Stock Notes.

-Mr. Thos. Kennedy, of Omemee, advertises for sale this week two fine registered Holstein cattle. Here is an opportunity for some of our farmers who desire to go into the dairying business to secure a good fine registered cow or bull calf.

- Mr. Harry Henders, of Yelverton, the popular deputy-reeve of Manvers, was in town on Monday and reports the great Clydesdale selling for good prices. The market is the true test of greatness after all, and the Erskines are now reaching their maturity and stand the test. The big bay horse will make the season in

Cartwright and vicinity. -Reports from Bobcaygeon state that a number of cows have dropped calves to the buffalo Napoleon, and the success attending this cross is said to be fairly satisfactory notwithstanding that a number of the cows died in calving. There is no marked difference in the youngsters until they are three or four weeks' old, when the heavy "hump" on the shoulders becomes quite marked. They partake greatly of the characteristics of the buffalo and are very wild and prefer to keep strangers at a distance.

-Mr. John Kelly, ot Red Rock, Verulam. recently purchased from the well-known breeders of Holstein-Fresians, Smith Brothers, of Churchville, two fine registered cows and a bull of this noted breed. Messrs. James Martin F Crandell, sk...... and Jos. Stinson also purchased a fine heifer - each from the same breeder. The cattle arrived 43 at their new homes yesterday and are a fine lot.
