lation of almost 250,000. The war Papers and the Life of Lincoin increased its monthly edition by 100,000.

The latter history having reconsted the events of Lincoin's early years, and giving the nece sary survey of the politicial condition of the country, reaches a new be politicial condition of the country, reaches a ne

Lincoln in the War,

Supplementary War Papers, following the "battle series" by distinguished generals, will discribe interesting features of army life, tunneling from Libby Prison, narrative of personal adventure, etc.

Kennan on Siberia.

Except the Life of Lincoln and the war Articles no nore important series has ever been undertaken by THE Century than this of Mr. Kennan's. With the previous proparation of four' travel and study in Russia and Siberta, the author undertook a journey of 15 000 miles or the s pecial investigation here required. An introduction from the Russian Minister of the Imterior admitted him to the principal mines and prisons, where he became acquainted with some three hundred State exiles,—Libera, Nihilists, and others,—and the series will be a startling as well as accurate revelation of the exile system. The many illustrations by the artists and photographer, Mr. George A. Frost, who accompanied the author, will add greatly to the value of the

A novel by Eggleston with illustrations will ren through the year. Shorter ovels will follow by Cable and Stockton. Shorter ficons will appear every month.

Miscellaneous Features.

Everybody Looks for it. Charles De Key; papers touching the field of Sunday School Lessons, illustrated by E. L. Wilson; wild Western life by Theolore Roosevelt; the English Cathedrals, by Mrs. Van Renselaer, with illustrations by Pennell; Dr. Buckley's valuable papers on Dreams, Spiritualism, and Chairvoyance: essays in criticism, art ravel and biography, poems, cartoons, otc.
