 Personal.—We had the pleasure of a visit from Dr. Robinson this week. He looks well.

Week of Prayer.—Services are being held in the Presbyterian Church every night this week, commencing at seven o'clock.

Our "Carrier Boy" wishes to return his thanks to the patrons of THE ADVOCATE for liberal donations on New Year's day.

On Tuesday and Wednesday next, Jan. 13th and 14th, one of the firm of Neelands & Pentland, Dentists, Lindsay, will be at the "Queen's Hotel."

Lost.—About four weeks ago, between this office and the Town Hall, a large silver-plated mouthpiece. The party finding the same will oblige by handing it to any member of the Band.

Shooting Match.—The Pigeon Shooting Match, at Bolsover, on New Year's Eve, resulted in another defeat for Woodville, this time by seven birds. We are not so awful conceited about our shooting now as we were some time ago; "those Bolsover fellows are hard to beat."

Social.—The third of a series of socials, under the auspices of the ladies of Knox Church, will be held at the residence of Dr. McKay, Beaverton, on Wednesday next, 14th inst., at 7.30 p. m. The entertainment will consist of music, readings and recitations. All are cordially invited.

Personal.—On Tuesday, we received a call from Mr. Hopkins, of the firm of Martin & Hopkins, Barristers, Lindsay. He has recently joined the army of benedicts, and with Mrs. Hopkins—Miss Rosa Adams—is spending a few days of their honeymoon with their friends in Woodville.

The Press.—We have received a copy of the Port Hope Daily Guide, which has entered upon its third volume. The Guide is a spicy little sheet, contains all the latest telegraphic and local news, and appears to be popular, judging from its advertising columns. We wish it long life and continued prosperity.

Missionary Meeting.—The annual missionary sermon in connection with the Methodist Church in this village, will be preached next Sabbath evening, at 6.30 o'clock. On the following Tuesday evening the annual missionary meeting will be held, commencing at seven o'clock, when addresses will be delivered by the Rev. Mr. Weldon, of Cannington, and others. All are cordially invited.

Presentation.—On New Year's eve our villagers, to the number of about forty, met at the residence of Mr. John Lethbridge, and surprised him with the following address and a purse containing about \$50. Mr. A. C. Campbell was chosen chairman, and in a few appropriate remarks called on Dr. McKay to read the address and Mr. Henry Edwards to make the presentation:—

To Mr. John Lethbridge:—DEAR SIR,—At this auspicious period of the year, we consider it a fit and proper time to call on you to congratulate you on your success during the past year and to convey to you the compliments of the season. Since your arrival in our midst you have treated not only us but all with whom you have come in contact in the most courteous and gentlemanly manner. We hope to have you long amongst us and to find you as usual in jolly spirits. It almost seems that to you has been given the great blessing, not of renewing your youth, but of always maintaining it. We now present you with this purse as a slight token of the esteem in which we hold you, hoping that you may long be kept in your present position to perform your duties as honorably to yourself and as satisfactorily to the public. We most heartily wish you and your partner in life all the blessings which Providence can bestow on you, and may you and your family enjoy a Happy New Year.

Mr. Lethbridge replied in suitable terms, after which a couple of hours were very pleasantly spent in songs, speaking and recitations, when the company joined in singing "Auld Lang Syne."

The days are lengthening.
 A far cry to the next holiday.
 Have you purchased your 1880 diary yet?

Beware of counterfeit \$1 Dominion notes.

Leap Year.—Who wants to be Moody!

The post-office at Derryville has been re-opened.

Dominion Parliament meets 12th of February.

Reader do you feel yourself indebted to this office? If so pay it.

A good deal of that swearing off will have to be done over again.

Notwithstanding the rush at Leedham's for Photos, the room will only be open for a few days longer.

The far-seeing little boy will now begin to save his coppers to buy a fishing-rod for Good Friday.

Wood.—This useful article has been very plentiful lately on our streets and meets with ready sale.

Total contributions so far to the Wabuno fund \$1,375, of which the owners of the vessel give \$400.

If there is anything you want in Dry Goods, Groceries, Boots and Shoes go to the Regulator for it, because you are sure to get a bargain.

