## A LENGTHY SESSION.

THE CITY FATHERS TRANSACT MUCH BUSINESS

Despite the Extreme Heat.

FAIR ATTENDANCE OF RATEPAYERS -SOM LIVELY TILTS AMONG "DE MEMBERS."

was held in the council chamber on Mon-Mayor Smyth, Reeve Touchburn, Dep .you find selections from all reeves Gillogly and Robson and Couns. Sootheran, Pedlar, Horn, Mallon, Baldthe leading manufacturers win, Graham and Dr. Burrows. The minutes of last regular and special meetconcentrated in one store. ings were read and confirmed, A slight discussion arising over the purchase of the McDonnell property at the wharf.

> COMMUNICATIONS. A number of communications were read and referred to their respective com-

> A SOUTH WARD PETITION. A petition from Thos. Connolly and

others, asking for tile to drain Lindsay-st. between George and Melbourne-sts., the ratepayers to do the work. On motion Col. Deacon was heard, and explained the change made some 25 years

ago from a stone to a box drain, which had since fallen in. He hoped the council would look favorably upon the peti-

Dr. Burrows just grew eloquent in hiendorsation of the request. Coun. Sootheran had difficulty in finding out just how much tile they required, but he saw by the petition that it was 1500 feet. The cost of tile was, he under stood, \$48 per thousand. He was not in opposition to the petition, but wished t point out that as the estimates had been Is at hand, and you will find this brought down, any motion dealing with such expenditures would have to be fruit, either for quality, good meas- referred to the finance committee to arrange for the necessary funds, and then could only be adopted by a two-thirds vote. The work should have been done

> The mayor quoted from the blue book and explained the difficulty in passing these supplementary grants for improvements after the estimates had been dowr. No trouble would have existed if the petition had come in earlier. Finance and board of works.

MONTHLY REPORTS. The regular monthly reports from the read and disposed of.

FLUSHING THE SEWERS. A request was received from the board of health asking that the Kent-st. sewer be flushed twice a week during July, Argust and September.

A SPECIAL COMMITTEE, Mr. Sootheran read the report of the

joint meeting of the finance and board of works appointed to consider the advisability of purchasing a roller. Mr. Carten committee on motion favored the pur- on the arrival of the road machinery. chase of an iron roller at once for use on [ the streets. On motion of Reeves Touch- way the work was done on Kent-st. west tested plan for our guidance and comply with it to shown in catalogue. The price to be \$83 Touchburn, as he knew Chairman Gil- making in Ontario, and is given in a generous spirit

mistake.

FINANCE COMMITTEE REPORT. Coun. Sootheran read the report of th

finance committee, recommending payment of a number of accounts. Your committee have considered the Piano, Voice, Theory petition of Hughan & Co. and others, asking for the repeal of by-law Nc. 722,

and are of the opinion that the council have no jurisdiction in the matter. Regarding the communication from Moore & Jackson, asking to have the income tax of the late Dr. Kempt refunded for 1896, your committee recommend that as soon as a proper declaration is received showing the date on which the late Dr. Kempt ceased to be a resident

that the treasurer be instructed to refund

a proportionate amount for the benefit of

On motion Mr. Hughan was heard, and stated that he understood that they had enough signatures. They had more than thre -quarters of the people in the trade. Mr. Sootheran counted up the jewellers and booksellers and asked him how he made two out of five jewellers threefourths. The report simply stated that it was the opinion of the committee that the

council had no jurisdiction in the matter.

Buy the best, Tell us what you want to paint and we will guarantee satisfaction. Highest quality in Oils, Leads, Varnishes and Paints. ## BOARD OF WORKS.

Dep reeve Gillogly read the report of the board of works, recommending payment of a number of accounts. Also that a one beard sidewalk be laid on Georgest, rurning north 20 rods from Colbornest., and that no action be taken on the petition of Wm. Hopkins and others asking for tile on Crandell-st, Your committee recommend that a grant of \$25 be made on the eastern boundary of the town. The same to be expended by the commissioner for the township to the satisfic on of the board of works com

Coun. Mallon enquired how it was that he had not been notified to attend meet-

Mr. Sootheran stated that Coun Mallon was well within his rights to making his enquiry, and explained how difficult it was at all times to do so when he notice was short. He had insisted on motions expending money being referred to the finance committee, and showed this was done with a view to arraiging the inauces. He explained the by-law re lating to additional grants made after the estimates were brought down. It was ule. The report was adopted.

