The Watchman.

THURSDAY, DEC. 20th, 1888.

The Watchman-

dered, we are unable to fulfil our promise in enlarging and improving the Watchman, this week. We, therefore, feel compelled to delay the compelled to delay the

first and second deputy reeveships, no aspirants have yet declared themselves for the other positions at our council board. No doubt there will be abundance of material on hand when the day of nomination arrives; but so far all of nomination arrives; but so far all hands seem to be lying low until the chances can be more safely gauged. It is things that we can send, for there is a great demand for horses. Last year over in the city, and three or four heavily loaded to the class of the cl None of the old members, the mayor 261. We should try and do better than and the track was cleared in a couple alone excepted, have yet shewn any de- that by raising a kind of horse suitable for hours. sire to "vindicate" their record for 1888, and the indications are that several will not again place their services at the disposal of the electors. The financial statement for the services at the disposal of the electors. The financial statement for the services at the disposal of the electors. The financial that line and not only in the horse trade, that line and not only in the horse trade, Toronto, Dec. 18.—The St. Lawrence and Atrond. statement for the year, which owing to but in exporting other live animals for a change in the Municipal Act must be while England imported over a million and prepared by the 15th of December, and a quarter of animals, we only sent about published forthwith, was presented at 100,000 of that number. We should have the meeting of the council last Saturday evening. The statement as a matter of course dealt with the expendition of the council last Saturday evening. The statement as a matter of course dealt with the expendition of the council last Saturday evening. The statement as a matter of course dealt with the expendition of the council last Saturday evening. The statement as a matter of course dealt with the expendition of the council last Saturday evening. The statement as a matter of course dealt with the expendition of the council last Saturday evening. The statement as a matter of course dealt with the expendition of the council last Saturday evening. The statement as a matter of course dealt with the expendition of the council last Saturday evening. The statement as a matter of course dealt with the expendition of the council last Saturday evening. The statement as a matter of course dealt with the expendition of the council last Saturday evening t ture in the different departments en bloc, they do. In 1887 England imported wheat at \$1.08 for white and red, \$1.03 and and as a result gave very little insight 205,000,000 pounds of cheese, of that we into the "true inwardness" of the doings sent her 71,000,000 pounds and the United goose; 300 bushels of barley at 58 to of our council. One feature of the report, however, which must have forced land imported over \$15,000,000 worth, all itself upon the attention of the rate- from foreign countries, and we sent none. none offering. payers, is the unusually large expendi- He intended to enquire into the Liverpool ture for this year. The amount ex- market, and see if we cannot send our In Chicago the bears continued the ra pended by the Street and Bridge com- eggs there, we should do so now, they on pork for January delivery, which was mittee alone is upwards of \$4000, and the electors would do well to consider carefully just how much they have got in return for their money. The earefully just how much they have got in return for their money. The remoddling of this department we have all along contended would result in an immense saving to the town; but in face of the praise that has been showered upon the present management by most of the council from the mayor down, the ratepayers can easily imagine how things would be allowed to run their course if left to a majority of the present council. The number of items as shown by the financial statement of expenditure which could easily have been avoided, amounts to a large sum, and forms one of the strongest proofs of the utter want of regard for the interests of the ratepayers which we contend has marked the career of the present countries. Englishmen are slow to move their prejudices we will have a good to severate and much larger than was expected, and the prospects to the large supply continuing are bright. The bears evidently have the pull, and intended to the present council from the mayor down, the ratepayers can easily imagine how things would be allowed to run their course if left to a majority of the present council. The number of items as shown by the financial statement of expenditure which could easily have been avoided, amounts to a large sum, and forms one of the strongest proofs of the utter want of regard for the interests of the ratepayers which we contend the we can supply their wants as advantageously or more so than other countries. Englishmen are slow to move in making changes, but when we remove their prejudices we will have a good and the prospects for the large than was expected, and the prospects for the large supply continuing are bright. The bears evidently have the pull; and intended to the present key sells in London for a sovereign. We should do a direct trade, not through the large supply continuing are bright. The hears evidently have the pull; and intended to the present key sells in London for a sovereign. We should do a direct trade, not through the large supple continuing are bright. The hears evidently tend has marked the career of the present council.

The feeling that mayor Walters in States. The British Empire is immense, Liverpool recognitions and the later of the United States. The British Empire is immense, Liverpool recognitions and the later of the United States.

