A Wife Sold.

A strange and shocking transaction came to light in a court in Massachusetts a few days ago. It appears that a hotel keeper near Springfield, in February last engaged a woman as an employee in the hotel. She told him that she was married, but as her husband had experienced financial reverses, she was obliged to support herself until he could recover his position. She was extremely pretty and bright and industrious and the hotel keeper was pleased with her help. In May, a young had left on the banks of the Hudson, were man came to board in the house who paid | well and following us with their wishes Is it worth while that we battle to humble her marked attention. 1849-1853 Notre Dame Street. MONTREAL

Wholesale and Retail Manufacturers of and Dealers in

PLAIN & FANCY FURNITURE

This popular house has been actively engaged in the manufacture without informing the publisher, and the of furniture since 1843, in which year Mr. Owen McGarvey established himself in business, laying the foundation of what is now known as or of the finest furniture houses in the Dominion. Whilst so many of firms in this line have been less fortunate, success has followed him in all his operations. The premises occupied comprise a large six storey building, 60x100 feet, which is largely used for show rooms. The entire establishment is a model one, neatness and order prevailing everywhere all available space being taken up to accommodate the enormous stock which they carry and from which purchasers can select to advantage as their stock is classified, each department is complete in itself. The passenger elevator is constantly in operation, and will be found not or a great conveniece, but a positive luxury in its way to convey their or 7. The man who allows his subscription tomers to the various flats of this mammoth establishment. Two lar Show windows (the largest in the world), as well as large bay windows to be found in this on the second floor, will be worthy of special notice, as they contain that it is scarcely many New styles of Parlor and Drawing Room Furniture, all their out workmanship in t make, the Upholstering being the very best in every respect, and finish quently will not k ed during the past few weeks. This firm enjoys the highest reputation in Canada for their reli

request and expense of the Canadian Government Messrs. Owen Me The revenue returns at Toronto in July, Garvey & Son forwarded a large exhibit to the Antwerp exposition 1886, for which they have received two bronze medals and diploma and a silver medal for their upholstery exhibit, part of which was original design. This exhibit was afterwards placed in the Colonia and Indian exhibition, London, England, still at the Government e pense. One result of this was that the firm received a commemorative medal and diploma for their very large and fine dispiay of furnitu Speaking of this display, the critic of the London Cabinet Maker a Art Finisher (Nov 1st, 1886,) which is the highest authority in Engla in this line of business, says: "The Empire may well be proud of fine Canadian exhit, but unfortunately the furniture of these has colonists is too much affected by the American style to command the admiration of the artistic. It is, however, fair to say that in many cast the goods which are shown are free from such blemishes, notably the exhibited by Messrs, Owen McGarvey & Son, of Montreal. The chi and table here figured (referring to illustrations of these articles) unique selection from the exhibit of this firm, and the designs will spea for themselves." They have been awarded medals, diplomas and other distinctive recognitions from the Paris, Belgian, and late Indian at Colonial exhibitions, as well as from all the Dominion exhibitions, when they have exhibited. As manufacturers and dealers in furniture, the have placed upon the market some of the finest drawing room, parl School at 2.30 P. M. Young People's dining and library suites, as well as the finer grades of bedroom furnity ture, in which line they make a specialty. It is well known that McGarvey has never resorted to any exaggerated advertising, employed any outside salesman, or canvassing agents. His numerons customers have always received the respectful attention to the requirements of all visit ing his establishment. Heinherits all the well known proverbial straight forward qualities of a North of Ireland business man studiously avoids any publicity as a prominet citizen of Montreal, and declining man honors which he had been requested to accept. What he does as philan thropist is done quietly and unostenstatiously, and whilst attended vices at 11.00 A. M. and 7.00 P. M. strictly to his own business has not neglected to identify himself with any Wednesday at 7.30 P.
