

# THEY CAME, THEY BOUGHT

AS THEY NEVER BOUGHT BEFORE.

And still they come, and still they buy. Busy yesterday—busier to-morrow. We have had to "hustle" trying to get every customer served quickly and properly. Straw Hats, Summer Shirts, Summer Underwear, Summer Clothing and Summer Neckwear were most in demand. But we have the goods this season—as we always have—and we are selling at very close prices—as we always do. That's why we have your trade. We want your trade, and we know that the right way to get and keep it is to have a good variety of everything and to sell cheap—cheaper than anybody else.

Our summer campaign for business is carried on on business principles—keeping the best clothing for the best money. We are just far enough away from Farkerville to consider living pleasure. Merchants all over Canada are trying to figure out where we get goods to sell so cheap. Sometimes they club together and petition manufacturers not to sell us, and sometimes they swear the goods are not as represented, and sometimes they buy the goods to sell again. Who do we buy from? Well, here are a few pretty solid names we can refer you to:—W. E. Sandfords, John Calder & Co., Laily Watsons, W. R. Johnson, McKena & Thomson, Small & Co., and from people who make specialties.

## MEN'S AND BOY'S SUMMER CLOTHING AND STRAW HATS.

We have sold an immense quantity of Summer Clothing thus far. Come and see what we can sell you in Light Summer Coats and Cool Vests, Sporting, Camping and Vacation Suits, &c. We like to talk to you. We like to draw their attention not only to our low prices but we have something even more important—namely, the style and finish and the strong wearing qualities of our Boy's Suits. Does anybody know of a larger hat store in Canada than ours. Large and roomy enough to enable us to serve great crowds with ease. Our hats are not all in the windows—they are on the ground floor—thousands to choose from at prices lower than ever. Light weight Felt Hats in very many shapes, just the hat for present wear.

**Special to the Watchman.**  
**ON THE DIAMOND.**—Quite an enthusiastic crowd witnessed the Glandine vs. Salem baseball match on Saturday last. We are pleased to state that our boys behaved most admirably on the occasion. The Salem boys were the visitors and we felt compelled to treat them with the greatest of hospitality, so it certainly was a well-earned victory for them. We could have been highly impressed by their victory if they had not defeated us. All through the game they took the rear. Of course the modes of victory is entirely due to the visitors. We desire of our boys in giving them the assurance, it was well arranged, and is another proof that defeat in some cases is even more honorable than victory.

#### LORNEVILLE

**Special to the Watchman.**  
**PUBLIC SCHOOL ENTERTAINMENT.**—On Tuesday evening last, the day previous to the closing exercise of the public school for summer holidays, a grand time was spent by the pupils and their friends, in the way of enjoying themselves in the various sports. At 5 p.m. their genial teacher Mr. D. McMillan had every arrangement completed, when a baseball match between the pupils and ex-pupils was in progress. After some interesting playing between the two parties the score stood 19 to 21 in favor of the pupils. After the little players enjoyed some rest, foot races followed in the following order:—Boys, 6 years and under—Geo. Vanstone 1st, Geo. Smith 2nd. Boy's race 8 years and under—Leo. Burton 1st, Chas. Walker 2nd. Boy's race 10 years and under—Montrose McMillan 1st, Archie McIntyre 2nd. Boy's race, 12 years and under—Archie McConquada 1st, Addie Reid 2nd. Boy's race 14 years and under—J. McLean 1st, W. Fisher 2nd. Boy's race, over 14 years—L. Calder 1st, W. Douglas 2nd. Ex-pupils race—W. Ford Coad 1st, J. J. McMillan and Alf Burton appeared to rank a tie. Married men's race—J. Thompson 1st, J. H. Brood 2nd.  
Perhaps the most interesting to the young folks was a well spread table in Mr. Coad's home by the good ladies

of the village and ladies surrounding sections. We are justified in saying that the merry hearts of all who attended were delighted with the evening's outing and such exercise practiced by the youth of our schools has every tendency to enliven the young hearts. Instrumental music was given by Miss Lena Morrison and others, which rendered valuable service for the occasion. When the programme was exhausted and the daylight hidden games of all kinds was freely enjoyed by all present until every person though bashful as they appeared in the sunset hours, showed forth a similar countenance. The entertainment and sports throughout was a decided success.

**GARDEN PARTY.**—On Thursday evening next a garden party will take place under the auspices of the Y. P. S. C. E. place on the same lawn. On this occasion a grand time is expected. Let their be a large attendance.

#### SALEM-MARIPOSA

**Special to the Watchman.**  
**11th ANNIVERSARY.**—The annual anniversary services in connection with the Sabbath school, were held on Sunday and Monday last. The weather was beautiful, but warm, a pleasant breeze moderating the atmosphere somewhat. On Sunday morning the pastor, Rev. R. Hassard conducted the services, while in the evening the Rev. W. Wickett delivered an excellent sermon from Matthew 13:3 v. On Monday afternoon a platform meeting was held and an excellent program was rendered by the Sunday school scholars, consisting of readings, recitations, dialogues and singing. The Rev. J. Whitlock, of Port Perry, a former pastor on this circuit, gave an excellent address on "That wonderful book, the bible." After the address the Manilla Methodist church choir contributed several fine selections. The proceeds from the concert, social and refreshment stand amounted to \$93.