Imperial Federation League was well attended by the leading yeoman of Lindsay and surrounding country. Several Ladies graced the audience with their presence. John Dobson, Esq., President, ably filled the chair. He regretted the unavoidable absence of Dalton McCarthy, but was sure the people would be pleased and edical beautience of Dalton McCarthy, but was sure the people would be pleased and edical beautience of the world in arms. I will also we leave the meeting viz. Adam Hudspeth, Esq.

M.,P. Col. Denison and James L. Hughes, of Toronto. After a few appropriate remarks he introduced Adam Hudspeth Esq. to first address the meeting who gave a very excellent and polished address not bearing particularly on Imperial Federation Ltt on matters more generally of interest.

The Galt Holines countries, and let it in free from all her colonies, it would give in free from all her colonies, it would give in free from all her colonies, it would give in free from all her colonies, it would give in memors advantage, we might compensate by making a reduction in our init port. This is a great practical question, and if solved we will have great advantage, we might compensate by making a reduction in our init on the reduction in our our our control of the same and insure our united prosperity, and when so united we need not be afraid of the world in arms. I will also we leave the world in arms. I will also we leave the world in arms. I will also we leave the world in arms. I will also we leave the world in arms. I will also we leave the same developed by the gentlemen who are to follow me. I wish you to listen to what hey say and think over the subject at your leisure.

EGOND DEPUTY

Lindsay Dec. 6th, 1888.—46.4.

SEGOND DEPUTY

The fall remarks he introduced Adam Hudspeth Esq. to first address the meeting who gave a world in arms. I will also w to the people he was addressing. He said that while he was not very familiar with byterian Church. GALT, Dec. 18.—On Saturday the Session of Knox Church, Galt, and the Assessors

Charming and useful Books for the objects and aims of the scheme or the mode of carrying out its plans he could assure them his heart was in the general assure them his heart was in the general idea of Imperial Federation, which he believed had in view, as one of its main objects the uniting more closely the various scattered colonies with the mother country in all that pertains to the promoting of their common prosperity. He had while SUNDAY SCHOOL equip- lieved had in view, as one of its main ob-

Call at Porters Bookstore and see their common prosperity. He had while in public life noticed the wide spread atland, and this is only natural, for most of us were either born there or are the children of those who were born there, and it is not an easy matter for a right minded man to forget the place of his birth, or lose interest in the prosperity of his native appeal to the Synod of Toronto and Kinglose interest in the prosperity of his native land. He confessed he had not yet formed very definite views in regard to this question but believed it to be the

great question but believed it to be the duty of every lover of his country to approach it without prejudice and throughly enquire into it. There is plenty of time, we need not be in a hurry to make any change in our situation. The country has been prospering fairly well, in fact our been prospering fairly well, in fact our trying fastenings, turning door troops. the mother land, and it is no time to con- Park have not traced him. Many of the sider the question of separation it would villagers aver a belief that he is the veri-be ungrateful, after all that has been done table Whitechapel fiend; but the detectives for us to even think of separating ourselves think he is only a crazy man, who has been from the mother land but our own material affected by reading the Whitechapel

PORK AND WHEAT IN CHICAGO.

The feeling that mayor Walters in scattered over the whole globe; in terri-

challenges criticism should alone result in his rejection; but his position as government Inspector of public works, for which he receives a large salary from the pockets of the electors, prevents his being faithful to either trust whilst holding both. By his already having been permitted to hold the mayoralty for two terms, sufficient honor has been done an o d favorite for the electors now to declare that "honors are easy." Let the electors vote for Mr. Smyth and allow Mr. Walters to retire upon his laurels.

Colonies more closely together, and make our trade relations more intimate which will ensure an increased prosperity. The United States have been wonderfully properous, because they produce within themselves all they need, and we might be even more so if all the colonies could be united and trade with each other and cach with the mother country for, we would then as a united people be able to produce within ourselves all we would require. Of course there are some little difficulties in the way of this most desirable consummation, and the greatest of these is, I fear, the free trade idea that the English people have got into their head and I am afraid it will

MAYORALTY.

To the Electars of the Municipality of Lind

To the Electors of the town of Lindsay.

LADIES AND GENTLEMAN:-

I beg to offer myself as a candidate for the office of Second Depty Reeve for 1889. If elected I will pledge myself to do my best to keep down taxes and to further the interests of the town.

Yours truly, A. D. MALLON Lindsay, Dec., 18th, 1888.
