#### Obituary.

On Sunday last one of Lindsay's oldest dents passed away, in the person of Mr. J. J. Wheeler in his 73rd year. Mr. Wheeler was, before the fire of 1861, in business in this town, but like many others that calamity swept nearly all his property away. Since that time he has been employed chiefly at book-keeping, and has for a number of years acted as returning officer and auditor for the town. Mrs. Wheeler died a few months ago. #### A Tall Chimney.

The Chimney erected for Messrs. Sadler Dundas & Co's. engine house at the mills, was finished on Monday last. It is one hundred feet high, and ten feet square at the base. It was built by a Mr. Smith of Galt, and contains about fifty thousand bricks. The foundation is of stone. Mr. Smith laid the brick in exactly eleven days, for which he was paid \$305. He did not use scaffolding having laid the brick from 14-tf. the inside using scantling cross pieces to stand upon.