Weather probs: If it don't rain on the 1st of July there will be hundreds of people enjoying themselves without being wet to the skin.

This is the holiday puzzle of the Port Hope Times: the question is an interesting one to many others about these days: "Don't U O us a \$ or 2?"

When a boy scrapes a little skin off his knuckles while sawing wood for his mother, he makes more ado about it than when he knocks his big toe-nail off in running to a fire.

When you deprive a boy of the privilege of taking off his coat and vest together at one pull and leaving his boots in the middle of the floor, what do you expect he has to live for?

The Annual Meeting of the Eldon Branch Agricultural Society will be held on Friday next, 9th inst., at six p. m., at the "Eldon House," for the purpose of receiving the annual report and electing officers for the ensuing year.

Reader, have you an absent son, daughter, niece, nephew, aunt, uncle, cousin, relative of any kind, or absent friend, send them THE ADVOCATE. It is equal to a letter. Each number contains all the Local News, and a small volume of general interesting reading. Only \$1.00 a year.

Now the mighty Nimrod cleans his gun—Detroit Free Press.—And goes to the fields to have some fun.—Steubenville Herald.—Steps on the trigger—his fun is done.—Hamilton Spectator. The battle is fought, the victory won.—Kingston News. And thus ends the life of some mother's son.—Ottawa Free Press. Then into the ground his body is run.—Port Hope Times.—To await the arrival of Kingdom Come.

Grass Hill.—For some time past the people of Grass Hill have received their mail supply from Woodville, every Tuesday and Saturday. After the 1st January they go back to the old system and receive it by Midland Railway on Monday, Wednesday and Friday of each week. The office is under the charge of Miss Agnes Smith, whose appointment, we believe, gives general satisfaction.

Social.—The soiree held in the Presbyterian Church, on New Year's night was largely attended. The tables were set in the basement, and were well loaded with eatables and served by attentive waiters. After all were sumptuously fed an adjournment was made to the body of the church, when addresses were delivered by the pastor and Revs. J. T. Paul, J. McNabb, J. Currie and R. Gunn, interspersed with singing by an efficient choir under the leadership of Mr. Jamieson. About \$70 were realized.

Money Orders.—The commission to be charged on sterling money orders issued in the Dominion of Canada, payable in the United Kingdom, has been reduced, and will from the 1st of January, 1880, be as follows.—On orders not exceeding £2 10s sterling, 20 cents; exceeding £2 10s and not exceeding £5, 40 cents; exceeding £5 and not exceeding £7 10s, 60 cents; exceeding £7 10s and not exceeding £10, 80 cents.

The Rev. Henry Ward Beecher says:—"If there is anything that should be careful, chivalrous, honest and strictly just in dealing with men it is the newspapers; for the man at the foot of Mount Sinai was hardly more helpless than the private citizen before the tribunal of the newspaper. Its voice is heard in all the land; it goes forth like the bright lightning of heaven and it has the power of lifting up the fallen and of bringing down from power the great; of righting the wrong and of wronging the right; the power of slaying and the power of making alive."

Cold Snap.—The end of 1879 will be remembered as a "Cold Snap."

One advertisement in a newspaper is worth two on the side of an old shed.

Up to the present date only one death has been registered in the Township of Carden.

The Kendall correspondent of the Port Hope Guide writes:—As the holiday season is one of nuptial festivities, I had the honor of being present at the wedding of a friend on Christmas Eve. The wedding referred to was that of Mr. David Walsh and Miss Polly Jewell, of Clarke, who were united in marriage bonds at the residence of the bride's brother, Mr. Isaac Jewell. The ceremony was performed by the Rev. Mr. Jewell, M. A., brother of the bride, assisted by the Rev. Mr. Walsh, of London, brother of the bridegroom, and Rev. Mr. Howell, M. A., of Newcastle. Mr. James McLean, Jr., of Kendall, acted as best man, and Miss Maggie Walsh, sister of the bridegroom, as bridesmaid. The ceremony being performed, an enjoyable evening was spent till the happy couple were about to leave for their new home, when the Rev. Mr. Jewell, on behalf of numerous friends, presented the bride with a number of valuable presents, after which the party left for their respective homes.
