READY FOR REVOLUTION.

Signal for a General Fight Between the Royalists and Masses.
LONDON, Dec. 21.—It is expected here that at any moment a revolution will break out in Paris and extend over France. The exposures of corruption in the Chamber of Deputies have thrown broadcast the belief that the Royalists are determined to carry the next elections by secret operations, and it is believed that it is only necessary for a small crowd in the streets of Paris to start the row, and the city and nation would join in and give France another taste of the power of the people when maddened with desire to wade in the blood of the wealthy classes.
The people of Paris are now in an extremely excited condition over the disclosures and accusations made in the Chamber of Deputies yesterday over the Panama Canal scandal.

HOUVIER CONFESSES.

He Received Loans of Money For the Secret Service Fund.
PARIS, Dec. 21.—There was great excitement in the Chamber of Deputies yesterday when M. Rouvier denied any personal connection with the Panama Canal scandal and stated that he had received loans from private friends to use in the secret service fund in order to retain his government in power.
The effect of this confession was tremendous.

IN A BAD MESS.

Two London Money Lovers May Pay Dear For Their Wealth.
LONDON, Dec. 21.—J. W. Hobbs, the London builder, and J. W. Wright, a solicitor, who were arrested on charges of forgery in connection with the recent failure of the Liberator Permanent Building and Land Investment Trust, have had additional charges preferred against them.
Hobbs will also have to answer for theft of a large sum of money belonging to his own firm, J. W. Hobbs & Co.
The new charge against Wright is that he stole a check for £2500 belonging to the Liberator Society. Wright was formerly financial manager of the society and Hobbs was its managing director. It is said Hobbs & Co. owe the society £2,099,900.

Preacher and Teacher Burned.

ALBANY, N.Y., Dec. 21.—A special from Warrensburg says: Philippe E. Herrie of Sehoon Lake, a teacher of vocal music and a local Methodist preacher, was burned to death here early yesterday morning.
J. S. Woodward, Louis Gouty and Edward Branch were also seriously burned, the latter probably fatally. The men were removing furniture from the burning residence of J. L. Labrum when a chimney and wall fell, burying them in the debris.

Shout! He Flayed.

NEW HAVEN, Conn., Dec. 21.—In a quarrel with his wife last night Richard Martin poured kerosene over her and set it afire. When the woman attempted to extinguish the flames Martin assaulted her with a razor. She cannot live.

A Negro Lynched.

Fight With Horse Thieves.
CHEYENNE, Wyo., Dec. 21.—Meagre particulars of a desperate fight between two deputy United States marshals and a band of five horse thieves at Hyattsville, Johnson County, in which five of the participants were killed, have been received.
James Huff and William H. Nucher, the deputy marshals, attempted to arrest Ira Walker, Ace Achmich and another horse thief, and during the fight that followed the five named were killed. The other two desperadoes have disappeared, but a posse will start after them at once.

Whitman's Admirers.
PHILADELPHIA, Pa., Dec. 21.—A reunion of friends of the deceased poet, Walt Whitman, will be held in Camden, Jan. 15. Their idea is primarily to discuss the purchase, endowment and preservation of Whitman's famous two-story frame home at 330 Mickle-street, Camden, where the poet-philosopher did the most of his literary work. At present about \$500 has been raised toward the endowment, but from \$1500 to \$2000 more is needed.

Too Fond of Chips.
CINCINNATI, O., Dec. 21.—A shortage of \$50,000 in the freight depot of the Louisville and Nashville Railway was discovered yesterday. Agent John C. Hanged for Wife Murder.
LONDON, Dec. 21.—Joseph Meller was hanged yesterday for the murder of his wife in September last. The crime was an atrocious one, the woman being literally chopped to pieces with a carving knife and the remains buried in a cellar.
Meller wished to be rid of his wife so that he could marry another woman. He met his fate coolly and the execution was uneventful.

The Committee of Investigation on His Affairs Report Favorably.

LONDON, Dec. 21.—The report of the committee of which the Earl of Onslow is chairman, and which was appointed to investigate the affairs of the Salvation Army as concluded by Gen. Booth, was made public yesterday.
The report speaks favorably of Gen. Booth's enterprise for the redemption of "Darkest England," but qualifies the general verdict of approval with the criticism to the effect that too much cash has been sunk in building operations at the beginning of the enterprise.
The report is a great victory for General Booth, whose management of the Salvation Army finances is thus found to be correct by a committee of unimpeachable character and standing, and the appointment of which was prompted in the first place by hostile critics of the Salvation Army.

The Work of Fiends.
MADRID, Dec. 21.—Anarchists appear to be resuming their activity in Spain. THE BARBARIC CUSTOMS

OF THE YANKEE NATION ASTONISH GERMANY.

German Papers say Hard Things About the United States and Restriction Laws—Money Grabbers Without Any Spirit of International Honor.

NEW YORK, Dec. 21.—Emil L. Boaz, general passenger agent of the Hamburg American Packet Company, returned yesterday from Hamburg, where he went to consult with directors about the threatened stoppage of immigration.
"The people in Germany are greatly stirred up," Mr. Boaz said to-day, "over the orders of the United States Government stopping steamship passengers and detaining vessels. You cannot appreciate here the strong feeling that prevails in the Fatherland. The press of Germany is only too glad of some opportunity to criticize the American Government for what papers term the medieval customs of the Yankee nation."
"They call us a nation of barbarians and money-grabbers, without any spirit of international honor. The articles, as a rule, strongly advise Germans not to visit the United States during the World's Fair this year, as the Yankees only want rich foreigners to fleece them, closing their doors against the poor."
"I found German merchants greatly perturbed over the recent orders of the Treasury Department threatening to hold steamers 20 days in quarantine. They were afraid to ship merchandise and could not carry out the orders received from America. Commerce between the two countries is suffering greatly and enemies of Republicanism sneer at the American Government as the cause."
