Medical Operation.

An operation was performed last week on a young man named Wm. Sanders, who had his thigh bone broken some months ago, and it appears did not properly unite. The operation was performed by Dr. Aikins of Toronto, assisted by Drs. Herriman, DeGrassi and Poole. The operation was severe, but we are glad to say that the patient is progressing favorably.

The regular monthly business meeting of the Y. M. C. A. will be held next Tuesday evening. Important business is to be considered so a full attendance is requested.

Reception and Farewell.

The Young Men's Christian Association purpose tendering their members and their friends (lady or gentlemen) a grand reception on Tuesday evening, May 14th. The committee of management will spare no pains to make this affair one of grand event. A programme will be rendered and refreshments served by a corps of young men. A number of visiting friends from Peterboro are expected. The reception will also take the form of a farewell to the retiring President Mr. R. M. Anderson, who will thus have an opportunity of saying goodbye to many he would not otherwise meet.

The Benefit Concert.

The concert held last week for the benefit of Mr. Davis who was so seriously maimed at the station some weeks since, was very successful. The treasurer Mr. J. L. Dunsford handed us the following figures which show a handsome sum realized:—  
The total receipts were.....\$161 05  
Rent of hall \$10.00  
Printing 8.75  
Rent of piano 5.00  
Sundry expenses 2.45  
\$26 20

Leaving a balance of \$134 85

Which sum was handed to Mr. Davis. This is a good showing, notwithstanding the ravings of a certain individual who is noted for his interference in things which concern him not.

Police Supervision.

By a change in the Crook's Act we understand that to the other duties of the police is added the important one of looking after violations of the liquor laws. This is as it should be. In face of the fact that so far our local police authorities have been blind to the violations of the billiard license by-law in town, more than ordinary pressure will have to be brought to bear to ensure a proper observance of both the billiard and liquor laws. No trifling in these matters must be tolerated.

Fire Escapes.

Under a late amendment to the Crook's Act, every hotel over two stories in height must be provided with a fire escape. We understand that no license can be granted to any one whose premises come short of the requirements imposed by the Statute. The bar must open into the street; no dark den in the rear will be allowed; and no blinds or frosting on the windows of the bar. Strict compliance with the rules is imperative.

The Canoe Club Supper.

Taken altogether it was a successful affair indeed. Not one of your stiff, formal affairs, but a jolly gathering, met for a friendly hour, and to enjoy it. It was at McConnell's, the Royal, where the club has supped since it had an existence. This was the 5th anniversary, and the age of club 7 years. Capt. S. Britton, headed the table, Mr. J. G. Edwards took the vice-chair, and members of the club more or less prominent, sat about the board. About 30 were present, not taking into account those who dropped in and those who forgot to come. Commodore H. C. Rogers, of Peterboro was the guest of the evening, and Mr. F. Dobbin, an old club member joined in on the occasion. The spread was ample and satisfying. It was eaten with relish and voted good. Speeches were made by almost the entire company, and songs galore were sung. To repeat the list for either of the accomplishments would necessitate every name in the room being put on paper. The club are to be congratulated on the success as it serves a good purpose in keeping alive the interest in this manly sport. Great things were promised for the ensuing season. A feature of the occasion—a literary feature of great merit, was the original poem read by the inventor and instigator, Mr. Jerry Britton. Graphic and stirring, it brought down the house. It may be procured for publication later on. The gathering dispersed about 12.30

Obituary.

We regret to announce the death of Mrs. English of Omeme, widow of the late James English, one of the oldest and most respected settlers of Emily. The subject of this sketch first settled in Emily in the year 1818, and her husband in the year 1822, when that township was nothing more than a dense forest, which from that time gradually gave way to the sturdy axeman until it has become one of the best Townships in the County. The deceased was the mother of twelve children—two of whom, Isaac and George died several years ago—and ten survivors, her, four sons and six daughters, Robert and Samuel, of Omeme, John James, of Maple Creek, N. W. T., Wm. H., of Carberry, Mrs. McKinley, Mrs. James Balfour, Mrs. Davidson, Mrs. Clarke, of Omeme, Mrs. Hodge, township of King, and Mrs. J. Harding, of Lindsay. The funeral which took place on Thursday was very largely attended by sympathising friends and acquaintances.

Ops Agricultural Spring Show.

