Doings About Town.

Point Property Sold.
W. McDonnell, Esq. sold his cottage and lot at the Point last week to Dr. Ryerson for \$500.

C. E. T. S.
The Church of England Temperance Society gave their regular monthly entertainment on Friday evening of last week. There was as usual an excellent programme, and the attendance was good.

Baptist Excursion.
The annual Excursion and Pic-nic of the Baptist Church Sabbath School will take place on Thursday, the 11th inst., to Washburn's Island. A pleasant day may be expected.

St. Mary's Garden Party.
The ladies of St. Mary's Church will give a garden party in the grounds opposite the Convent, on Tuesday evening at 7.30. Refreshments will be served. Admission 10 cents. An enjoyable evening may be expected.

St. Paul's Garden Party.
The young ladies of St. Paul's Church give a garden party this evening (Thursday) on the grounds of the Rectory, at 7.30, admission 10 cents. Refreshments of all kinds will be provided, and everything will be done to make the evening an enjoyable one. All cordially invited.

Flag Poles.
There were three fine flag poles set up in the North Ward last week from which the "Flag that braved a thousand years the battle and the breeze" gracefully floated on Monday last in honor of our national holiday. Messrs Wm. Wood, J. L. Winters, and John Graham are the happy possessors of the above. Long may they flutter.

Cut the Weeds.
Is there not a by-law that all weeds, etc., on the public streets should be cut? The appearance of many of our streets since the cow by-law came into force is not very creditable. We do not use this as an argument to rescind the above by-law, but intend it as a hint that the owners of property display a little taste and enterprise by taking a little exercise in the early mornings or dewy eyes by cutting down the burdocks, Canada thistles, etc., that are to be found opposite their property.

Board of Education.

The regular meeting of the Board of Education was held on Tuesday evening in the Police Court room, as the Council at the same time were in session in the Council chamber. Present, Messrs. Dobson, McNeillie, O'Leary, Smyth, J. Kennedy, R. Kennedy, Flavell, Stewart and MacMurphy.

Principal Harstone reported an average attendance of 162 at the Collegiate Institute for the month of June, and Principal Broderick of the Public Schools an average attendance of 650 with 750 upon the roll.

The report of the finance committee recommending amongst other things that the salaries of Messrs. Hallett and Armour be \$750 and \$650 respectively dating from July 1st, was read and adopted.

On motion of Mr. McNeillie, seconded by Mr. Dobson the salary of the classical master of the Collegiate Institute was fixed at \$1200, said change to take effect on 1st January of next year.

The Board adjourned to meet on the 16th, to prepare the estimates for the year.

Town Council.

The regular meeting of the town Council was held on Tuesday evening. The following members were present, the Mayor, Reeve, Dy. Reeves Williams and Ray and Councillors Bryans, Ross, Comstock, Brown, Touchburn, Fee, Flurey, Parsons and Dean.

The clerk read the minutes of last meeting which were approved.

The following communications were read.
From W. S. Battin, Telegraph Co., in reference to allowing electric light poles, stating that such were dangerous to the Telegraph Co's. property. Referred to Street and Bridge Committee.

From Fremont Crandell offering lake shore gravel, delivered on streets at \$1.00 per yard and bank gravel at 80 cts. Laid on table.

From R. Spier, sec. of Board of Education asking \$1600 for current expenses, \$800 for Collegiate Institute, and \$800 for public schools. Laid on table.

From town solicitor in reference to the Irwin lease. Referred to committee appointed to look into the matter.

From Killaby & Kennedy in reference to cedar contract. Referred to Street and Bridge Committee.

From P. Clunan resigning the office of assistant constable. Resignation accepted.

From Mr. A. O'Leary in reference to the salary of Police Magistrate. Referred to Finance Committee.

From Sanitary Inspector in reference to stagnant water near the round house. Referred to Street and Bridge Committee.

The chief of Police's monthly report in reference to fines etc. Referred to Police Committee.

The Mayor read a communication from Co. Treasurer, in reference to sending delegation to meet a delegation of the Co. Council to confer with G. T. R. asking for better train service to and from Cobocok.

The Mayor stated that about \$2000 had been paid for licenses in town, and he understood that some \$3,000 was held by the County Council chiefly collected as fines under the Scott Act from Hotel keepers in the town and he thought that that sum should be given to the municipalities in which it was collected. He thought the Reeves should look after it.

Mr. Ray said that he brought the matter up in the County Council but the feeling in the Council was so strongly in favor of holding on to it that he could do nothing in the matter; in fact it was three to twenty, and the only way of securing it was through the Ontario Government.

Mr. Williams read a report of the special

committee appointed to investigate the charges of malfeasance of office made against Mr. S. Parsons for selling cedars to the town, through Jos. Wilson. The report exonerated Mr. Parsons of any blame in the matter.

Then followed a lively discussion on the matter between Reeve Crandell Dy. Reeve Williams, Mr. Dean and others in which no very complimentary language was used, and during which the mayor had all he could do to keep order. These scenes are becoming rather frequent at meetings, and it would greatly add to the dignity of the members, were they entirely dropped. The report was adopted.

Mr. Ray read the report of the Finance Committee. The Committee declined to recommend an advance of salary to the assessors, and several bills were recommended to be paid. Mr. Ray gave a lengthy explanation of the abatements allowed to ratepayers, who pay their taxes before certain dates.

Mr. Flurey read the report of the Police committee. The report stated that there were 16 applications for the office assistant constable. The report recommended Charles Reeves for the office.

In moving the adoption of the report Mr. Flurey brought before the Council the fact that heretofore it was the custom of the council to engage a Protestant and a Catholic as chief constable and assistant. He said that this plan worked well, and he considered it only fair to the Catholic ratepayers to continue to do so. He supported his position with a good deal of energy, but the report appointing Mr. Chas. Reeves was adopted.

On motion of Mr. Ray, seconded by Mr. Touchburn, the Fire Warden is to be paid \$30 for the year provided that he discharge his duties to the satisfaction of the council.

Moved by Mr. Ray, seconded by Mr. Dean that the Reeve and Dy. Reeve Williams be and are hereby requested to attend the special committee appointed by the County Council to urge on the G. T. R. the necessity of running an additional daily train on the Cobocok branch and the Haliburton branch respectively, they to represent the interest of this municipality and to act with said Committee in urging the additional train service.

On motion of Reeve Crandell, seconded by Mr. Bryans, the billiard by-law was read a third time, and passed on the following division.

YEAS—Crandell, Bryans, Ross, Parsons, Flurey, Deane, and the mayor.

NAYS—Ray, Touchburn, Williams, Comstock, Brown and Fee.

On motion of Mr. Flurey, seconded by Mr. Dean, a cordial vote of thanks was unanimously passed to Mr. P. Clunan, for the manner in which he has discharged his duty as assistant constable for several years past.

Mr. Flurey moved a resolution with reference to a dispute between himself and Deputy Reeve Williams, as to the latter's report of Committee to which was referred the local improvement by-law and after some discussion on the matter the resolution was withdrawn.

The council adjourned till next evening.
