-About two o'clock last Thursday night a young man by the name of Geo. Bond, who was on his way home, was set upon by a couple of foot-pads in the south ward. Bond was running along the sidewalk when he was suddenly grabbed by a large powerful man, when large blanket, and he was borne to the ground. Bond shouted "murder" vigorously, notwithstanding their efforts to quiet him, and before the pair succeeded in securing his money or watch, they became alarmed and fled, taking with them only his hat and handkerchief. Bond regained his feet and took a hasty departure for his home, no doubt fully satisfied with his share in the episode.
