FWHIN BLAKE TUK THE SHTUMP AT KNOCKDOGAN.

Whirroo, byes! But wasn't there lashins av fun
 The day that Ned Blake kem oratin'.
 The meetin' was lively afore he'd begun.
 And the gang for a ruction was waitin'.
 Fwhin he opened his gob an' sez, "Gintlemin, I—"
 "Hurroo for Parnell!" was the slogan.
 The turf an' the bricks bats began fur to fly
 Fwhin Blake tuk the shtump at Knockdogan.

An' thin he shtood back wid a luk av surprise.
 Bedad, he's a curious craythur.
 Wid the beautifulest row right fornist av his eyes,
 Disgust was expressed in aich fayture.
 His friends rallied round in an illigant shytle.
 They half-murdered ould Timothy Hogan,
 But he jist stood dumbfounthered wid niver a shmile.
 Fwhin Blake tuk the shtump at Knockdogan.

They got quieted down, an' a few words he shpoke,
 You cud see that his moind was onaisy,
 "Och, sure," says the chairman, "it's only a joke.
 The byes didn't mane to displace ye."
 Says Blake, "I don't like it, I'll tell ye fur fwhin."
 Such things to the cause 'ud be no gain."
 Thin a big sod av turf tuk him fair in the eye
 Fwhin Blake tuk the shtump at Knockdogan.

"Howly murder!" sez he, "let me out of av this, quick!
 Och! povers above, this is frightful!"
 An' thin Paddy Gorman shtruck Reilly a lick.
 An' the fun became thruly delightful.
 There was fightin' all over the platform,
 d'ye moind,
 An' a kick from Con Rafferty's brogan
 Broke the chairman's left leg, an' I hear
 Blake declined
 To shpake anny more at Knockdogan.

By the aid of the new Hydro-Carbon Gas Furnace he can make indestructible porcelain fillings and restore broken and decayed teeth to their original shape, contour and color. By this process old roots can be removed without the use of any force, and consequently no pain is required.

Gas, Vitalized Air, administered for nearly 23 years, extracting teeth for thousands of persons without a particle of pain. He uses the latest approved appliances for administering the Gas. He studied under Dr. Colton, of New York, the inventor of gas for extracting teeth, who has given it to over 160,000 persons and not a fatal case.

Mr. NEELANDS uses Ball's Local Anesthetic for extracting teeth. He is now using a new style of forcep, which he had expressly manufactured while on his last visit to New York, which removes the teeth without danger of injury to the gums or jaw, the gums healing up beautifully in a few days, and no consequent trouble. Artificial teeth inserted on all the regular bases and by the most approved styles and appliances for their retention and comfort. Numbers of persons are wearing teeth made by Mr. Neelands over 20 years and never required repairs. Prices from \$10 to \$35 for an upper or under set.
