"E's a wery bad case, sir, said my guide, 'an' I'll be glad when its over; for, although he was a great pet with us all, an' that fond of the kids you never see, its awful to see him not know any of us, but when we goes near 'un to have him come flyin' at us. Think o'll suffer much? There 'e goes 'ear 'im ! all day long 'e howls like that.'

without much pain, and, descending some basement that was dimly lit by a small and grimy window. Cases of wines and spirits the bar or tap room just above our heads. | preme Court. Opening a door, we passed into another room; this was lighted only by a small window in the room we had just left, as it shone through the now open door. "E's in there, said the pot-boy, to another door | Frederick's tyranny. "Thinking there was a window in the

room, I pushed the door open, and immediately heard the rattle of a chain and the hoarse half-howl, half-growl, of the poor beast, whose eyes I could see against the far wall gleaming through the dark. Win

I asked, angrily; 'you don't suppose I can poison him in the dark?'

"I had no matches, so I sent him upstairs to get some, and swaiting hie return | delay nevigation for two or three weeks. sat down on an empty beg near the door. "The dog seemed uneary, and fancying the light through the doorway annoyed and distressed him, I pushed it to with my

hand. The boy was some time gone. found afterward he had been to ack mistress if she would like to have a last look at the old dog), and I sat there thinking over the job. The air of the cellar was close, and the smell of the wet sawdust on the floor was most unpleasant. Clank went the dog's chain against the wall

but by an effort I kept from going off into a faint. I shall never forget the next few minutes as long as I live. I was alone in the dark with this rabbid beast rubbing about my legs—first one and then the other, as if he were trying to find out who I was. Then he rested his noce on my kneed and looked straight up into my face. I sat like a statue, knowing that as the slightest movement he would probably in the dark movement he would probably in the dark with this rabbid beast rubbing about my legs—first one and then the other, as if he were trying to find out who I was. Then he rested his noce on my kneed to Ottawa for action of the scotic of the statue of the stat seize me, and knowing (who better!) that such a bite in hii advanced state of disease was almost certain death, and a horrible the relief and a horrible the relief are size it as size it was almost certain death, and a horrible death too. Nerving myself, I sat perfectly still, calculating as well as I could my chances of escape. Presently the dog put first one paw, then the other on too known that Dr. Mackenzie's boos in unmeasured terms, and the police are seizing it or sight, while the doctors under accuration retort by saying that Dr. Mackenzie's boos in unmeasured terms, and the police are seizing it or sight, while the fowler, 2 birs Cultis, wooden as the police are seizing it or sight, while the fowler; cotton stockings, 1 mrs R Oxby, 2 mrs first one paw, then the other or too known the diagnosis and treatment.

PACIFIC RAILWAY, SPRING CIRCULAR

PROGRESS The Spirit of the Age!

The Subscribers in adopting this heading, feel that in their humble sphere and business of the past 14 years, they have made annual additions and progress, their business having Pure Bred Plymouth Rocks and Duck- gradually increased to its present dimensions.

At our Wholesale and Retail Furniture Ware-rooms will be found on examination by the Press and Public, whom we have invited to inspect our new three flats of Shourooms, and addition to our building, including the new suite of Art Rooms, fitted up as Parlor, Dining Room, and Bed-room, Passage and Ante Room, all furnished as in a private house. Our customers can thus see the exact effect of any goods either by day or gaslight. FIRST FLOOR.

is used for Sideboards from \$25 to \$250. Dining Tables from \$25 to \$125. Book-case from \$30 to \$125. Wardrobes from \$35 to \$150. Hall Stands from \$25 to \$300. THE FIRST FLOOR, WEST SIDE OF THE BUILDING,

contains same goods, but price and quality 50 per cent. lower.

THE SECOND FLOOR only contains first class Parlor Suites and the different new styles of Fancy Chairs, Eta geres, Corner and Window Chairs, with cabinets, Easels, Fancy Statuette Tables, Desks Stands, Plush Top Centre, Side, Card and Folding Fancy Tables.

THE THIRD FLOOR contains every style of Rattan Chairs, Lounges, Sofas, Swing Cots, Cribs, High and Low Chairs, Gilt, with embossed illuminated Leather covering, Dining, Library and Hall Chairs, Lounges, Reclining Chairs, and the latest patent 4-position Easy Chairs, varying in price

THE FOURTH FLOOR

is occupied exclusively with the finest assortment of Chamber Suites in Mahogony, Oak Cherry, African Ash and Black Walnut, with some of the newest Solid Brass Bedsteads, Swinging Cots, Cribs and Reclining Chairs, convertible into Gentlemen's Easy Chairs. THE FIFTH FLOOR

is used for Upholstering and Polishing, and the basement is used for the common stock of Iron and Wood Bedsteads, Cribs and other goods necessary to complete the furnishing of attic and basement flats of houses we furnish throughout. We now invite the Press and Public to call and examine our new Showrooms and lat est improvements and we ask our many customers who reside from one end of the Dominion to the other, including British Columbia and the North-West, to give a fair impartial verdict as to whether our Showrooms, stock and different new modern improvements suitable for

the largest Wholesale and Retail Furniture Ware-rooms, including our new Elevator, is equal to any Furniture Establishment in the Dominion or surpassed by any in the United We also extend a cordial invitation to any of our competitors to call and examine our stock, and if they wish to adopt and even improve on any of our styles of finish we will be the past 44 years, "Live and Let Live," and we will rejoice in the prosperity of any house in our line.