## A HOME GRANT.

Moved by Dr. Burrows, seconded Dep.-reeve Robson, that an order b granted to the treasurer of the home for \$100 .- Carried.

GUARDING THE PUBLIC HEALTH.

Moved by Dr. Burrows, seconded by Dep, reeve Robson, that the chairman town property be instructed to have the treasurer, auditor and market clerk were sewers on Kent-st. flushed twice each week during the months of July, August and September.—Carried.

NOTICE OF TWIN BY LAWS.

Dr. Burrows gave notice of two by-laws lows :regulating grading and gravelling streets, and amending the early closing by-law.

WAS IT A JOB?

Moved by Coun. Malion, seconded by board of works be instructed to have al explained the merits of the roller. Your gravelling and grading completed at once Coun. Mallon then touched upon the

our calling his committee together for of our ability.

guilty parties and stand by the interests by both last year's and this year's council. of the ratepayers.

the contract of Bruce McBurney was ducing a motion that would take it out of lawing an efficient man at the head of the department

money in the east ward. It was a portion the mayor grant a permit to Mr. A. grading done in his ward, and if he failed

Coun. Sootheran had visited the ward hall, y ur committee request that they and thought that Coun. Mallon had good it is a matter that should be taken up and agitated be furnished with a copy of the order cause for complaint as the broken stone put by every village, town and city municipality in from the board of health to which Sani- down was simply a disgrace, and the man this question another time at greater length, and in tary Inspector Douglas refers in his who did the job should get two months. my humble way endeavor to shows a sinjustice, not The stone should be taken up and put only to the representatives, but to the municipalities through the stone crusher.

> right to assail the chairman. The trouble expense; it will remove the charge of favoritism from was that the committee had not sufficient | the board of works and give the ratepayers very funds a their disposal to make the improvements wanted.

The motion was then carried.

## WHARF IMPROVEMENTS.

Moved by Dep.-reeve Robson, seconded by Coun. Baldwin, that the chairman of town property be instructed to have ; piece of timber, 4 x 6, placed on the outer edge of the wharf to keep the water and dirt from rushing over it .- Carried.

THE GOOD ROADS MOVEMENT.

Moved by Coun. Southeran, seconded Coun. Graham, that with the view securing the best results from the expen arrure on our streets, this council i-eraby structs his worship the major, the asicman of the board of works, and the asirmsu of the finance committee, molle and introduce a by-law embody in he principl s of street building and im provements dvocated by Provincial Road Instructor Compbell, said by-law, when depted by this council, to govern accountrel as far as practicable all expandi pres on the streets of this municipality -Carried unanimously. Coun. Mallon recommended adding

vulgar language, and making any indecent the motion that the ratepayers residing on streets benefitted pay their full cost Under the by-law the streets benefited would be Lindsay, Kent and Cambridge, while outlying streets in the north, south and east would not be benefitted.

Mallon was rather premature, and while couple of tean s to cut down and level there might be something in what he said, McDonnell's hill. he should wait until the by-law was brought in. In discussing this matter with members they had urged him to place his views on paper so that they reeve to object to anything that was not would be fyled and kept for future reference. He then outlined his views as fol- timber so that teams could not go on the

Since the appearance of Mr. Campbell, "the good roads commissioner," in Lindsay, the good roads agitation has become the burning question of the day. Mr. Campbell's clever lecture on road making recently delivered in Lindsay, has set the people thinking, and as a result of their thinking they have become agitators for good roads and their constant Dr. Burrows, that the chairman of the and persistent agitation makes it compulsory on this hill. council to take the matter up and endeavor to deat with the question intelligently and to the best of our agent for the Austin Co., was present and the estimated work on leading streets for willty, and in doing so it is hoped that no member of this council will be influenced by prejudice or by a de ire to thrust forward some untried and unproven

eye burn and Gillogly, an order was given to and other parts of the town. In the eas: the letter He meant by the that we must institute on the north and east side of the old bury-If your sight is failing-if your eves or Mr. Carter. agent for the F. C. Austin | ward they had their broken stone, and he and inaugurate some the roughly tested and well head ache, you may save yourself much in-convenience, suffering or money becoming tional tone of weight for w tional tons of weight for weighting the it. He then took up the expenditure on adopt; this, I think you will all egree with me, i shown in catalogue. The price to be \$83 per ton delivered, conditionally that it will do its work properly with four horses and to the satisfaction of this committee.