**PERSONAL.**—Mr. William Ramsey, of Minden, is enjoying a few weeks visit with his friends in this locality. All are delighted to see him. Among the number of visitors whom we noticed at the tea-meeting were Misses Annie and Dora Robinson, Miss L. Graham, M. Storer, A. Bacon, and Messrs. John Robinson, Arthur Storer and Arch McInnis, all of Lindsay. Messrs. J. McEachern, R. Delve, J. Ramsey and George Windrim spent Saturday last in Lindsay, the latter proceeding to Omeo where he spent Sunday with his mother. Mr. T. Emerson, of Valentia was visiting Crosswell friends last week. Come again Tom.

**BASEBALL.**—Salem juniors visited Glandine on Saturday last and played a game of baseball with the boys at that place. The game resulted in favor of our boys by a score of 39 to 8. A return match is expected.

**WE WOULD LIKE TO KNOW.**—Who engaged two waiters for the tea? Who the young man was that smashed his bike while visiting a friend on the seventh? What took Tom to the station on Saturday eve? Who had the white shirt painted red? If Charlie got his tire fixed?

—Don't forget Father Sweeney's picnic on Monday, at Victoria Road. Speeding in the ring, lacrosse and other games.  
—Mr. Brass, of East Oakwood, heard a scraping noise on the wall of his house a few days ago, and on looking up he noticed a bat emerge from a hole in the wall. He watched a few minutes longer when he noticed a second one, and then they began to come out in rapid succession until he had counted no less than thirty-five. A few evenings later some forty-five were counted. It was certainly a good day for bats.

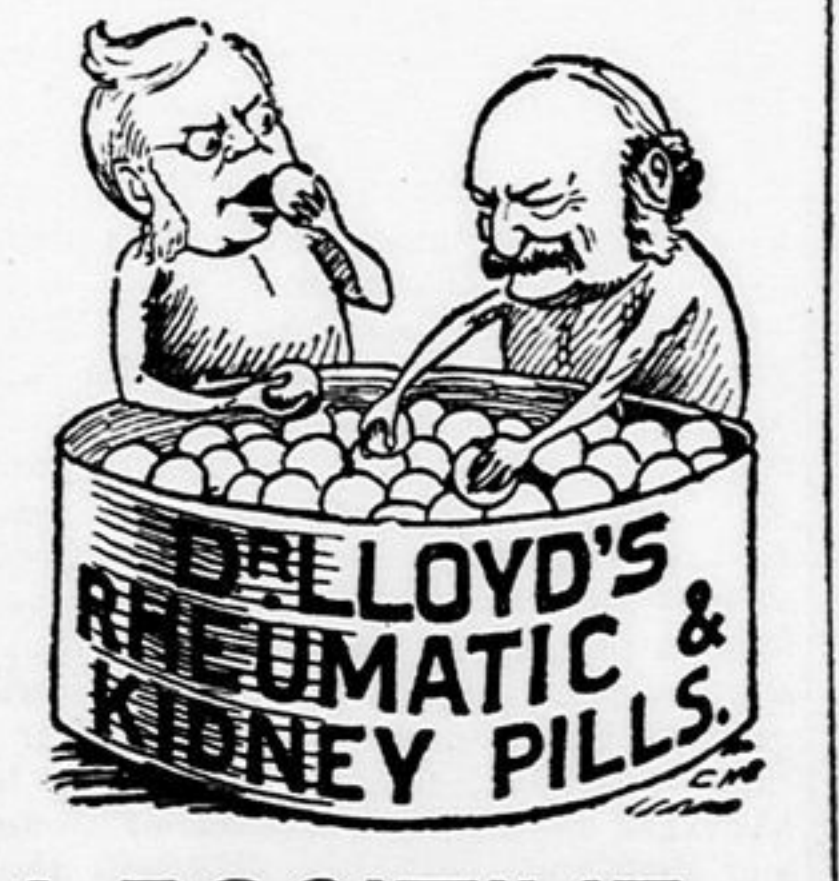

—At a special meeting of the council on Saturday evening last a motion was carried granting \$100 for the purpose of constructing a shelter at the wharf. The council was divided in their opinion as to the wisdom of the motion, but it was carried just the same. There is considerable feeling over the matter.

—At the regular meeting of Lindsay Lodge, No. 100, last Monday evening the following officers were elected for the ensuing term:—N. G. Robt Chambers; V. G. Alex Fisher; treasurer G. H. Matthe; recording secretary, J. Henderson; financial secretary, E. Williamson; representatives to grand lodge, R. H. Harding and Archie McIntyre.

—On Tuesday night some "smart alick" removed the Victoria Laundry Office sign from over the door of Mr. A. A. J. Soanes fruit and fish market and placed it over the door of Mr. J. A. Williamson's harness store. Tricks of this nature are contemptible and should be punished with the utmost vigor of the law. It is the duty of the town police to endeavor to trace the perpetrator and introduce him to the police magistrate, who will deal with him in a manner calculated to prevent a repetition of such disgraceful conduct.
