JANETVILLE.

ACCIDENT.—As two of our young ladies were driving south in a cart, drawn by a grey horse, a strap of the harness broke and frightened the horse, which at once began to kick violently. One of the girls sprang from the cart, and caught the horse's head while the other held firmly on to the lines. They succeeded in unhitching the horse and tied it to the fence and proceeded on their journey on foot. It is something to have presence of mind in an emergency.
PERSONALS.—Mr. and Miss Herbert, of Mount Horeb were guests of Mr. Alex. Bradburn on Sunday. We are sorry to learn that Mr. Harry Argue has left the village, having taken a situation near Mt. Horeb. Mr. Wesley Bradburn, of Bowmanville, is home for a few days.
BIG BOY.—On Wednesday of last week Mrs. Jas. Halladay presented her husband with a handsome baby boy weighing 13 pounds.

ORANGE CORNERS.

ILLNESS.—Mr. John B. Fowler is recovering from a severe attack of illness. Mr. C. M. Carew has had a second attack of illness. This time the grip seized him and came near shaking the life out of him.
CHANGES.—Mr. Geo. Fowler sold out his entire stock of farm implements and stock on Thursday, April 6th. The sale was well represented and everything sold well. Mr. John Fowler takes possession of the farm. We would seriously entreat John not to think of matrimonial affairs yet, but we suppose he has gone too far for to take advise now.
PERSONAL.—Mr. John Mahood, former teacher here, now of Peterboro Collegiate Institute, is spending his Easter holidays amongst us. Town life agrees well with John, but, by all appearances, Orange Corners life agrees with him far better.
L.O.L.—The monthly meeting of L.O.L. No. 41, took place in the lodge room here, on Monday night, April 3rd. A large attendance was present. When the regular meeting was ended one of the brethren took the Royal Arch degree.
DEATH.—It is with extreme sorrow that we record the death of Mr. Bomard, father-in-law of Mr. Beatty, a farmer here.

Church Chimes.

—Rev. T. M. Campbell, of Lindsay, will deliver a lecture under the auspices of the Epworth League of Christian Endeavor of Charlotte street Methodist church, Peterboro, on Thursday evening, April 20th. Subject, "The Three Toms."
—Up to the 27th March the Rev. Dr. Potts, of Toronto, has received subscriptions for \$510,000 for the Methodist Federation College scheme. Of the amount \$457,000 has been paid, leaving \$53,000 to collect. It is believed when this year's work is completed at the end of May all of the \$510,000 will be in hand.

—The second annual convention of the Durham and Northumberland county's Union C. E. will be held in the Methodist church, Bowmanville, on Wednesday and Thursday, April 17th and 18th. Papers and addresses by different delegates. Some of the most prominent C. E. workers in Ontario are expected to address the convention.

—On Sunday evening next, the Rev. Mr. Hill will preach on "The Model Wife." Those who heard him on "The Model Husband" should not fail to hear the companion sermon.

—A pancake and maple syrup social will be held in the Queen St. Methodist church on Friday evening, 14th inst., under the auspices of the Ladies' Aid. A good programme will be rendered. Admission 10 cents. The ladies will also offer for sale a number of useful and ornamental articles.

—Christian Endeavor day in the Cambridge St. Methodist church will be next Sunday. The Rev. L. W. Hill, B.A., of Port Perry, will preach the sermon, and the evening one will be especially to Endeavorers. Mr. Hill is an eloquent and earnest preacher.

—Rev. Mr. Edwards, of the Charlotte St. Methodist church, Peterboro, occupied the pulpit of the Queen St. Methodist church on Sunday, at both services. On each occasion the edifice was crowded. Mr. Edwards is well-known as one of the best and most taking pulpit orators in this conference, and his sermons did full justice to his reputation.

—The Rev. Mr. Hill, of the Queen St. Methodist church, preached at Peterboro on Sunday last, and the local papers refer to his sermons as follows:—Examiner: "Rev. N. Hill, pastor of the Queen St. Methodist church, Lindsay, gave two able expositions in the pulpit of the Charlotte St. Methodist church on Sunday." Review:—"Rev. Newton Hill, of Lindsay, occupied the pulpit of the Charlotte St. Methodist church on Sunday, and preached to good congregations. The services were in aid of the superannuation fund of the Methodist church and a pleasing feature was that the minister did not follow conventional style of marring the effects of a good sermon by interlarding it with financial appeals, but presented the claims of the fund in a few pertinent remarks before the sermon."
—The Executive committee of the Provincial Christian Endeavor Union held a morning and afternoon session at Toronto on Wednesday last, in the board room of the Upper Canada Bible Society; Those present were: Thomas Morris, jr., (president), Hamilton; Rev. Canon Richardson, London; Rev. A. F. McGregor, Woodstock; Rev. J. A. R. Dickson, Galt; Rev. G. H. Cobbletick, Dundalk; Rev. R. G. Boville, Hamilton; E. A. Hardy, Lindsay; and G. T. Ferguson, H. W. Baker, and C. J. Atkinson, Toronto. The committee on transportation to the great international convention at Montreal in July next, reported that they had secured the following rates: From all points in Ontario to Montreal and return, single fare; Toronto to Montreal and return, all rail, \$10; same with boat one way, \$12.70; same, with boat from Kingston, \$11.35. The time limit of tickets has not yet been decided upon. A motion was carried approving of a "Christian Endeavor day" at Grimsby park, and authorizing the president to make arrangements with the park company as to speakers, the C. E. executive to assume no financial responsibilities. Tuesday, July 18, will probably be the date. Details of the programme for the provincial convention at St. Catharines,

October 10, 11, 12, were considered and speakers decided upon. Mrs. Alice May Scudder, of Jersey City, and Bishop Gilliespie, of the state of Michigan, are expected to be among the speakers present, the former to speak on "Junior Endeavor Work." Societies that have not contributed to the funds of the provincial executive are to be asked to do so. A resolution was passed requesting all C. E. societies in connection with Methodist churches to take the name of Epworth League of Christian Endeavor, as only by so doing could they carry out the principle of loyalty to the church. The report of the provincial superintendent of junior C. E. work showed a marked growth in the work along the junior lines. The number of junior societies reported previous to the last convention was 38, and the number of new societies reporting during the past four months has been 34, giving a total of 72 junior societies in the province. Owing to the press of other duties Mr. E. A. Hardy resigned the executive part of the secretary's work, and Rev. A. F. McGregor was appointed to that position until the next convention. Mr. Hardy will continue to act as statistical secretary.

For New York.

Mr. Wm. Weese will ship direct to New York to-day a carload of the finest general purpose horses sent from here for some time. The animals will be offered at Grand's sale and if the experiment is a success a new market for our farmers will be opened. Mr. Weese certainly deserves credit for his enterprise.

Little Local Lines.

—Mr. R. Kyle is making a Salisbury carriage for one of our prominent business men, the first of its kind ever made in this county.

—Mr. J. D. Flavelle represented Lindsay, the curling club meeting, at Toronto, on Tuesday. The tankard was presented at Caygeon.

—Mr. Thos. Overend, of the Windsor hotel, is making changes at his popular house which will greatly improve it. A new bar is being placed in the old sitting room, and the place formerly used as a bar will now be used as an office, etc.
—The closing of the Pigeon creek bridge is a live issue at Peterboro. The county purposes to close it and has applied for an act, while the town opposes such a move. Our county is working with Peterboro county to get the bridge closed. Certainly time works wonders.

—Some evil disposed person, on Sunday last, poisoned a very valuable and highly prized fox terrier dog, owned by Dr. Kempt. A reward of \$25 is offered for the conviction of the culprit. It is to be hoped that the wretch will be found and get his just deserts.

—Mr. Lindsay, a member of the Salvation Army band, on Sunday was tripped by a broken plank on Peel St., near the barracks, and had one of his hips injured. Again the attention of the authorities is called to the bad condition of many of the sidewalks in town.

—"Did you hear that a southbound train ran off the iron bridge this morning," said a well-known butcher to an equally well-known blacksmith on Tuesday. "No. How did it happen?" replied the smithy. "Well," said the butcher backing away, "It ran on at this end and ran off at the other, See?" Tableau.

—In the Chamberlin arson case Col. Deacon, P. M. has given his judgment, which it will be remembered he reserved at the time of the trial. The charge was dismissed, the colonel pointing out that although there were strongly suspicious circumstances, he did not deem the evidence sufficiently strong to warrant him in committing the prisoner for trial.

—The Lindsay Lacrosse club has decided to join the Midland league and will have a representative at the Port Perry meeting. The club will also unite with the ball club in holding a celebration here on the Queen's Birthday. By the removal to Toronto, of Mr. Harry Kidd, the energetic secretary of the club, they sustain a great loss, and it will be found difficult to fill his place, but, as his removal means promotion, congratulations are in order.

A Mishap.

Mr. T. Matchett, the popular agent of that popular road, the C.P.R., came very near breaking one of his legs, on Tuesday. It appears that tinsmiths were repairing the roof of the office. When hoisting a roll of galvanized iron to the roof the rope broke, the weight fell and the covering over a cellar way at the back door was broken. Mr. Matchett, in the evening, had occasion to go out to the yard and as he stepped from the door, down he went into the cellar way. At first it was thought that one of his legs was broken, but fortunately a shaking up was the only result of the mishap.

RUSSIA FIRST.

The Procession of Warships Into New York Harbor.
FORTRESS MONROE, Va., April 11.—The Russian officers of the ship General Admiral were the lions of the day yesterday. Besides being the first foreigners to whom American hospitality has been extended they now have a prior claim to the right of the line, and their arrival at this time has solved the problem as to which nation shall lead the great review into New York harbor.

The Navy Department looked upon this as a delicate question, for Spain, Italy and England each seemed to have a just claim for this distinction—one, because the Spanish flag was first upon the soil of the New World; another, because Columbus was a native of Italy, and a third because her admiral was the ranking officer of the fleet. The department cut the Gordian knot, however, by deciding that the nation first upon the scene would be given the van of the fleet.

On Thursday the entire fleet, with the exception of the flagship Philadelphia, will go to sea to remain until Friday.

GUNS IN IRELAND.

Order Issued Limiting Their Importation Into the Country.
DUBLIN, April 11.—Baron Houghton, Lord-Lieutenant of Ireland, has issued an order limiting the importation of arms and ammunition to Ireland. Arms and ammunition must be imported only at certain ports, and all consignees must, previous to consignment, obtain a permit for the importation from the customs officers, giving particulars of the arms consigned. The customs officers are authorized to open packages suspected of containing arms or ammunition imported contrary to the order.

A Captain's Experience.

PHILADELPHIA, Pa., April 11.—The Italian bark Filippo, Captain Fabiano, came into port yesterday almost a wreck, having been struck by a tidal wave at midnight on March 29. Captain Fabiano was carried overboard, but washed back again by the water in an unconscious condition.
