

THE CASH SYSTEM.

The subscribers while grateful to a discerning public for the liberal patronage bestowed on them in the past, beg to announce that on and after the first day of January, 1879, their books will be closed and positively no credit given—excepting as per special arrangement—believing that the true National Policy consists in the adoption and carrying out by individuals of the "Pay as you go" system. Having tried the credit system to our hearts' content, we pronounce it an unmitigated evil—as it affects buyer and seller, especially the latter.

Our Mr. Campbell has returned from Montreal, where he made special purchases of general Dry Goods, Clan Tartan Dress Goods, &c., together with a choice lot of Fruits and General Groceries, which buyers should inspect before purchasing, as hard pan prices will be quoted for cash.

Soliciting under the new regime a continuation of the favors so liberally bestowed on us in the past, and wishing our numerous friends and patrons, in spite of the hard times a "Merry Christmas and a Happy New Year," we remain,

A. C. CAMPBELL & Co.

P. S.—Accounts are now ready and as we want money, parties interested are requested to call and settle forthwith.

The annual meeting of the Eldon Branch Agricultural Society will be held in the Eldon House, on Saturday next, at 6 p. m.

Our "Ned" says that a cold Church and a long sermon will do more to send a man to everlasting torment than it will to save him from it.

Wood.—Several parties have promised to bring us wood in payment for subscriptions. They will oblige by doing so before the end of this month.

For the past few Sabbaths the pulpit of the Presbyterian Church has been occupied by a student. It will be a great boon to the congregation when they get a settled minister.

Married.—Mr. John E. Nisbet, formerly on THE ADVOCATE staff, was on New Year's day married to Miss E. A. Wayling, of Sharon. We wish Mr. and Mrs. Nisbet many years of happiness.

All Accounts must be settled this month by cash or n. t.—J. A. Mitchell & Co.

New Year's Day was very fine, and the sleighing splendid. Every available horse and rig in the country was out. Everybody that could drove out of town, and those that could not, mourned because they had to stay at home.

Rowdyism.—Those young roughs of Woodville are getting notorious. At the festival New Year's night they kept up such a racket that the speakers could not be heard. We are sorry to say some of them were the worse of liquor. Boys, boys, this is shameful!

Personals.—We were pleased to see our friend Dr. Robinson in town last week. Along with his brother, Mr. Jno. Robinson, Barrister, Toronto, he was blocked in here by snow, for a couple of days. Mr. Reazin, School Inspector, was also detained here by the snow, on his way home from Orillia.

Lost in the Storm.—On Thursday evening a young man left this village to go about a mile into the country, but after going about half way the storm was so violent that he got lost and after wandering about for a couple of hours he found himself in the vicinity of the village again, where he was forced to remain over night.

Anniversary.—At the Presbyterian Sabbath School anniversary, New Year's night, there was a large attendance. The Rev. John McNabb occupied the chair. Addresses were delivered by the Revs. F. Keem and E. H. Bauld, and Messrs. Bannerman and R. McNabb, interspersed with singing by Mr. Jamieson and the scholars. On being opened the missionary box was found to contain \$66, which was voted as follows: \$10 to the Provincial S. S. Association, \$15 to Star Lake, Muskoka, \$15 to the French Evangelization Society, and \$26 to the Home Mission.

Accident.—On Thursday last, the engine of the north bound train on the Midland, sprang a rail, when within a mile and a half of Woodville Junction, letting a couple of cars off the track. Fortunately no great damage was done. The passengers were jarred considerably, among them, Mrs. D. B. McNab, of this place, who escaped with a few bruises. A gang of men and another engine were sent from Lindsay to get the train on the track again, and succeeded in getting the wreck cleared in time for the regular train on Monday.

The North Riding Agricultural Society annual meeting will be held at Glenarm, on Wednesday next, 15th inst., at 1 p. m.

Congregational Meeting.—A meeting was held in the Presbyterian Church, on the 2nd inst., for the purpose of moderating in a call to a minister. Rev. Jno. McNabb, of Beaverton, presided, and Mr. J. C. Gilchrist acted as clerk. On motion of Mr. Colin McCuaig, seconded by Mr. John Gunn, it was unanimously resolved to extend a call to the Rev. Jas. Cameron, of Chalsworth. The following committees were then appointed: to frame reasons for the translation, Messrs. Donald Grant, Jno. McDonald and A. C. Campbell; to prosecute the call before the Presbytery of Lindsay, Messrs. Wm. Reid, J. Gunn and J. C. Gilchrist; commissioners to Presbytery of Owen Sound, Rev. John McNabb and Mr. Donald Grant.

Another Snow Blockade.—On Thursday last, it started to snow and blow again, and by night the railways were all blocked up. The Nipissing train due here at 7.15 p. m., did not arrive until 11 s. m. next day, and we received no mails from any direction until nine o'clock Saturday night. The managers of the Nipissing Railway are to be congratulated on the indomitable energy displayed by them. The snow plow was sent north as soon as the road was found to be blocked, and by working night and day succeeded in reaching Cobocok on Sunday morning. The Nipissing and Grand Trunk east were the only lines running into Toronto on Saturday night. The regular trains commenced running on time Monday morning. As soon as the break on the Midland could be fixed, the trains began to run to the Junction, but it is reported that all trains north of that station are cancelled until spring.
