producing perfect fits, but as a man thoroughly artistic in the style and finish of his work. We therefore expect our Ordered Clothing in every particular to equal the best city work and at prices much below.

## DUNDAS & FLAVELLE BROS.

TO THE ELECTORS

VICTORIA. NORTH

GENTLEMEN, -Having accepted the nomination of the Liberal convention of North Victoria, as a candidate for the House of Commons, I desire to place before you my views of some of the chief political issues that are before the people. 1. I adhere generally to the platform of the Liberal party and also to the p atform of the Patrons. Both platforms are the same in principle; tariff reform, economy and hones y of administration being the principles that underlie both. With this statement as to my general views, I claim freedom of C.E.S. NOTES .- Miss E. Trealeaven, Miss | action and the right to put what I may believe to be for the best interests of the country, before any

2. As to the question of the abolition and reform of the senate, I agree with the Patron view that it should be abolished, and I think its abolition should of much else that is expensive and worthless in connection with our political system, and a general decrease in officialism. I believe that the government of the country should be an institution fo loing the business of the public in as economical and efficient a way and with as little red tape and

3. I believe, in these days, when land was never se t mes and decressions are not necessaries, but are the social systems, and while I do not pretend that a change of government will effect everything, I believe 4. I believe that the corruption which has existed to such an extent in the various departments of the created among the farmers of this locality. government as shown by the records, and has spread through the munic palities and into private life

6. I object to the granting of public money to private s. eculators; and I believe that railroads and BUILDING NOTES.—Mr. Hiram Rodgers money should be public property, controlled in the interests of the public. I am also in favor of such railway legislation as would make the railways of the country public highways, bound to carry the goods timber already on the ground with inter of every man at reasonable and similar rates, and and that they should have no power to discriminate either against individuals or places. 7. I deprecate with all my heart the system of

bribery and corruption which has been growing in this country, and which has even reached so far that it has been publicly stated in this constituency that Who can beat this? ... Any more parties coming off at Linden Valley?...Didn't think those professing to be C.E. and C.M. would deprive a poor man of a day's work, or his family of a day's bread, on account of his politics.

8. Public wo ks that have been undertaken by the like manner, and not periodically resurrected at an election time for the sole purpose of corrupting the and PIANOS.

I believe that the carrying out of the principles as above outlined, to be for the best interests of all BONNELL.—In Lindsay, on Saturday, Mar. classes of people, and, if elected, I pledge myself to devote my energies to bringing about reforms as indicated; and I confidently ask the support of all parties, irrespective of politics, who desire better things for our common country.

KINEAR.—In Lindsay, March 9th, 1895, he wife of Mr. John Kinear, of a daughter.
