 Opposite Benson House  
 The Watchman.  
 THURSDAY, NOV. 12th, 1896.

**Little Local Lines.**  
 —For a quick, easy shave try APPLEBEE. First shop east of Benson house.  
 —A new time card will be issued on the Midland division of the G.T.R. on the 15th inst.  
 —A Port Perry team of foot-ball players will visit Lindsay on Thanksgiving day and kick for the supremacy with the Beavers.  
 —Now is the time and WILLIAMSON'S is the place to order your photographs before the holiday rush commences. Noted for life-like photos.—40.  
 —A Sunderland lady writes Dr. Neelands that he made her a successful fit after having eight sets of teeth made in Toronto and elsewhere.—17-1f.  
 —W. F. Broad, V. S., of Lindsay, has been appointed inspector of live stock for this district by the Dominion government. The appointment is a good one.  
 —The scholars of St. Paul's Sunday school intend giving a missionary cantata at an early date. Particulars will be given next week.  
 —Farmers around Lindsay should not complain, as they have been getting 50c a bag for potatoes, while in Toronto and some other places they were only bringing 35 cents for the same quantity.  
 —To the victors belong the spoils. Mr. Samuel Smith has put the post-office building in weather-proof condition for the winter season. The tory goose is cooked, and the grit gander now gets a nibble out of the public crib.  
 —See our Lounges from \$3.50 to \$10; handsome goods, hardwood and oak frames. Bed Springs and Mattresses, very large assortment. Also Office Desks and Secretaries, very handsome and cheap. M. E. TANGNEY, opposite Benson house, Lindsay.—45-2.  
 —On Tuesday morning while playing at school, Meta, the 12-year-old daughter of Mr. T. A. Middleton of the north ward, met with a very painful accident. She fell against the fence with considerable force, dislocating her left arm and breaking a small bone. She was conveyed to her home and Dr. White summoned, who promptly reduced the dislocation, and now the little sufferer is doing as well as can be expected.  
 —On Saturday last Mr. J. Carew's steamer Myrtle and scow took a load of white oak timber 40 ft. long, 22 inches wide and 3 inches thick to Bobcaygeon, to be used in the construction of the new passenger steamer for the Trent Valley Navigation Co., which will replace the Esturion next spring. The timber was brought to Lindsay by train from St. Stephens, United States.  
 —Trainmaster Ferriton, of the G.T.R., will, it is reported, cease engaging inexperienced brakemen. He intends to have none but competent men on the trains. A new regulation regarding brakemen on freight trains provides that they shall be on the top of their trains when passing stations whether they stop or not. The forward brakeman is required to exchange with the rear one. The men regard the innovation as somewhat of a hardship.  
 —Government Engineer Fiddout was in town Tuesday for the purpose of inspecting the improvements being made at Hopkins crossing, just northwest of the town. The engineer expressed himself satisfied with the work already done, and in addition ordered the enlarging of the culverts on each side of the track at the roadway from 17 to 21 feet. Several car-loads of gravel will also be placed on the roadway. There are other matters in connection with this crossing that will be settled shortly. When these improvements are completed this dangerous crossing, which has been a menace to public travel for many years, will be in a fairly safe condition.  
 —"Good Housekeeping" for November—the queen of household monthlies—is to hand, and the table of contents is rich and varied. This is the Thanksgiving number, and is brim full of choice tested recipes of all kinds. Here are a few of the contents: "Jill's Cooking," "A Thanksgiving Dinner," "Agatha Clair's Thanksgiving," "Marian Wood's Turkey," "Economical Ways of Cooking Meat," "Mothers and Children," "Sunday Song and Sermon," etc. The number also contains several original stories and choice selections of poetry, etc. Subscription price \$2 a year; 20c a number. Clark W. Bryan Co., publishers, Springfield, Mass.  
 —Mr. A. McEachern, of the Tourists' Bicycle Club, Toronto, son of Mr. Malcolm McEachern of Hartley, has been doing some fast bicycle racing and lowering his record. At the Island, Toronto, a couple of weeks ago, in the mile amateur event, standing start, unpaced, he covered the distance in 2:18; former record 2:21. In the half-mile event, standing start, unpaced, his time was 1:06. As an evidence of the appreciation in which the Tourists hold the efforts of Mr. McEachern on the racing path the past season a dinner was tendered him at the Grosvenor house on the following Monday night, at which over 70 members of the club were present. A beautiful gold locket was presented to the bold rider, who is the fastest long-distance amateur in the country.  
 —On Monday the young man Joseph Tetro, arrested last week by Chief Bell on suspicion of being the culprit in the east ward stone-throwing case, particulars of which have already appeared in THE WATCHMAN, appeared before Magistrate Deacon to receive his sentence. The case had been clearly proven by Chief Bell, who had only a slim clue to work on at best, and Tetro was fined \$15 and \$9.50 costs—\$24.50 in all—and bound over to keep the peace for one year. Tetro, who is about 18 years of age—old enough to know better—was given a few plain words of caution and advice by the presiding magistrate, and it is to be hoped they will have a good effect. The green-eyed monster "jealousy" is said to have been at the bottom of the affair. . . . It was a young man named Wilford J. Crowley who was with the girl when struck, not Mallon, although the latter was near by.