Dep.-reeve Robson asked if they had

Touchburn, as he knew Chairman Gillogly had to endorse the pay sheets before the country. Mr. Campbell is a civil engineer with a high reputation and a character without a blemish, his integrity where he is best known is fully established, and his ability as a good road builder is at the country. The beginning in Ontario, and is given in a generous spirit and with an hones: desire to improve the condition of the country. Mr. Campbell is a civil engineer with a high reputation and a character without a blemish, his integrity where he is best known is fully established, and his ability as a good road builder is at the country. The country where he is best known is fully established, and his ability as a good road builder is at the country. Conn. Sootheran asked that the motion to prove the country. Mr. Campbell is a civil engineer with a high reputation and a character without a blemish, his integrity where he is best known is fully established, and his ability as a good road builder is at the country. The country where he is best known is fully established. Conn. Sootheran asked that the motion to prove the country. Mr. Campbell is a civil engineer with a high reputation and a character without a blemish, his integrity where he is best known is fully established. Conn. Sootheran asked that the motion the country. Mr. Campbell is a civil engineer with a high reputation and a character without a blemish, his integrity where he is best high reputation and a character without a blemish, his integrity where he is best and with an holes: desire to improve the country. Mr. Campbell is a civil engineer with a bigh reputation and a character without a blemish, his integrity where he is best and with an holes: desire to improve the country. Mr. Campbell is a civil engineer with a blemish, his integrity where he is best a purch-sed the additional weights in speaker then read a statement prepared honestly by practical experience and by instituting a be withdrawn as his by-law would cover Chicago, and thought it was a mistake to from the pay sheet showing that \$75.10 fore, I say, and I say it advisedly, that the proper had been expended on the street near system for us to adopt is the one laid down by Mr. Coun. Mallon said it was not the first

Mr. Touchburn's house. The estimates nistake.

The report was adopted.

The repor but it was strange that these mistakes when further information is required, will meet our

consultation. He drew the attention of this system, but I have yet head no argument to the mayor to the fact that every member contrary with sufficient merit to weaken my opinion had taken the declaration of oath to serve in regard to the adoption of Mr. Campbell's plan in light as he did, the whole town to the best of their shility its entirety Objections have been made on the The motion we he whole town to the best of their ability, ground of cost by saying that the system involves too and he said it was hard to think that | great an expenditure and that our finances are not in besides the enormity of the crime of kiss- | a sufficiently flourishing condition to warrant us in adopting such a system. This is a mistaken objection ing the book they were robbing the and the min who makes it has neither studied the for the proposed band stand on the people of their money. What was the stem nor the financial standing of the town. people of their money. What was the use of a man taking the oath and then proceeding to have the money of the rate-payers expended in order that his own property may be rolling in wealth. Was it fair to pay that individual, Mr. Reynolds, 5c. more per rod for building the same class of sidewalk that other people three including the same class of sidewalk that other people three foot walk, but Mr. Touchburn was ago, with a rate of twenty five mills on the deliar three foot walk, but Mr. Touchburn was ago, with a rate of twenty five mills on the deliar three foot walk, but Mr. Touchburn was ago, with a rate of twenty five mills on the deliar three man taking the oath and then Because we were financial standing of the town. Because we were financial standing of the soup! the soup! Two years ago is no rea on for assuming that we are still there. I am pleased to state that notwithstanding the fact that out of state that notwithstanding the fact that notwithstanding the fact that out of state that notwithstanding the fact that out of state that notwithstanding the fact that out of state that notwithstanding the fact that one financial standing of the soup! Two years are still there. I am pleased to state that notwithstanding the fact that one financial standing of the state that one financial standing of the fact that out of state that notwithstanding the fact that one financial standing of the fac three foot walk, but Mr. Touchburn was ago, with a rate of twenty five mills on the deltar able to secure a four foot walk. He call-ed upon the council to stamp this sort of recup rative powers of the finances of municipality hing out and make an example of the when carefully managed as I maintain they have been The average amount expended by the board

t an times, and will relieve the chairman of the board of works of responsibility and the loss of much Sootheran and Dep.-reeve Robson were Coun. Mallon wanted to know if they valuable time for which he has never been much less the chairman of the board of works to spend his time without remuneration, and I don't Your committee have decided to purchase of the town and formed a part of the think the people, generally speaking, do expect it, and 500 feet of Paragon hose from the Gutta empire. Feeple from Emily said that I they do they will be disappointed The municipal Percha Rubber Co at 90c. per foct, com- they would not come to Lindsay unless should be made at once by which town councillors plete.
