**CHEESE MAKING.**—Janetville cheese factory will re-open on Thursday, April 27th. It is expected that a very largely increased business will be done this year.

#### KENNY'S-OPS

**PERSONAL.**—Mr. John Cuddahee, ex. is once more in our midst. Mrs. Green of Buffalo is visiting friends in this neighborhood at present. Miss Maggie Burns is spending her Easter holidays under the parental roof. Miss Minnie Miller gave friends in the south a call last week. Miss Gillespie of King's Wharf is also visiting friends here. Miss Mary Kitley is spending her well-earned holidays at home. Mr. Howard Scott spent Sunday at home. Mr. Jas. Miller has returned from the north, having completed a successful river driving.

**NOTES.**—Our farmers are busy seeding. Mr. Wm. Bruce and family moved to Lindsay last week. We wish them success. Mr. Dan Connell has secured the able services of Mr. Fred Anstey for a few months. No news pertaining to the cradle, the altar, or the tomb around here this week.

**TRAPPEES.**—Messrs. Jos. Kent and Joe Hand, who have been camped on our

shores for the past three weeks, are meeting with good success. No doubt this is their harvest time.

**MUSICAL.**—Our corner can beat the best for violin players. They number about ten and are self-trained musicians in the first degree.

**QUERY.**—Why is THE WATCHMAN the leading paper here? How does the election talk of last June compare with the prices now? When will that long-looked-for wedding take place? Oh! let it be soon.

**WHAT THE BOYS ARE SAYING.**—That them that don't like our gate need't swing on it. That the fellow from near town knows a thing or two. That some of our girls are all Wright. That the football team of No. 4 is N.G.

**BIG WORK.**—One day last week Mr. Dan Connell, with a machine and fifteen men, cut, split and piled fifty-seven cords of stove wood in seven hours for Mr. Ed. Zowes. This is a pretty good record for "Dan" and the amateurs will have a mark to shoot at for some time.

#### OMEMEE.

**NOTES.**—Very good roads. Little hopes that the fall wheat and clover will recover from the late hard frosts.

**EASTER VISITORS.**—Large numbers of Easter visitors here over Sunday, including Jas. Norris, W. McCaffrey and his young lady; Dr. Beatty of Toronto; also Miss McCrea, teacher, formerly of Omemee, and also Miss Davidson of Lindsay.

**DIVISION COURT.**—There were a number of people attending the division court sittings and police court. The division court sittings comprised quite an interesting docket. Messrs. McSweeney, Moore, Steers and Stewart represented Lindsay, and R. Ruddy, Millbrook. The clerk and bailiff appeared quite dignified in the new hall.

**A GOOD SHOWING.**—Wm. J. Lamb's opening on Saturday was really excellent, and along with the display of fine seasonable meats, with the proprietor's kind and courteous manner, should build up a nice trade. Many of our young men should follow his example in energy and industry.

#### FRANKLIN.

**NOTES.**—Many of the farmers in this part got out on the fields this week and there will be some seeding done on the high lands. Fall wheat in this part is looking pretty sick. If it does not come fine weather at once it will be all day with it. There are many banks of snow to be seen yet.

**PERSONAL.**—Mr. Thomas Stewart left on Monday for Brandon, Manitoba, after making a visit of six weeks here. He speaks very well of the prairie province, only for the cold winter. Mr. Henry Fallis of the Falls line, Cavan, spent a part of last week visiting friends and also in Lindsay for a couple of days. Miss Emma Fallis spent last week visiting friends around Janetville.

**REPAIRS.**—Mr. Robert Lytle is making some repairs to his house in the village. Mr. Stewart has got his house completed after the recent fire.

**THE SICK.**—Our list of sick people in and around this part are all recovering slowly.

#### FINGERBOARD.

**PERSONAL.**—Miss Clara Western spent a few days at home last week. Mr. T. King and son Roy spent good Friday with relatives in Toronto. Mrs. T. Moore and son Walter have just returned from a pleasant visit with friends in Newtonville. Miss A. McArthur paid a short visit to Mr. T. King's.