**A SPLENDID SUCCESS**  
 (Continued from Page 4):  
 The Past Grand Master in response stated that it could be truly said that the Sovereign Grand Lodge were a lot of jolly Oddfellows, and who were ever studying the best interests of the order. He explained how the change in name had been brought about. At one time it was called the Supreme Grand Lodge of the U.S. The Canadian representatives brought the matter up and stated that it was time they were brought under the monarchy. They were successful in their appeal and the name was changed to the Sovereign Grand Lodge of America. Then again Canadian representatives had the Oriental emblem of the shepherds' crook changed to the Victoria cross. He referred to changes which were being made in the ritual and work of the order. The Sovereign Grand Lodge ruled over some sixty grand lodges. He referred to the progress of the order throughout the world and instanced its introduction in Italy, where good men were watching its progress. He then related the historical meeting after the American civil war, when the Northern and Southern delegates were once more united into a happy brotherhood. He then referred to the homes for orphans already established, some sixty in number, and hoped that the time was not far distant when the Grand Lodge of Ontario would have a home of this kind for the care and education of children of deceased members of the order. He urged those present to take this matter up for discussion in their subordinate lodges and good would result therefrom, and concluded by wishing the Grand Master, Lindsay Lodge and District 31 every success.  
 "The Grand Master, our guest," was drunk amid cheers. Bro. White expressed his pleasure at being present, and regretted that he was not such an orator as Bro. Hoyle, who had taken them from Canada to the United States, then to China and Italy and back to the United States. He was pleased to hear only a week ago that Ontario contributed the best representatives to the Sovereign Grand Lodge, and if they continued on in this way they would soon have the Sovereign Grand Lodge in Ontario, when he thought Bro. Hoyle would make a creditable successor to Grand Sire Campbell of London. He dealt with the necessity for an Oddfellow's home, and quoted the ritual to show that all the planks were filled but this one care for orphans. He related an individual instance and pointed out how much better these children could have been cared for if we had such a home for their care and education. He urged those present to consider it in their lodge rooms. He also urged the establishment of the Rebecca degree in this district and outlined the good work accomplished by them as an auxiliary to the order. He then thanked Lindsay Lodge in the name of the 26,000 Oddfellows whom he represented for their kind reception.  
 "The District Lodge" was drunk with gusto, and Bro. Jos. Thompson made an able response.  
 "Our Competitors" was the next toast in order and was received with "For They are Jolly Good Fellows," and ended with three cheers and a "tiger" for Ottonabee Lodge. Dr. Bell expressed the good will that had always been entertained for Lindsay Lodge, and he hoped they would soon pay them a visit, when he hoped with all his heart they would be victorious.  
 "Our Sister Lodges" was ably responded to by Bro. Quinn of Ottonabee, who stated that Lindsay Lodge had a way of their own in arranging these receptions—and they were always well done.  
 Bro. Lee, of Durham Lodge, Port Hope, was highly delighted with the reception accorded Grand Master White, who, he could assure them, was a good fellow at home. . . . Dr. Clark of Millbrook made the happiest speech of the night and everybody was delighted. . . . Bro. Smith of Beaverton; J. Kelly of Manilla; W. May of Cannington; J. Smith of Peterboro Lodge; L. Gilchrist of Ciscrone Lodge, Woodville; C. Read of Little Britain; Morgan Johns of Bobcaygeon, and Jos. Thompson of Sunderland, all made excellent responses. Grand Master White then proposed the toast of "Lindsay Lodge No. 100" and thanked them for the honor tendered him and the hospitality in which they had all shared.  
 Rev. J. W. Macmillan, as the youngest member of Lindsay Lodge, made a happy reply, when the proceedings concluded with the National Anthem.

**Little Local Lines.**  
 —If you are thinking of ordering photos see E. WILLIAMSON, foot of Kent-st. He has something nice to offer. Work always the best.—40.  
 —Terry's wedding cakes are the best. Rich in design; delicious in flavor. Made on the shortest notice. A. B. TERRY.—44-4.  
 —The will of the late John Farady Young, provision merchant of Front-st., Toronto, who died at Minden on Oct. 14, has been filed for probate. It leaves all the estate, \$4,751, to the widow.  
 —The Mariposa cheese factory sent in their last shipment of 120 cheese to Lindsay yesterday. The factory had a very successful season. Word recently received from London, England, states that the shipment of cheese made from this section some two months ago arrived alright, and in first-class condition. The cheese from Mariposa factory were especially commended.  
 —A 9-year-old son of Fred King, of Amherstburg, Ont., placed a pound of wet gunpowder in the stove to dry on Friday last. Soon after Mr. King started a fire. The powder dried and incidentally exploded, blowing the stove to atoms, completely wrecking the kitchen and firing the house. Fortunately there was no one in the room at the time of the explosion.

**Your Time for Purchasing is Now.**

Cold frosty nights make one think of the heavy, warm goods to be bought at once. Here's a stock of Winter Goods, bought right and to be sold right. The reason we can sell you better goods for less money than you can get ordinarily, is: we buy for spot cash from the manufacturers nearly all the goods in our store, saving you a lot of wholesale profit. That's all that you need to be told; people who read this will know that a store that can buy from first hands must sell goods much cheaper than their rivals. We visit twice each year the markets of Europe and so keep the best and newest stock of goods in this town.
