I have procured the countries opinion of the town solicitor on this matter, and while I thought the act was tractors to wait for their pay and borrowvery clear, I think the town solicitor's ing the money. opinion will convince all of the legality of the question raised. He then asked the latch Companies having clerk to read the following letter :-Re Iron Bridge.

DEAR SIR, -I have considered the ques-ion of the right of the town to use the proceeds of queen's square lots for the voted upon, the only oponents being nods at prices lower than erection of an iron bridge on Lindsay-st., and it seems to me that the town has a right to do so. The statute authorizing the sale, (46 Victoria, Chap. 36, Section 3), provides as follows:-"The proce ds of such sales or leases of the said lands, as his views. the same may from time to time be paid. or as the same may come in, may be, by the said corporation, invested for the benefit of the said town of Lindsay to the best advantage." This section is some-

it could hardly be contended that this is report then they could have proceeded be invested and not used, and the proceeds risk. of sales stand in the same position. It seems to mr. the efore, that the idea is of the town as the council may think to the best advantage, and if the council think that investing it in an iron bridge is with the work then there should be no the best thing to do, I do not see how any delay. objection can be fairly raised to that mode of using it.—Yours truly,
G. H. HOPKINS.

On motion the letter was received and fyled.

THE BUSINESS OF THE HOUR.

Mayor Taylor explained that as the meeting had been called for a special purpose-the receiving of the finance report dealing with the Lindsay-st. bridge -therefore no other business could be transacted. If any other important business should come up it may be left for another meeting which will likely be held shortly. His ruling was that any motion bearing on the question under discussion would be in order.

THAT REMARKABLE REPORT.

Dep.-reeve Smyth then arose and read the motion passed by the finance com- forget Coun. Graham that you are a represseil Furniture, and the mittee in dealing with the provision of entative of the town and not a little shop ways and means for the construction of on William-st. He then briefly referred the proposed steel bridge, as follows :tens the air cool in our Conn. Gillogly, that the price of said structed to issue posters giving full infor-

Dep -reeve Wilson wanted to know if Lieut.-Governor McInnes Has Called in a New Man.

> ert Beaven Asked to Form a Government-A Surprising Turn of Affairs Political in the Pacific Province-What Mr. Turner Says-The Lieutenant-Governor on the Situation -Parties Stand a Tie at 19 Each.

Victoria, B.C., Aug. 10.-Hon. Robert Beaven has been requested by Lieutenant. Governor McInnes to form a Government in succession to that of Hon. J. H. Turner, and has accepted the task. When interviewed last night Mr. Beaven stated that he had not yet made up his mind whether or not a dissolution will be duty to record the death of Catherine applied for, though he considers it probable that a new election may be necessary Hon. Mr. Turner Surprised.

No intimation of the message to Mr. Beaven had been received by Hon. Mr. Turner at a quarter to five Monday afternoon, when he obtained it through a representative of the Colonist asking him if he had heard the news. He replied that he had not, and on being told that Hon. Mr. Beaven had been sent for ex and patience worthy of her faith. The pressed great surprise, particularly as he had, he said, received a communication from the Lieutenant-Governor during the and neighbor. Revs. Adam and Oswald Lieutenant-Governor would take any the Lieutenant-Governor and lay all the facts of the case before him as he (Hon. Mr. Turner) understood them, and then to take such action as his Honor might deem necessary and proper under the circumstances. He could not understand the precipitate manner in which the Lieu-Mr J. C. Smith's last week . . . . . Rev. tenant-Governor had acted.

D. D. McDonald, B. A., is spending his Continuing, Hon. Mr. Turner said that he had intended to send a letter to the Lieutenant-Governor, and would carry out this intention, as the points contained in the letter of his Honor were of such a Carmichael, who has been spending his nature as to require consideration and a vacation with his parents, returns this reply at some length. He assured the reporter that he had not understood the letter as a dismissal, and felt that he had been treated with very scant courtesy in PULPIT — During the absence of the the premises. The Lieut.-Governor Speaks.

When called upon by a member of the Colonist staff last evening, Lieut.-Govern or McInnes declared the letter referred to by Hon. Mr. Turner as written and de livered to him during the morning to be RENOVATION .- The buildings of the plainly and unmistakably a notification of dismissal, couched in phraseoloy as courteous as possible, but terminating all official relations. He could not com prehend Mr. Turner's surprise, for the letter of dismissal was a natural and 250 yards Prints in Small Checks necessary sequence of two letters addressed to the Government as long ago as the 14th of July and of numerous interviews had with Hon. Mr. Turner since that date As soon as the returns of the voting on the 9th ultimo, with the final results in Cariboo, came to hand he had, he said, informed Hon. Mr. Turner that, in his opinion, the country had not signified a continuance of confidence in the Government and he could not, therefore, authorize any new appoint ments nor any expenditures of money except in the course of official routine or matters of evident emergency. The position thus indicated had not been accepted by Hon Mr. Turner, and much as he had respected that gentleman-and still respected him-he felt that his duty to the country left him no other course than that outlined in the letter precedent to

the call to Hon. Mr. Beaven. As to the reasons prompting him to select this honorable gentleman to assume the responsibilities of the Premiership, the Lieutenant-Governor would, of course, say nothing, but it is stated on high Feed the poultry all the fattening food authority that the outcome of the past they will eat a few days before marketing. election caucus of the Opposition was to To make poultry pay have good stock convince his Honor that neither Mr. and comfortable quarters and give good | Semlin nor Mr. Martin was acceptable to

the party as a whole as leader. Mr. Beaven ran as an Independent Oppositionist in Victoria City at the recent general election and was defeated receiving the smallest number of votes of have fresh cocks each year than with any of the eight candidates on the ballot

At present the parties stand 19 to 19.

Hon. Robert Beaven is a son of the late Rev. James Beaven, D.D., Professor of Divinity, King's College, Toronto, and subsequently Professor of Metaphysics and Ethics in Toronto University. He was educated in Toronto. On the resignation of the Elliott Administration, in 1878, he was made Minister of Finance in the new British Columbia Government. Mr. Beaven in 1882 became Premier, President of the Executive Council and Chief Commissioner of Lands and Works. He was secretary of the Confederate League in 1868, which took the initiatory steps in British Columbia to bring the colony into the Dominion Confederation. He is a Conservative.