The Ops Spring Show was held on Saturday last. The show of horses was not so numerous as at former exhibitions, while there was not a single bull on exhibition. This fact does not speak well for the Ops farmers. The attendance of visitors was very good, the receipts at the gates, being \$9 in advance of last year. The following is the prize list:—

HEAVY DRAUGHT HORSES—6 entries, 1st, T. J. Graham, "Prince George;" 2nd, Thos. E. Skuce, "Criffel;" 3rd, G. W. Curtis, "Huntsman."

THREE YEARS OLD DRAUGHT HORSES.—1st, Wm. Yelland, "Young Ivanhoe."

GENERAL PURPOSE HORSES—3 entries, 1st, Edwin Beacock, "Champion Fred;" 2nd, Patrick Collins, "Young Abbotford;"

ROAD AND CARRIAGE HORSES—5 entries, 1st, John Simpson, "Lapidist Chief;" 2nd, G. W. Curtis, "Valentine;" 3rd, H. McKenzie, "Hambletonian George."

PERCHEON HORSES.—1 entry, N. Day, "Paulus."

The Bump of Combativeness.

We would congratulate our East end contemporary upon the surprising development of the go-for-him-lively bump, and upon the proficiency that has been acquired in the "manly art." No past record gave any indications of the capacity for "training," which events of this week have brought to light, and the danger on the part of the world outside the editorial sanctum of judging from appearances has been sufficiently demonstrated to furnish a sort of protection all around. Whilst wishing our East end confrere more power to his elbow, we would advise him to go west—as far as Cambridge St.—where he will find a splendid "subject" on which to exhibit his "staying" powers. We would advise our cotem, however, to pass rapidly across William-st., as any lengthy delay on that thoroughfare might result in a break in the record. Has the question as to who is Menzies "unknown" been settled at last?

The Assizes.

The assizes commenced here on Monday last, Mr. Justice McMahon presiding. Wm. Kerr, Esq. of Coburg being Crown Counsel. The following are the names of the grand jury:—

Bartholemew Dingle, foreman, David Annis, Robert Adams, Hamilton Best, Wm. Curry, Hugh Cameron, Wm. Davidson, J. G. Edwards, Wm. S. Graham, Eustace Hopkins, Wm. Hunter, Robt. Irvine, Wm. Jordan, John Kelly, Wm. McBurney, Arthur McQuade, Alex. McKenzie, Colin S. McMillan, Bernard McGeough, Wm. Ramsay, Wm. Reid, W. F. Ritchie, John Sales, Thos. Webster.

MOONEY VS SMITH.—Action of Mrs. Mooney against C. J. Smith of Toronto for trespass to lot 8 in the 2nd con Snowdon. The defendant did not deny cutting the timber in the lot, but claimed that the plaintiff's title founded on a tax deed was not good on the ground that the land was bought at a tax sale while her husband was acting as County Treasurer. Judgment reserved as to the legal point. Damages if any, fixed at \$94.60 Moore or plaintiff, Osler Q. C. and Dean for Defendant.

ARCHIBALD McCALL VS CHARLES WAY AND JOHN DORELL. Action for libel. The parties live in the township of Glamorgan in the county of Haliburton. McCall and Way were nominated for the reeveship on 31 Dec. last. Dorell who is the bailiff of the Division Court read to the electors present a paper to the effect that the plaintiff three years ago did steal one mappin, a chain, one augur, and an axe from a punt at the Burnt River bridge. It appears that a young man named Cyrus White had stated to Way, who is a Justice of the Peace, that he had seen the plaintiff take the articles from a punt and put them aside to prevent them from being stolen and that they belonged to Mr. Boyd, and that the statement was distorted as above, and read out to the electors to prevent them voting for McCall. When the case came on defendants consented to a verdict and as the plaintiff merely brought the action to vindicate his character a judgement was entered for plaintiff for 25 cents with full costs of suit. The plaintiff has resided over ten years in Glamorgan and is now reeve of that township. Hudspeth, Q. C., for plaintiff, Devlin for defendants.

SPENCE V. GREEN ET AL.—This was an action for trespass for cutting timber, verdict by consent \$25 for plaintiff each paying their own costs. N. J. Patterson Q. C. for plaintiff and Barron & McLaughlin for defendants.

LAMB V. WHITE. This was an action for damage in causing fire by which timber and wood was destroyed in Ontario county. Defendant denied responsibility. Verdict for defendant, Osler and Ebbels for defendants, N. F. Patterson for plaintiff.
