Mr. Handsome and costly dressing tant positions iu Montreal, are home visiting perfectly useless for what it was inliberality with which the employees have always been treated by the proprietors, to which Messr. Flevelle and Sadler made suitable replies.

St. Paul's Church Concert. The concert given last Friday in aid of the organ fund of St. Paul's church was a gratifying success in every particular.

The audience was good, and the programme faithfully carried out. Messrs. MacGachen and Petty did full justice to MacGachen and Were heartily encored. Tamblyn, Lot No. one, 3rd Con. Clarke Ninth. Spending \$127 for stop valves (Zion,) were awakened by the barking of their watch-dog, when it was discovered their watch-dog, when it was discovered benefit whatever and part of them lying in benefit whatever and part of them lying in with the audience as at accomplished pianist, Mr. Dingle and Miss Emma pianist, Mr. Dingle and Miss Emma flames. Three horses, sixteen head of broke up for old iron. Dingle (flute and piano) rendered a selection which was loudly applanded. Mr. Whellock of Cannington in "Thro' the gates of the West" and "Thy sentinel gates o am II established himself at once as a lot of corn, about twenty tons of hay, all the straw from the year's crops, a new the council it was proposed to squander favourite with a Lindsay audience, and the straw from the year's crops, a new was loudly encored, to which he respond- self-binder, all the harness, a pair of plat- dry hole. ed. The star of the evening, however, form scales, and a lot of other property was Mrs. Pilkie, who surpassed the exwas destroyed, The fire was, without sanity seized our council, when ordering pectation of the audience by her rendition of "Cam ye by Athol" and "Waiting" was a partial insurance on barn and conof "Cam ye by Athol" and "Waiting"
It is needless to say she was heartily encored, and in reply gave "Caller Herrin" and "Margueritta." It is to be hoped that we will more frequently have the opportunity of hearing Mrs. Pilkie for the future. The mind-reading experiments by Mr. John Miller were intensely interesting. Mr. Miller for fully three-quarters of an hour on each part of the proters of an hour on each part of the prohis wonderful performances in the mind-reading art, and his efforts were repeatedly applauded. Were Mr. Miller to rediy applauded. Were Mr. Miller to return and give an evening's entertainment he would receive an enthusiastic reception in Lirdsay. Mr. Miller it will be understood does not follow mind-reading as a profession, giving his services gratis in aid of worthy objects. The A, B, C, duett by Mrs. Pilkie and Mr. Petty was cleverly rendered, and rapturously encored. The programme was brought to a close by singing God save the queen.

Dornbusch, referring to the wheat trade in the United Kingdom, says that "the Institute.