**THE EARLY BIRD.**—Mr. R. Western is preparing his land for seeding. Early bird gets the worm.

**PHOTOGRAPHER.**—On Friday of last week the school house, scholars and trustees of this school section were photographed. The pictures should be good as they are to be shown at the World's Fair in Paris in 1900.

**OBITUARY.**—It is with sorrow that we chronicle the death of John Stacey, Jr. Everything that medical aid and kind friends could do for him was done, but he passed away on Tuesday of last week amid weeping friends. The funeral took place on Wednesday and a large concourse of relatives and friends followed the remains to Zion cemetery. Much sympathy is felt for the sorrowing friends in their bereavement.

#### FLEETWOOD.

**ADDRESS AND PRESENTATION.**—One of the benefits, and by no means the least, derived by being a member of a society was evinced last Friday evening, when a number of the members of C.O.F., Court Fleetwood, and their friends met at the residence of Messrs. Thos. and James Shea. The latter being about to depart to Manitoba, and having been a prominent member of the above named court since its organization, the members expressed their regret and the realization of their loss at his departure. Various games and an oyster supper were given their place during the evening, but the event which had the most pleasing and gratifying effect was the presentation of a C.O.F. pin and the following addresses to the departing brother: Dear friend and brother, we, the members of C.O.F. Court Fleetwood 588, assembled here, desire to zealously express our feelings of respect and regret because it makes the eye of the departed a true friend and diligent brother of a true friend because we can with true friendship express our feelings of regret. We received the intelligence of your intentions of departure with a reluctant spirit, recognizing that we would sustain the loss of a brother who was ever willing to "act well his part" in promoting the interests of our noble order, and of an officer whose fitness could not be doubted and whose position would seldom if ever be filled by one so competent. We therefore ask you

to accept this pin which only expresses to the measure of a very small degree the realization of our loss, and which is given with all humility, as a trivial token expressive of our sorrowful yet cheerful pleasure. Knowing that you will always carry with you the feeling which bequeaths a brother of our order, we affirm that wherever your lot may be cast in the pathway of life you may feel assured that you also carry with you the true friendship, the honest well wishes and the sincere prayers of your brethren in loyalty, benevolence and concord.—Signed on behalf of the Court,

A. W. STAPLES,  
L. H. STAPLES,  
W. R. WHITESIDE.  
Mr. Shea made a very suitable reply, and the remainder of the night was spent in the usual routine of pleasure on such occasions.

#### SALEM-MARIPOSA.

**CHURCH NOTES.**—Mr. A. H. Foster occupied the pulpit of this church last Sabbath morning and preached a very eloquent and instructive sermon. Mr. Foster bids fair to be one of the few who reach the top of the ministerial ladder, being possessed of a sympathetic yet eloquent voice.

**PERSONAL.**—Allen Varcoe has gone from our midst to resume his apprenticeship with Sam Champion, merchant tailor of Lindsay. Al. will be missed by his Salem friends, especially the young ladies. Sam Thorburn of Little Britain spent Easter Sunday at home. Mrs. Dr. Bateson of Brome is visiting her parents, Mr. and Mrs. Wm. Varcoe. Miss Bella McKinnon has again bid farewell to Salem for a time. We are pleased to see that Mrs. J. McKinnon is able to be out again after being confined to her home for about two months with a broken ankle.

**SEEDING.**—Some of the farmers have already commenced seeding. Thomas Rezin takes the lead with three teams in the field. Nothing like having lots of push.

**FARMING.**—J. H. Noble will commence operations with a new combined press, seeder, of Sylvester Bros. manufacture. Those desirous of improving the contents of their pigeries should consult J. H. Noble. Mr. Varcoe has lately purchased the "wherewith" to improve your herds. Give him a call.

