Board of Education
The regular monthly meeting of the board of education was held on Tuesday evening. Members present: Chairman McNeillie; Messrs. Stewart, Flavell, J. Kennedy, McLaughlin, Deacon. Walters, Macmurchy, Pilkie and R. Kennedy.

The minutes of former meeting were read and confirmed.
Mr. Head's report of the fees collected in the Collegiate Institute for June gave the amount as \$234.36; and for the half year just closed, \$1516.25.

Mr. Stewart presented the report of the finance committee, which in addition to recommending the payment of several small accounts, recommended that the salary of Mr. Head be increased \$50 per annum. The report was adopted.

Mr. Stewart also submitted the estimates for the year, which showed that the amount required for Collegiate Institute purposes over and above the usual grants, fees, etc., is \$2,900, being \$200 less than last year; and for the public schools \$8,940, being \$360 less than last year.

On motion the management committee was instructed to report at the meeting in September on the increased public school accommodation required.

On motion, the fee for pupils outside the county, who may desire to attend the Collegiate Institute, was fixed at \$2 per month.

The board adjourned to meet on the first Tuesday in September.

The Patrons of Industry

should not buy a drop of Machine Oil before pricing it at HIGINBOTHAM'S.

Drowned.

On Friday last Len Ritchie, a son of Mr. S. S. Ritchie, about 11 years of age, was playing on the boom near the Wellington street bridge, he fell into the river, and was drowned before his little playmates could give the alarm. The body was recovered about an hour afterwards. This same boy was saved from drowning by Mr. P. J. Hurley a few months since.

S. S. Excursion.

—The Baptist S. S. picnic took place on Tuesday last to Bobcaygeon. We congratulated several of the excursionists on their good fortune in having such fine prospects for dry weather, some of whom were not at all sanguine that the result would turn out differently from their customary "sprinkling." The usual shower visited the party at Bobcaygeon, although we had no sign of rain in Lindsay.

Changed Hands.

The Lindsay Post changed hands Friday, July 1st, having been purchased by Wilson Bros. & Co., of Toronto, and Port Hope. Mr. George H. Wilson, Toronto, on of Mr. Geo. Wilson, of the Port Hope Guide, will be the manager. We welcome Mr. Wilson to Lindsay, and we trust his enterprise will be rewarded by success. We would also congratulate Mr. Barr on his retirement from his editorial labors, to reap the well-earned fruits of office. When Mr. Wilson will have harrowed all the grit soil ploughed by Mr. Barr, the conservative majorities in South Victoria will be far up in the hundreds.

Church's Auto-Voce School—a pronounced success.

Mr. and Mrs. Church's many friends in this section will read the following from the Empire with a great deal of pleasure. Empire, June 21 92:—"The record of this new educational institution during the past year—the first in its history—is a decidedly good one; the great blessings which have followed can be appreciated only by the large number of those who have been relieved of their terrible affliction—stammering. In the meantime the system has been placed upon graded basis, and a department has been opened for the training of defective voices in children. During August the school will be closed for vacation, reopening September 1st in its new location, 2 Wilton Crescent, with a very enviable prospect for a successful second year. No advance fees are required of students entering the Auto-voce school."

Port Perry vs Lindsay.

—On Friday last the Lindsay lacrosse club sent a team composed of juniors and seniors to Port Perry to play an exhibition game with the club of that town, and resulted in a victory for the home team by 3 goals to 1. Too much praise cannot be given the seven juniors who took part in the play; they all handled their sticks well, and with a little practice will be the foundation of a first-class team in Lindsay. Promptly at 2 o'clock referee McSweyn's whistle sounded and the teams lined up as follows:

LINDSAY.	PORT PERRY.
Bunting.....Goal.....	Monopp
Malcolmson.....Point.....	Phillip
Hamilton.....C Point.....	Crozier
Little.....1st Defence.....	Hutchinson
Ritchie.....2nd ".....	Fielding
E. Houghton.....3rd ".....	McCullough
Findley.....Centre Field.....	Cook
Elliott.....3rd Home.....	Wilson
McBurney.....2nd ".....	Paterson
T. Houghton.....1st ".....	Holloway
A. Ritchie.....Outside.....	Powers
Short.....Inside.....	Hunt
Henderson.....Captain.....	Meharry
McIntyre.....Umpires.....	Parrish

The first game was a fast one from start to finish, Port Perry scoring after 30 minutes hard play on a swift side shot by Holloway. After five minutes rest the teams lined up again and for the first half of the game the play was about even, when Findley stumbled on the rough ground and hurt himself so severely as to be unable to play for the rest of the game. His absence weakened the team considerably, and after play had been resumed for five minutes Hunt had been resumed for Port Perry. Time 25 minutes. After some lemonade and cold tea had been served, the third game was started, and after 20 minutes play Hutchison did the needful scoring, Port Perry's third and last game. With 15 minutes to third and last game. With 15 minutes to play the ball was again set rolling and after 5 minutes play Short scored the ball and by a good shot scored Lindsay's only game. Time being almost up the team then left the field.

NOTES OF THE GAME.

—When the Port Perry team comes to Lindsay the best will not be good enough for them.
—Parish was conspicuous by his absence.
—They say Holloway is a pugilist.
