FENELON TOWNSHIP FAIR.

A Successful Fair, But Bad Weather Prevailed.

The success of the annual fall fair was sadly marred by the unfavorable state of the weather. But the list of entries was larger than usually noted, while the improvement was quite noticeable in the live stock exhibited. The track was a sea of mud, but the different speeding events were the best ever seen here. Each event was hotly contested. Following is the prize list:—

HASTINGS.

MONSTERS.—Our neighbor, Patrick Brennan is bound to be ahead in raising potatoes as well as tomatoes. The finest lot of potatoes we ever saw, Mr. Brennan raised this year in his garden this season. 3 hills would fill a patent pail, and all large ones.

WOULD BE CLEANLY.—On Monday afternoon while Mr. J. Murray was driving three pigs down Front-st. they took a notion for a bath and all three headed for the river. After some trouble two of them were rescued before they got half way across the river. After a while the third was noticed playing itself in the region of the station. It was a lucky thing for Mr. Murray that none of them were drowned.

NARROW ESCAPE.—What might have resulted on Friday evening in a very serious accident, resulted in only a pair of shafts and only two buggy wheels being broken. Mr. F. Jaynes while driving out of the village after night, broke the tire on one of his wheels, and as only two bolts held the tire to the wheel, the one end acted the part of a whip to the horse. The horse made a dash for liberty, Mr. Jaynes held on the rains, but could not control the horse until the buggy struck a telegraph pole in front of Mr. J. Quigleys.' pulling Mr. Jaynes out some 3 or 4 rods before he succeded in stopping the horse. Mickie Hawkins who was along with Mr. Jaynes was thrown out but sustained no injuries beyond a shaking up. The same with Mr. Jaynes.—Star.