**AMBITIOUS.**—Some of our boys seem very desirous of becoming proficient as drivers, while others are satisfied with mere sparks.

#### NORWOOD.

**DISASTROUS FIRE.**—About four o'clock Tuesday morning a fire was discovered in a shed in rear of Dr. Moffat's drug store in the Roxburgh block on Colborne-st. and moved to the beginning of the most disastrous conflagration that has ever visited this place. One half of the business portion of the village is in ashes, but with the assistance of the Peterboro firemen and steamer the fire was got under control. The fire went into the Roxburgh block and spread with great rapidity in two directions, north and south. The poor fire apparatus of the village was inadequate to cope with such a blaze, although the villagers made a great exertion to stay the progress of the flames. All the goods of the stores in danger were removed and piled in the Methodist church yard and on the hill at the head of Colborne-st. To get at losses and insurance in each individual case is impossible at present. In the case of the whole block was burned from the Methodist church to the town hall, including the following shops:—R. W. Waters & Sons, drug goods; R. Stewart, druggist; R. J. Stewart, tinmith; one vacant store, lately finished; Miss O. Stephenson, millinery; G. Duffield, jeweler; W. Egan, tailor; Richardson & Co., dry goods; W. E. Roxburgh, office; D. H. Booth, photograph gallery; public library; F. Wason, grocery; C. O'Reilly, implements; T. Henderson, carriage shop. These buildings belonged to Mr. W. E. Roxburgh and were insured for \$6,500, which is far below their value.

#### LITTLE BRITAIN.

**MARRIAGE LICENSES.**—J. B. Weldon, issuer of marriage licenses, Little Britain.—12-ft.

**PERSONAL.**—Mrs. Wilson of Toronto has been visiting her parents, Mr. and Mrs. Rusland. On her return home she was accompanied by her brother Barney. Mr. Charles Yeo, teacher at Agincourt, Toronto, are spending their holidays at the old home. Flo Smith is visiting friends in Port Hope. Mrs. James Blewitt returned home from Hamilton, where she had been visiting at her daughter's. Mr. Cawker of Oshawa spent a few days at Mr. Yeo's. Mr. Worthington of Toronto has been the guest of Mr. Rusland. Rev. Mr. Garbutt was in Markham Monday looking after matters in connection with his church. Mr. McKee and Mr. Moore of Lakefield made a holiday trip to our hamlet. They were guests of Mr. Isaac McKee during their stay.

**HYMNICAL.**—Miss Nettie Rogers has gone the way many others "long have sought." She was united in marriage to Mr. Dunn of Scoug Island at Blackstock some two weeks ago. The wedding was a quiet one. She left her father's on Saturday, accompanied by her sister Sara for her future home at Prince Albert.

**EASTER.**—The children are having a joyous time, and all are in favor of the government (as also the teachers) who so kindly extended the Easter vacation time.

**SUCKERS ARE UP.**—The thoughtless sucker is carelessly making his way up stream only to find itself roasted. Fresh fish is quite a treat, and the boys see to it that, with spears in hand, they don't get past our town.

**BOOMING.**—Britain is still pushing business. Mr. Hiram Brown has a bar-

framed and ready to raise for Mr. Glass. Mr. Clemm is with the addition to his house up and well under way. Mr. Blewitt has had his cellar dug for his new house, and is pushing forward the structure. Mr. Frank Maunders has his shingle mill in full blast. He has an immense stock of material, and doubtless will turn out a great many thousand during the summer. With his chop mill, planing mill and shingle factory, Frank is doing a rushing business.

**SPRING BUYING.**—W. H. Pogue spent three days in the city last week, making large additions to his spring stock.

**NEW SPRING GOODS.**—We are pleased to note that Mr. Weldon, having decided to remain here, has replenished his store. With the four excellent stores in our village and the railway tariff changed, Lindsay and Toronto need not look for much trade from this locality.

**NEW BARBER.**—Our town barber has his place fitted up in good style, and expects to be settled in it this week. Look out for the sign opposite the Methodist parsonage. Shaving and hair dressing done up in first-class order.

