### WOODVILLE.

A STATEMENT.

We the undersigned ratepayers and residents of the village of Woodville, having noticed with regret several slanderous attacks made on Mr. William Cameron, Reeve of the said village in the Victoria Warder, have every confidence in Mr. Cameron's integrity and ability and regard such statements as a slander on our quiet village, and injurious to Mr. Cameron's reputation Public and private.

We also consider and believe that such spurious letters are not written in Woodville but by some personal enemy else-

If the writer of said article in question will please attach his real signature to the letters in future, it will allow Mr. Cameron to answer the same if deemed necessary:
