**OBITUARY.**—Dr. C. E. Cochrane, a former successful practitioner in this locality, died of congestion of the liver at Keewatin, Ont., last Thursday, 11th inst. The report of his death was a severe shock to Mrs. Cochrane, who resides in this village with her mother, Mrs. Norris, and the entire community was very much pained to learn of his sudden demise. The remains were taken charge of by the Masons, of which order he was a member, and forwarded to his mother's residence, Colborne, from which the funeral took place on last Tuesday. The deceased, who was 55 years of age, leaves a wife and two children, besides a large circle of friends, to mourn his sudden demise.

#### SANDRINGHAM.

(To the Correspondent of Peniel.)

**DEAR SIR.**—I reply to your notice published some three months past. I here say, that I have in my sight a man that answers to your inquiry, but can say that he was never known to wander but once, and that was to a ploughing match. I wish that in the future you would be more careful in advertising for the lost. A BIG TIME.—A number of our youthful people took in the Orange walk at Fenelon Falls and report a good time. How did Frank get home?  
**WHO?**—Who did Alex. have at the picnic in Kirkfield on July 1st? Did Jack get home all right, and what about Frank, he was simply out of it? Alex. says he doesn't understand how times keep up when business is so dull.

#### SALEM-MARIPOSA.

Special to the Watchman.

**THRASHING.**—Thrashing has commenced this week. No doubt the alkali yield will be above the average. Any farmer wishing to get a good job done will call on Mr. Archie McInnis, who has purchased Mr. T. King's threshing outfit for the season. Archie will do a large trade in this section, as he is an old hand at the business and takes well among the young lads.

**PERSONAL.**—Mr. J. P. Ramsey, of Cooktown, Simcoe Co., visited friends here last week. Miss A. Mainhoed returned from Valentin on Saturday last, where she was visiting Mr. Themerson. Mr. Archie McInnis has returned from Lindsay, where he has been employed with Sylvester Mtg. Co. for the summer. All are pleased to see Archie's smiling face again. Mr. John McKinnon is visiting friends here.

**BASE BALL.**—Salem base ball team intends going to Lindsay to play the Lindsay boys on Friday next.  
**LAONICS.**—Who missed the first train to Orillia? What takes the young Mariposa man to Brock so often? Who wanted to fight in the turnip field? Why are some ministers like saloon-keepers? Because they are down on temperance lodges. How is Joe and the merry-go-round coming up? Does he make it pay? Why didn't Crosswell temperance lodge meet last week, we guess she is a gonner.

#### DUNSFORD.

Special to the Watchman.

**FIRE.**—On Monday, 15th inst. the house owned and occupied by Mr. W. Gerny, was completely destroyed by fire and it was only by the most strenuous efforts on the part of our bucket brigade that the west end of our town was saved. The fire had gained quite a headway before it was noticed and only a small amount of goods was saved, all their clothes were lost as was also money amounting to about \$40. The fire originated from a child playing with matches.

**BEST WISHES.**—The honeymoon in connection with the S. H. wedding spoke of a couple of weeks ago has come to an end at last and the loving couple have returned to their home. We wish them joy.

**PERSONAL.**—Miss Aggie Woolard, after spending a week under the parental roof has returned to Muskoka. Somebody looks downhearted over it too. Never mind, cheer up and we'll try and run a telephone through. Rev. M. Methereil and family are at present visiting friends in Dummer.

**DIVINE SERVICE.**—L. O. L. No. 96 paraded to the English church on Sunday, 14th, and listened to a very instructive sermon on the reformation, delivered by the Rev. W. J. Creighton.

**HE WAS NATURALIZED.**—One day last week as one of our leading townsmen was passing through a bush just north of our village he caught sight of something through the trees and by the description he gave of it we came to the conclusion it was either a gorilla or some new species just sprung into existence, but on investigation we found out that it was only Fred digging a well and he had got a little too warm and he was taking the quickest way to get cooled off.

#### REABORO.

**CHURCH NOTES.**—The parsonage aid committee lately formed in connection with the Lindsay east circuit of the

Methodist church, has had their first meeting which was held last Monday evening. A collection was taken and thus a start made in their work. They talk of something being done close upon the close of harvest to aid in the work they have in hand.

#### CRESSWELL.

Special to the Watchman.

**CHURCH NOTES.**—We are pleased that our people are a people of push and energy. The church, which for so long a time has presented a dingy and gloomy appearance has been freshly papered and thoroughly renovated. The work was done by Mr. Moore, of Lindsay, and reflects great credit upon his ability to do a good job.

**IMPROVEMENTS.**—Mr. Finley Sinclair has raised his barn and placed a fine stone wall under it. Finley had his house beautified last summer and now he is improving his barn. We expect Finley's next step will be a "sleeper." Go ahead Finley.

**PERSONAL.**—Mr. Wm. Ramsey left our midst last week for his daughter's home in Minden, where he intends remaining until Christmas. Elder Chidley and wife have removed to Newmarket.

#### OAKWOOD.

Special to the Watchman.

**LAWYER SOCIAL.**—The Presbyterians held their social on Mr. Bank's lawn on the 10th inst. To say it was largely attended is no exaggeration as the number present greatly exceeded the expectations of the most sanguine. The number present, was very materially increased by the presence of a large number of the Lindsay bicyclists. Something unusual must have been expected when so many representatives came from distant Cambray. The lengthy tables were set side by side on the spacious lawn, surrounding the cosy home of Mr. Bank's. The first table was presided over by Mr. Bank, and the entertainment at her table, may be mentioned: Mr. and Mrs. Reazin, Linden Valley, also Mr. A. Cameron, and his bonny bride, just returned from Montreal, and the Thousand Islands, on their honey-moon trip. Mrs. Cameron, was formerly Miss Gannon, one of Sunderland's finest ladies, and most esteemed citizens. A second table was presided over by Mrs. Kenzie; a third by Mrs. Read, and a fourth by Miss Dames. Though the evening was cool, there was a noticeable lack of coolness among the people present. The Oakwood band all ways on hand ever ready to assist in a good cause, enlivened proceedings by giving several of their best selections. Just before the literary programme was commenced the grounds were beautifully illuminated by Chinese lanterns. Those who were at a distance, where a good view of the scene could be taken, say it was a very beautiful sight. Among the foreigners who ably assisted in preparing the programme for the entertainment were Miss Thomas of Lindsay, Miss Cames of Toronto, and Miss McLennan also of Toronto. Mrs. Grant of Sarnia gave a recitation which was enjoyed by all. One of the finest features of the programme was a march, or drill by sixty members of the Public school, trained by Miss Thomas. The tableau, "An Arab Wedding" was well done, as was also "The Knitting Lesson." The singing by Mr. J. P. Cunnings, and Miss Northcott was much appreciated. The violin solo by Miss Dames, and the instrumental music by Mrs. Hogg, Miss Hogg, and Miss Cameron, all helped to make the entertainment a success. As I said before, the evening was cool. The ice cream was cool. Some boys took away (stole) lanterns and flags. That was cool. If they bring them back at once they may save themselves some trouble. If not they may prepare for the consequences. The loss is slight, but in this case the incurrence of a certain principle might do good.

**VISITORS.**—The usual list of holiday visitors are here now: Mr. John Butten and his brother Roy, are here preparing to spend some time on Washburn's Island. Miss McKinnon, and daughter Ella of Toronto, are the guests of Mrs. W. T. Hogg. Miss McLennan of Toronto, and Miss Thomas of Lindsay, are the guests of Miss Banks. Miss Dames of Toronto, has sought the parental roof during the vacation. Rev. T. McLean, graduate of Knox College, is here preparing to accept a charge in the West. Mr. James Thomas paid a flying visit. Miss S. Hogg, and Miss Cameron spent Sunday at Sturgeon Point, the guests of Mrs. W. Woods.

**WE REGRET TO LEARN** that several miles of fencing surrounding Mr. Geo. Laidlaw's ranch at "The Fort" was destroyed by fire last week.

**THE MANAGING COMMITTEE** for the celebration of August 12th in Lindsay, are requested to meet in the "Prentice Boys' Hall, Kent-st., at 8 p. m. Tuesday next. All brethren are extended an invitation to attend.

**REMEMBER THE ANNUAL C.M.B.A. excursion on Civic Holiday, Aug. 8th. Tickets to Toronto, \$1.80, Niagara Falls \$2.00. Good for the usual long stay.—29**

**ABOUT ONE O'CLOCK** this morning a fire was discovered in the small frame building opposite the Cambridge-st. Methodist church, used as a shoe shop by Mr. G. H. Robinson. An alarm was sounded, the brigade turned out sharp and the flames were quickly quenched.

**ON MONDAY EVENING** last, as Messrs. Thos. Hawkins and Robt. McGahey were driving home from Mr. N. Herbet's a dog dashed out from a farm gate and frightened their horse. The animal bolted, first to one side of the road, and then to the other, throwing both gentlemen out. Mr. Hawkins clung to the lines, until the harness gave way and was pretty severely bruised. The cart and harness were both badly smashed.

### Victoria County Cheese Board.

The adjourned meeting of the Victoria County Cheese Board was held in the council chamber yesterday forenoon. Some 1,316 boxes were boarded, being the last half of June make. No foreign buyers were present. Mr. Wm. Flavell was present, however, and made an offer of 7 1/2 c. for most of the board. After some little discussion he raised his offer to 7 3/4 cents and the board sold the last Leekdale. The best offer at Peterboro was 7 1/2 c. for selections, which was not accepted the salesmen asking 8 c.

#### A Credit to Verulam.

In a recent issue of the Insurance and Finance Chronicle of Montreal, appeared the portraits of Messrs. J. F. and Robert Junkin, at one time residents of Verulam and Lindsay, but now holding the responsible and lucrative positions of general manager and superintendent of agencies of the Manufacturers' Life Ins. Co. Both gentlemen are well known in Lindsay, Robert having at one time been G. T. R. agent here. To their indomitable pluck and energy owe the prominent positions they now occupy in insurance and financial circles.

School of Orillia are arranging to have a boat ready to take any who wish to go to Geneva Park and back for 10 or 15 cts a very pleasant time may be expected. Tickets only 75 cts Children 40 cts from Lindsay and Cambray, 50 and 25 cts from Beaverton.—All aboard.

#### Suspected Murder.

On July 9th a man named Thomas McQuade of Manvers, well-known around Janerville and Ballyduff, with a couple of boon companions, drove to Bowmanville, where a pretty good cargo of whisky was taken aboard. The trio then drove to Ballyduff, and spent some time in carousing and drinking. At a late hour the horse was headed for Burton, and the following day McQuade was found on the roadside in a dying condition. His body was covered with bruises, and there was every indication that the unfortunate man had met with rough treatment. He died Wednesday afternoon. An inquest was held, we understand, but we have been unable to learn the result. Naturally the affair is causing much talk throughout the township and further investigation may be demanded.

#### Building Notes.

A substantial-looking two-story brick-venered house is being built on Ridout-st. by Mr. Thos. Sadler. The location is very convenient to the business part of the town.

On Francis-st., east of Cambridge, Mr. Wm. Bain, is erecting a handsome two-story brick veneered cottage. The location is high and dry, and a very desirable place of residence.

The improvements being made on the Methodist parsonage, Cambridge-st., are almost completed. A large addition has been built to the west, the roof raised and other improvements made inside and out. The grounds surrounding the parsonage will also be touched up.

#### LITTLE LOCAL LINES.

The "Texas Horn fly" is again causing trouble among the cattle throughout this section and farmers report that between poor grass and flies the supply of milk is almost totally cut off and cattle very much reduced in flesh. Last season the ravages of these little pests extended far and wide. In this section nothing seemed to afford relief equal to that given by "Texas Fly Remedy" a preparation put up by our local druggist, Mr. S. Perrin. It protects the animals from the attacks of the fly, and removes irritation and heals all sores. It is not poisonous, and is put up in liquid form and also in the form of ointment. Where the remedy is so cheap and close at hand it is a great mistake to allow cattle to suffer a day longer.

Thursday afternoon last about 3 o'clock fire broke out in Mr. John Pearce's residence, Lindsay-st. south. The fire brigade were quickly on the scene, and did good work. Some delay was caused by shortage of hose, and it was found necessary to drive the team back to the fire hall for an extra supply. The house is almost a total wreck, and very few of the contents were saved. There was an insurance of \$500 on building. Mr. Pearce desires to return thanks to the firemen for their careful and effective work, and also to Supt. Biggie for valuable services rendered. Mr. Pearce will rebuild at once.

### THE GLORIOUS TWELFTH.

Right Royally Celebrated Throughout the District.

#### A DAY AT FENELON FALLS, MILLBROOK AND ORILLIA.

The anniversary of the Battle of the Boyne was duly observed on Friday last. The local lodges of the Orange order went visiting this year, and assisted in the celebrations at Fenelon Falls, Millbrook and Orillia. Hence the only portion of the doings of the "day we celebrate" that was vouchsafed to the stay-at-home citizens of Lindsay was a brief chance to hear the life and drums, and catch a passing glance of gay banners and parti-colored ribbons as they took their departure in the morning or returned in the evening. During the afternoon a heavy down-pour of rain set in and, although thrice welcome, interfered somewhat with the occasion.

The local lodge of True Blues was the first to leave town and looked fine in their handsome uniform as they paraded to the station to take the train for Orillia, where a monster celebration was held. Fully 8,000 people were present, and the Blues report a great day. The veteran Harry Bell made the big drum fairly ring. They returned early in the evening.

#### AT MILLBROOK.

The members of old Nos. 557 and 954, L.O.L. joined forces and visited Millbrook, where they report a great day with the Cavan "blazers." Some twenty lodges were present, and a good turn out was made. The rain interfered with the speaking.

#### AT FENELON FALLS.

The Prentice Boys had accepted an invitation to assist in the celebration at the Falls and being joined by the Prentice Boys of Peterboro chartered the steamer Alice-Ethel and barge to convey them to that interesting point, and as they marched down to the wharf, headed by the Queen's Own Piccolo Band, they presented quite a "natty" appearance. About 9:30 o'clock they were followed by the steamer Crandella with the Valentin L.O.L. No. 510, and a large excursion party. At the Falls some 4,000 people assembled and the hotels and eating houses were taxed to their utmost capacity to accommodate the visitors. About 2 o'clock the different lodges assembled in T.V.C. park where a procession was formed in the following order, after which they paraded the principal streets and then marched to Fitzgerald's grove:

- Mounted marshalls.
- S. Suddaby, D.M., T. H. Roberts, D.D.M. Queen's Own Piccolo Band.
- Lindsay Lodge P.A.P.B.
- Alex. Logan, master. D. Lee, Dep.-mas. Peterboro Lodge P.A.P.B.
- John Stinson, M., A. Montgomery, D.M. Bobcaygeon True Blues No. 25.
- Local Orange Boys.

- Wesley L.O.L. No. 419.
- Valentin L.O.L. No. 510.

- T. Fairbairn, Mas. W. Belch, D.M. Fenelon Falls Brass Band.
- Glenarm L.O.L. No. 935.
- R. McFadyen, Mas. T. Moynes, D.M. Silver Lake L.O.L. No. 109.
- W. Stewart, master. T. Graham, D.M. Fenelon Falls L.O.L. No. 42.
- J. McGillivray, M. R. Queibell, D.M. Cameron L.O.L. No. 539.
- J. Perrin, Mas. G. Townsend, D.M. Fenelon Falls L.O.L. No. 996.
- L. Deyman, Mas. J. M. Marshall, D.M. Burnt River L.O.L. 541.
- A. Townsend, Mas. S. Windrim, D.M. Dunsford L.O.L. No. 96.
- Thos. Bell, Master. J. English, D.M. Loyal Orange Boys.
- Bobcaygeon L.O.L. No. 121.
- W. Givens, Master. S. Hill, D.M. North Verulam L.O.L. No. 1410.
- Wm. Tiers, master. W. Abbott, D.M.

#### NOTES.

The Valentin lodge was a credit to the young officers in charge. The O. Y. B.'s of Bobcaygeon presented a striking appearance. The "blue shirts" from North Verulam elicited many kindly remarks as they paraded the streets. They are fine sturdy fellows. J. English, P. Gerty and J. Ambrocrombie formed a strong syndicate in the way of a life and drum band and tried to "corner" the encores. Cameron lodge is just "sweet" on their twelve year old fife, Master Douglas, the pride of that veteran Orangeman, Mr. J. Perrin. No lodge in the four counties takes greater pride in their personal appearance than Wesley Lodge No. 419, and with their excellent band are a credit to North Smith. Glenarm 835 marched steady and strong and were the recipients of many a kindly smile as they passed along. The reputation of Verulam District was ably maintained by its fine lodges from Dunsford, North Verulam and Bobcaygeon. The Fenelon Falls lodges were not out for honors. They officiated as hosts on this occasion, and were voted "Jolly good fellows." Among the number of P. D. M. present we noticed Messrs. John Cook, J. Perrin, Joshua Scott, T. Austin, L. Deyman and T. H. Roberts—the latter acting as director of ceremonies.