**ALMOST READY.**—The Hall-Suggitt Telephone Co. have their poles set and ready for the wire between Little Britain and Valentin, and communication will soon be the order of the day without driving to secure it. I understand this end of the line is built by Drs. Hall and Gregg, and the Valentin part by the general public, with headquarters, for free use to subscribers, at the store of Mr. W. Suggitt. I presume when the company is incorporated it will be with Mr. Suggitt as president, W. R. Swain as vice-president, Dr. Hall as secretary, and Dr. Gregg, V.S., as treasurer.

**HOME FOR EASTER.**—Miss Ida Stratton of Toronto, spent her holidays with her parents at the parsonage. Miss M. Stratton arrived home from Burlington, Iowa, on Saturday, where she has spent the last seven months with her sisters.

**SOCIAL.**—The Ladies' Aid social on Friday was considered in view of the storm, a good success. The women express themselves as well pleased with the pastor's lecture on "Woman's Rights." Two pieces of music were rendered by little girls, and Rev. A. R. Deive performed the functions of a chairman in his usual happy way of doing things.

**CHURCH.**—The Easter services at the Methodist church deserve special note. The floral committee of the E.L.C.E. had the edifice adorned with flowers, fragrant with rich perfume. The choir was full and did itself credit in the excellent anthems rendered, particularly the difficult one in the evening. The morning sermon was founded on the golden text, "Now is Christ risen from the dead and become the first fruits of them that sleep." The Rev. A. R. Deive was the preacher and delivered a good practical discourse. The evening sermon by Rev. Mr. Stratton was founded on the invitation of the angel to the woman, "Come see the place where the Lord lay." It was listened to with great attention by a large concourse of people, and much appreciated.

**OBITUARY.**—The funeral of the late John Stacey, Jr. was the largest seen in this vicinity for years. The church was packed and many could not get admission. The sermon was founded on the very appropriate text, "My days are past, my purposes are broken off."

**MEETING.**—The quarterly meeting of the Methodist church is announced for next Sabbath at 10 a.m.

**OFF TO BRIGHTON.**—Rev. A. R. Deive and A. H. Foster left here for Brighton on Monday morning to attend the examination of the candidates for the ministry of the Bay of Quinty conference.

#### GELERT AND THE NORTH.

**EASTER SERVICES.**—The English church, Minden, was nicely decorated on Easter Sunday morning. The Rev. A. Lawrence preached to a large congregation. Rev. A. S. Grant preached in the Presbyterian church in the afternoon. Mr. Grant in his student days spent a summer in Minden. He preached an excellent sermon, taking as the fundamental thought the text, "Except a man be born again he cannot see the kingdom of God."

**PERSONAL.**—Mr. Freer, I.P.S., is in Toronto this week attending the meetings of the Ontario Educational Association.

Miss Juliet McIntosh, who has been attending Lindsay Collegiate Institute, is home for her Easter holidays. Miss A. L. Curry is attending the Ontario Educational Association meetings in Toronto this week. Miss Curry is one of the delegates from Haliburton Teacher's Association. Mr. F. C. Gillis returned on Monday from a short visit to Fenelon Falls and Lindsay. Rev. S. J. Greer of Albion College, Belleville, spent part of his Easter vacation in Minden. Rev. A. Lawrence is visiting friends in Toronto and Bradford this week. Mrs. J. H. Delamere, accompanied by her daughter, Mrs. A. H. Grant, spent Easter Sunday in Toronto. They returned on Tuesday evening. Miss DeCue, teacher of the junior division of the Minden public school, is spending Easter holidays at home in Hamilton. Miss Abbott, Miss Evans and Miss McEachern, Haliburton Co. teachers, took the train Good Friday morning to spend the Easter holidays at home. Mr. F. D. Puffer of Gelert, who teaches near Dorset, is spending his holidays under the parental roof.
