A Big Salmon.—Sandy Green of attending owing to the funeral of Miss Bays about two weeks ago caught a DEER HUNTING.—The woods in this salmon trout which tipped the scales at locality have more hunters than deer, the 31 lbs. It took Sandy about two hours number gone into the woods here this COOK STOVE Scho L Report. - The following is the to handle it. It was sold to Mr. Gilpin season is entirely beyond precedent, in of Dorset. We understand that this is fact so numerous are they that they have month of October. Names arranged in the largest salmon ever caught in the become almost as dangerous to each other as to the deer which they are driving clean furniture in the house. Then why away from their usual haunts. Three or four days before the season opened large A BIG LEGACY.-Mr. Geo. Pratt, hunting parties passed through here to soon as they got their camps settled. In this village the reports of rifle shots could be heard all day long on Sunday last, the writer counted five shots fired inside of ten minutes at five o'clock Sunday evening in the west side of Anson township, regardless of law or decency, was begun before those living on the spot could legally do any hunting. The whole question of game protection requires revision. In the past the opinions of the city sports who have only studied their own interests TERRIFIC STORM. -On Thursday eve- have prevailed while the interests of the ning a sever e gale from the southwest settlers have been ignored. It is a question worth discussion whether any constitutional power exists to prevent a man from killing game on his own property; also whether licenses issued giving power to strangers to trespass upon deeded property to either kill or drive away game therefrom have any validity. The law as it now stands is a huge farce and the uncertainty of its operations by the officers in charge whose duty is to see it carried out faithfully makes the matter doubly farcical. One thing certain is, that the use of dogs must be abolished. The racks those who bring them here if allowed to
