Harcourt't Reply to Rosebery.

London, May 9 .- The Daily Mail announces that Sir William Vernon Har-A boy 16 years of age, who gives his court, the former leader of the Liberal party in the House of Commons, at the been arrested at Paris and taken to St. dinner of the Welsh members of the Kitts on a charge of complicity in the House last Saturday evening, delivered a resentful and outspoken reply" to Lord Rosebery's references to the state of the Liberal party, in his speech last week, man's and the ruby ring stolen from at the banquet of the City Liberal Club at Walbrook, London. Harcourt, according to The Daily Mail, declared that the Liberals had no occasion to turn backward, and that it ill became one of Mr. Gladstone's colleagues to advocate Wiping out the whole inheritance Liberalism had received from that illustrious statesman.

Buried the Papers. Paris, May 9 .- Mme. Eledie Wattier, daughter of a French officer now undergoing imprisonment at Amiens for swindling, has written to M. Mazeau, first president of the Court of Cassation, declaring the late Sergeant-Major Lorimier, at one time secretary of the late Lieut.-Col. Henry, who like Henry committed suicide, secretly brought her docu-Emperor William, which she says she Marly, northwest of Versailles. She forwarded a cabman's receipt for the trip. Major John Cotton, youngest brother and declared herself ready to reproduce week were as follows: 2,906 cattle, 152

Houses Wrecked by the Tornado.

Guthrie, O.T., May 9.—The cyclone which passed over Canadian County destroyed at least 20 farm houses and caused great damage to growing crops. At Chickasaw 17 buildings were wrecked and 14 persons injured. J. H. Murray, a railroad man, who was caught under falling timbers, died of his injuries. A report says: James Whitman and his son homes were blown away. Rain fell in torrents, and half a dozen culverts on the Rock Island Railroad were washed out.

Temple's Periodical Comet.

Cambridge, Mass., May 9.—Dr. J. E. Keeler, director of Lick's Observatory, announces through Harvard College Observatory the discovery of Temple's periodical comet by Mr. Perrine, an assistant at Lick. The position of the object, which is described as "faint," in May, 6.9077, Greenwich mean time, right ascension, 18 hours, 52 minutes, 57.8 seconds, declining south 4 degrees,

Three Leading Principles.

London, May 9 .- The Berlin correspondent of The Standard says: The United States delegates to the peace conference at The Hague have instructions to advance three leading principles: The upon the journey to his new post at institution of courts of arbitration; the extension of the declaration of Paris of 1856; the non-confiscation of all cargoes not contraband of war, and the extension In London on Monday of the British & of the Geneva convention to war by sea.

AN UNDESIRABLE CLASS.

Arrival of 1,400 Galician Immigrants for Canadian Ports at Halifax-Opinious of Their Value.

New York, May 10 .- A special despatch from Halifax last evening says: The Hamburg-American steamship Brasilia, which arrived yesterday morning from Hamburg, from which port she sailed on April 29, had en board 1,400 Rye Galicia immigrants who are bound for Canadian points. The health officers in inspecting the steamship at quarantine found 13 cases of measles on board. Not Enthusiastic Over It.

A special cable from Hamburg says: The steerage quarters of the German-American liners are crowded with Galicians who are emigrating to the United States and Canada in consequence of Chickens, per pair...... 0 35 to 0 50 oppression and famine at home.
