THURSDAY, SEPT. 29th, 1898

NEWS OF THE WEEK

-It is stated that the Roshchilds will alor does not make the loan Spain £4,000,000 or £5,000,000, on the security of Almada quick silver mines, when the treaty of peace shall have been

-A telegram has been received by the British foreign office stating that Capt. Cook has been shot dead in East Africa. without He was a graduate of the Royal Military college, Kingston.

-W. Gillespie, the Penetanguishene merchant, tried at Montreal on a charge of furnishing false statements of accounts, has been found guilty, with a strong recommendation to mercy.

-A gas explosion took place in a mine at Brownsville, Pa. Fifty four men were entombed, of whom 27 found their way out by an opening on the river. Eight dead bodies have been recovered, and it is thought the other miners will be suffocat-

-On Monday the son of Mrs. H. Hornand leaning toward Ready- ing of Kingston, widow of the late Capt. Cameron, which accepted. Pine J. Horning, died suddenly at Glenvale. Palestine and Red Rock declining. The little lad had eaten freely of grapes, and was stricken with an illness so sudden and fatal in its effects that he died before medical aid could be summoned. He was

three years of age. -A heavy rainstorm, accompained by severe thunder and lightning, passed over for selections, and got Star, Mariposa, the northwestern portion of Manitoba on Cambray, Bobcaygeon, Oakwood and Friday. Wm. Black, aged nineteen, was North Ops. killed by lightning while standing in a stable at Franklin, and at Macdonald station W. Nicholson was killed and J. Cooper seriously injured. Six horses in a stable were killed.

-A despatch from Winnipeg says that deliveries of wheat are now beginning to increase. During the past two week the bulk of the deliveries have been made along the line of the Northern Pacific A great deal of wheat, much more than usual at this time of the year, has been stored in the elevators by farmers in the ANAEMIA, FOLLOWED BY NEURALGIC

hope of prices advancing. - Several days ago a young Hamilton married man, who went to the Klondike some time ago, returned home to find his wife gone. Before he went away he left her a house, comfortably furnished, and \$2,500 to keep her during her absence. It was a great shock to him when he

of a commission of scientific men, appointed to investigate the condition of the

the indians hold a pow-wow in a vast acreage of primitive bush near Fargo, whiskey is generally the county, Ont. Whiskey is generally a particular feature of these dances, and a particular feature of these dances, and they generally break up in a row. Three they generally break up in a row. Three

years ago an Indian named Bull Dodge was brutally cut and slashed to death at one of these dances, and his slayers were never brought to justice. Indians from all over this peninsula assembled last Thursday pight, and amongst the number of the seemed ages. It is impossible to describe the agonies I suffered during that time. A skilful physician was in constant attendance upon me. He day night, and amongst the number several white persons, for the purpose of holding their annual pow-wow. Whiskey and general neuralgia he had ever holding their annual pow-wow. Whiskey was there in abundance. Towards sunrise John Dodge became engaged in an altercation with Eli Waubanash, John being jealous of Eli's attention to John's wife. John Dodge was beaten into insensibility by Eli Waubanash, assisted by Charles Dodge, brother of the injured man. John's head and face were in a horrible state, being so terribly bruised and battered as to make his face almost unrecognizable. He also was injured internally. E i Waubanash and Charles Dodge have been arrested, pending the result of John Dodge's injuries.

Healthy, happy children make better

holding their annual pow-wow. Whiskey was there in abundance and sever denying way That he should lead men enward, Ignoring care and strife, and sever hope for glery—or money—in his light housework. But I was only shadow of my former self; my apper tite was very poor and that madening pain still clung to my side and also spread to the region of my heart and lungs, darting through and about them like lances cutting the flesh.

For they won't allow a discount to help my cause along.

For they won't allow a discount to help my cause along.

So I've learned from their demeanor when my bills are overdue.

John Dodge's injuries.

-Healthy, happy children make better men and women of us all. A little care and a little planning before birth is often more important than anything than can be done after. On the mother's health and strength depends the life and the future of the children. A weak and sickly woman cannot bear strong and healthy children. Most of the weakness of women is utterly inexcusable. Proper care and proper medicine will cure almost any disorder of the feminine organism. Dr. Pierce's Favorite Prescription has been tested in thirty years of practice. It is tested in thirty years of practice. It is healing, soothing, strengthening. It is perfectly natural in its operation and effect. By its use, thousands of week statement of a cure made by Dr. Wilstatement of a cure made by Dr. women have been made strong and healthy—have been made the mother of strong and healthy children. Taken during gestation, it makes childbirth easy read the article. It haunted me for and almost painless and insures the well being of both mother and child. Send 31 cents in one-cent stamps to World's Dispensary Medical Association. Buffalo, I asked the doctor whether he thought N.Y., and receive Dr. Pierce's 1008 page these pills would help me. He looked "Common Sense Medical Adviser."

FORTY MILLION BUSHELS

Mr. F W Thompson, of the Ogilvie them. I believe they do work wonders Milling Co., Winnipeg, who has returned in some cases and if they do not cure from a tour through wheat-growing dis- you the will certainly do no harm.' tric's of Manitoba says :

"The yield and quality far exceeded life, for had he said "no" I should not my expectations. As a result of this trip have used the pills. When I had I am forced to admit that the government estimates of the crop will be exceeded by over seven million bushels.

"I estimate the crop of wheat for less of those pains about the heart and Manitoba this year at 32,000,000, and chest. The cough too was less severe. allowing 6,000,000 for the Northwest I kept on till six boxes more were Territorities, it will give us a total crop taken and to make a long story short, of wheat nearly double that of last year, I was myself again, appetite good, and the greatest in the history of the
