Should be Repaired. The lock at Bobcaygeon is in a very bad state of repair. It leaks and the masonry in numerous places has given away and the large blocks of stone are a menace to the steamers. Considerable delay is also caused to all the boats and the necessary repairs should be made at once.

The Crandella's Dates. To-day the Foresters of Fenelon Falls will go to Bobcaygeon, on Friday night a moonlight will take place on the river; Saturday, cheap trip to the Point; on Monday, the True Blues, of Toronto, from Port Perry to Lindsay; Tuesday, excursion from Caesarea to Sturgeon Point and on the 31st the grand band excursion to Buckhorn.

A Matched Race. A matched trotting race took place at the agricultural park on Saturday afternoon, between Milly Harrier, of Lindsay, and Burton's Barney, of Omeme. The stakes were \$100, on the side, and the judges were Messrs. Saml. White, Jno. Barker and Geo. Cowie. The first heat was captured by the Omeme horse and the other two were captured somewhat easily by Harrier. The time was 3.27, 3.22, 3.20. There were quite a number of spectators. As a wind up to the day's sport a man from Kinnmount beat Barney in a quarter mile dash.

Hymeneal. On Monday last our popular merchant and townsman, Mr. M. J. Carter, was united in marriage, at the residence of the bride's sister, Mrs. John A. Sherman, Picton, to Miss Christian G. Stevenson, daughter of the late Joshua Stevenson, of Stevenson's Landing, Rice Lake. The nuptial knot was tied by the Rev. Mr. Marvin. The contracting parties are both well-known in Lindsay, where they have resided for some years and their many friends will join with us in wishing that their pathway may always be strewn with roses.

Hunting the Bull's Eye. Lindsay sent a pretty strong delegation to take part in the Ontario Rifle Association matches, at Toronto. They managed to secure a goodly share of the prizes. In "The Canada Company," 200 yards "Detective" Foster secured a possible at 200 yards. Those from Lindsay who carried off prizes were: Lieut. Ross \$5; Pte. Blackwell \$3; Pte. Foster \$5; Pte. Crawford \$3. In "The Gilmore" Lieut. Williamson secured \$5 and Major S. Hughes \$3. In "The Walker" Pte. "Dug" Sinclair got \$4. In "The Tail-Brassie" Lieut. Williamson secured \$5 and Major S. Hughes \$4. The 45th also carried off a \$25 team prize.

Church Chimes. The monthly meeting of the Church of England temperance society will be held in St. Paul's school room on Monday evening the 28th inst. All are cordially invited.

Don't forget that the special gospel services in the tent on William-st., conducted by Messrs. J. Monypeny and R. Telfer, evangelists, are still being continued nightly, except Saturday at 8 and on Sunday at 4 and 7.30. A hearty invitation is extended to all. No collections.

Wedding Bells. On Thursday evening, August the 10, two more souls were made happy by being made one. The pleasing event occurred at the residence of Mr. J. K. Gordon, when his daughter Jeanie was united in matrimony to Mr. Geo. H. Newton, of Newton Bros., of the Port Perry Standard, the Rev. Mr. Abraham performing the ceremony. The bride, who was attended by her sister, Miss Vickie, who attired in a cream dress trimmed with silk, and looked most tasty, as did also the bridesmaid, who was dressed similar to the bride. The groom was assisted by Mr. Paul Gordon. Many from a distance witnessed the ceremony. After a sumptuous repast, toasts were proposed and responded to. In due time the happy couple took their departure on the eastern train to spend their honeymoon. The bride was made the recipient of a large and handsome collection of presents.

—The light houses at the mouth of the river are the laughing stock of all who see them, and the lumbermen are compelled to hang lanterns on trees to guide them. A good lighthouse would remedy the whole difficulty.

—The river from the new wharf for a considerable distance north requires dredging. As it is now, the boats are frequently stuck.

—The Crandella and the Marie Louise had a brush on Friday. The latter boat was travelling light and managed at the second attempt to pass her big rival and beat her out into the lake.

—The second annual picnic under the pastorate of Rev. Father McColl will be held in Tara Grove, Ennismore, on Tuesday, Sept. 5th. A fine programme of athletic sports will be presented, for which handsome prizes in cash will be given.

—On Friday there was a heavy fall of hail in the township of Emily. Considerable damage was done to the pea crop. The path of the storm was about three miles wide, and in some places the hail could be taken up by the shovelful.

—The Port Hope Sons of Canada and their friends, to the number of about three hundred, came to town yesterday and proceeded to Bobcaygeon, per steamer Crandella. They were accompanied by a band, a shadow of the old 46th.

—The excursion to Buckhorn on Thursday, the 21st, under the auspices of the Citizens' band, promises in every way to beat the record of the best excursion season that Lindsay has ever seen.

—A young man, about five feet, eight inches high, dark, about 160 pounds, was lost on Saturday night. Last seen on Saturday night at 10.30, driving bay horse and covered buggy. The rig was not occupied by Annie other person than himself.

—An old man named James Somers, who resided in Lindsay many years ago, and who was known to a large number of our citizens, dropped dead yesterday, while crossing the bridge at Fenelon Falls. Heart disease was the cause.

—The Masonic excursion on Tuesday was a decided success. Some three hundred people took in the trip "around the horn" and a more delighted lot never came back to Lindsay. The trip was by rail to Lakefield and thence by the Columbian to Lindsay. This was the first appearance of the Columbian in port this season and she was viewed with admiration by many people after she arrived at 9 p.m.

—Several summer girls, visiting friends up the Sengog, went in for a bath in the river the other day. Their mermaid rig costume consisted solely of a straw hat and a pair of shoes. The rig was much stronger than the water one, and blistered backs was the result. Turpentine was applied as a curative and the girls were made the smartest in the county—for a time.

—On Wednesday of last week Mr. Skuce, residing in Emily, we believe, was thrown from his buggy on Lindsay-st., south of the railway crossing, and had his face cut, beside being otherwise bruised, owing to his horse shying. The animal attempted to run away, but Mr. Skuce pluckily held on until it was secured by workmen from Fox's new building.

—At last, after years of doubt and speculation, the affairs of the Federal bank are reported to be practically wound up. In 1884 the capital was reduced from \$3,000,000, \$2,953,680 was represented as paid up, to \$1,250,000. The difference between these two amounts disappeared by a stroke of the pen. On the reduced capital a final dividend, in winding up, had been paid of 50 per cent., so that about half the remnant of \$1,250,000 of the stock disappeared too in the gulf of waste and disaster. Besides this the rest, at one time stated at \$1,500,000, has gone with the other losses, and leaves not a wreck behind.

—About ten o'clock on Saturday night Melrose Abbey cheese factory, four miles east of Norwood, was totally destroyed by fire. The cause of the fire was unknown, although it is supposed that it was ignited in the boiler room. A man had been in the factory an hour before the fire and saw no evidences of it. One hundred boxes of cheese were in the factory at the time and eighty of these were saved. The factory was owned by Mr. Benjamin Parker, of Dummer, and was insured for \$800. The factory belonged to the Peterboro cheese board. It is doubtful if it will ever be rebuilt.

—The St. Vincent De Paul society excursion to Chemong Park on Tuesday was one of the great attractions of the day. Some three hundred people went down on the Crandella, and the same number of satisfied persons reached town at 8 o'clock.
