PICNIC.—The union picnic under the auspices of the Oakwood and Cambray Presbyterian churches on July 1st was a great success. The picnic was held in and Fenelon Falls teams in great style. Mr. L Ferguson's grove, just north of The baseball match, Woodville vs. THE Brown's schoolhouse, and a most delightful place for an outing it proved to be. There was a capital program of athletic capable of holding their own against the sports, games and amusements, and swings for the children and, all enjoyed themselves to their hearts content. The tea for the children and their friends was a splendid one, and it is needless to say was done ample justice to. The eceipts amounted to about \$100.

TEA MEETING .- The anual tea meeting held in connection with St. Andrew's church here on Dominion day was as usual a decided success. Rev. Mode of Port Perry, Cameron of Wick, and Tucker of Manilla gave very patriotic and instructive addresses, while our own choir under the able leadersnip of Prof Burnham of Uxbridge rendered choice selections during the afternoon and evening. Proceeds \$90.00.

REMOVAL .- We are sorry to chronicle that our pastor, Rev. P. A. McLeod, B.A., has decided to sever his connection with St. Andrew's congregation and will preach his farewell sermon next Sunday. The rev. gentleman has received two calls one from Atwood and Monkton, in Stratford presbytery, and the other from Carleton Place, Lanark and Renfrew presbytery. During his seven years pastorate here, this being his first churge, he has made for himself a warm place in the hearts of the congregation. As an exponant of the truth he has very few right, while he wheels clear of the baseequals, his language being plair, the most illiterate can clearly understand the thoughts and ideas expressed. Since taking charge here the congregation has flourished, the membership nearly doubling; a new manse and church has been erected and comparatively little debt remains. We wish him and his partner in life every success in their next field of labour, and may souls be his

In the football matches Woodville defeated the Eldon station WATCHMAN team, resulted in a capital game, although the latter were not stalwarts of the north.
