A Pretty September Wedding.

The Baptist church, Cambridge-st., never looked prettier than it did Tuesday afternoon on the occasion of the marriage of Margaret Maud, only daughter of Mrs. J. L. Whitehead, to Mr. Albert E. Matthews, son of Mr. Geo. Matthews, and assistant manager for the Geo. Matthews Co. at their Ottawa branch. The decorations in the church were profuse and magnificent, palms, ferns and bright flowers all combined with a beautiful effect to adorn the marriage of two of Lindsay's most popular young people. A large bell of white flowers was suspended from an evergreen arch hung with garlands of flowers which the bride carried knelt while the ceremony was being performed. The nuptial knot was tied by Rev. L. S. Huggson, B.D., assisted by Prof. W. Voiverton of Texas, brother-in-law of the groom. The bride, who was given away by her uncle, R. F. Whitehead of Little Britain, was charmingly gowned in an elegant costume of white satin, with orange blossoms and veil. The bridesmaids were Miss Ruby Whitehead of Toronto, cousin of the bride, and Miss Matthews of Lindsay, sister of the groom, both being attired in becoming costumes of pink silk, with picture hats to match. The pretty little maids of honor were Gertrude Vrooman of Lindsay and Lida Whitehead of Little Britain, cousins of the bride, who looked sweet in white dresses with pink bows. The room was supported by his brother, Mr. J. Matthews of Lindsay, Messrs. A. A. Kennedy, Alex. Horn and James Peel performed the duties of ushers. The list of invited guests was very large. The ceremony at the church was followed by a reception and a picnic at the residence of the bride's mother, Mr. and Mrs. Matthews receiving the congratulations and well wishes of their friends. The stereotyped phrase "numerous and costly" would be inadequate to describe the wedding presents, the winsome bride being very popular among a large circle of friends. At 6.30 the happy couple took the train for a honeymoon trip, which will include New York, Boston and points west. They will reside at Ottawa on their return.

At the Toronto Industrial last week Mr. McMillan secured third money in the farmers' trot.
—Mr. Jas. Bushel captured first-prize in the roadster class with the brown gelding sired by Young Valentine. He afterwards sold the gelding to a gentleman from Bradford for the handsome sum of \$225.
—Mr. Taylor's Black Valentine, that captured the first-prize and sweepstakes last year, was in second place, and F. Burk of Peterboro third.
—Mr. Talbot Evans captured fourth place in a large field of Clydesdales with the imported sire Craichmore Darnley. A couple of Craichmore Darnley colts also made a capital showing.
—Mr. Ira Mattress of Millbrook captured first-prize and medal for carriage stallion at the Toronto Industrial.
—Mr. John Campbell lead all competitors at the Toronto Industrial with his fine flock of Shropshire sheep.
—Mr. W. H. Merrill, the popular cheese-maker of the Janetteville factory, represented the Victoria county cheese board at the Toronto Industrial fair, making no less than four entries. While we have not yet learned of his success in the prize list we have secured his scale of points, which certainly runs very high. The following are the scores made: 2 color 1—Flavor 35, quality 23, texture 15, color 13, finish 8, total 88. Section 3—Flavor 35, quality 23, texture 15, color 13, finish 8, total 92. Section 4—Flavor 34, quality 24, texture 15, color 12, finish 9, total 90. Total available points was 100, distributed as follows: Flavor 35, quality 25, texture 15, color 15, finish 10.

Another Italian in Trouble.

On Thursday morning last a fracas occurred on Cambridge-st., near the south ward school, between John Campbell and Kattalano. It arose out of the butcher cart driven by the former and the push cart of the Italian fruit vendor coming into collision. The scene on the street was quite lively for a short time, and the one he attempted to use on Campbell would have laid out a horse. Campbell, with his whip and then took to his heels, followed by the Italian, who peppered stones after him, some pebbles being returned. Coun. Baldwin appeared as a peacemaker, but the Italian wanted to hang on to the horse until the police came. Campbell secured the horse and struck around the head with the whip he had previously used. A clinch followed and when it ended Campbell had his right thumb bitten to the bone, while the banana man had a blackened eye and cut nose and lip. The affair ended by the Italian chasing Campbell down the street with a knife in his hand. The handler of meat went to Dr. Burrows for repairs, while the Italian sought Dr. Gillespie for medical treatment. Shortly after the occurrence the Italian was arrested and locked up. Campbell having laid an information against him. The case was disposed of on Monday by P. M. McLure, when Kattalano was fined \$10, the complainant having to pay his own costs. Messrs. Anderson & McSweeney appeared for the prosecutor and Mr. Steers for the defence. In addition to the medical men mentioned Mr. John Lindsay and Coun. Baldwin gave evidence. The Italian claimed that he was kicked in the face by Campbell when the two carts first came in contact, but failed to corroborate his statement. He also denied having bitten Campbell, stating that the complainant jammed his thumb against his teeth. Lemisele Basso, Italian consul at Toronto, acted as interpreter. The Italian has been in the habit of holding the roadway instead of giving a fair half, and it was so in this instance. The magistrate in commenting on the case stated that Kattalano had been native born he would have convicted him on the charge of biting, the punishment for which is a year's imprisonment or \$100 fine. It seems that there was bad blood between Kattalano and Campbell on account of an encounter which took place at Williamson's butcher shop about two months ago.
