The Watchman.

The Sewerage By-law.

On Monday next the electors of Lindsay will be called upon to decide whether an era of improvement shall dawn upon Lindsay, in so far as the question of a general system of sewerage is concerned, or not. The question is an important one, and places a great responsibility upon our thinking man that Lindsay, like all other centres, should possess a proper system of sewerage. But then up bobs the economist and asks how it is matter at all. It is a question of out for a time. public health, and can and will be There is another point that should not it will be decided whether the sheriff or hope to be better prepared. be lost sight of, and that is if the the smiling manager of the Victoria Light Provincial Board of Health arrive at company have the right to met(h)er.
