

This and That.

OSHAWA is troubled severely by rowdyism. The lost arts did not include steel pen making, an invention purely of the nineteenth century, Eastbrook's being superior, standard and reliable.

OSHAWA found mail \$3.85 at its last session for sheep killed by dogs. The *Vindicator* remarks "it is almost enough to buy all the dogs in Oshawa."

A RELIABLE FACT.—It is an established fact that Hagar's Pectoral Balm is the best cure for coughs, colds, sore throat, asthma, croup, bronchitis, and all troubles arising from neglected colds. Price 25 cents.

A PAINFUL accident occurred about three miles from Beaverton a few days ago. While Mr. John Congdon was feeding a threshing machine his left hand caught in one of the feeders inflicting a painful wound. Three of his fingers were terribly torn. He is, however doing remarkably well under the effectual treatment of Dr. Grant and expects to be able to work in a few weeks.

The hungry dream of feasts, the thirsty of water, the drowsy of drowning, the sick of health, to enjoy health, beware of every ailment, and if suffering from diseases of the kidneys, etc., use Victoria Balm and Uva Ursi. If taken in time, this great medicine will prevent Bright's disease of the kidneys, diabetes, etc., and is a positive specific in all diseases of the urinary system. For sale by all dealers.

A FATAL ACCIDENT occurred at Baldwin's grist mill, Aurora, on Tuesday morning of last week. A young man, William Watso, it is supposed while adjusting a belt stumbled and fell between a beam and a large cog wheel. The first that was known of an accident by the men employed in the building was the sudden stopping of the machinery. The young man was found mangled and crushed in a dreadful manner, and quite dead.

MR. AARON WILLIAMS, fifth son of Mr. Williams of Port Perry, met with a severe threshing machine accident last week. His clothes were caught in the tumbling-rod and in a very short time all his outside clothing, excepting the collar of his smock, was entirely striped from him. No bones were broken, though he was badly bruised and shaken up, and it was mainly owing to the presence of mind and coolness of the driver, that Mr. Williams escaped so fortunately as he did.

Hagar's Yellow Oil is one of the surest remedies in the world for the cure of Rheumatism, Neuralgia, Lumbago, Spinal and Bronchial Complaints, Deafness, Ear-ache, Cramps, Sprains, Bruises, Galls, Stiff Joints, Swollen Hands, Sore Nipples, Stiff Neck, Chilblains, Tetter, Frost Bites, Chapped Hands, Wounds, Cuts, Sore Throat, Stings of Insects, Shortness of Breath, or any diseases that are painful or sore. We have no hesitation in recommending it for any of the above complaints, and believe it the quickest and most perfect combination known to relieve pain from almost any cause, and can be used either internally or externally. For particulars see wrapper accompanying each bottle. For sale by all dealers, price 25 cents.

Henry Clement, Almonite, writes:—"For a long time I was troubled with Chronic Rheumatism, at times wholly disabled; I tried anything and everything recommended, but failed to get any benefit until a gentleman who was cured of Rheumatism by Dr. Thomas' Electric Oil told me about it. I began using it both internally and externally and before two bottles were used I was radically cured. We had it a household medicine and for cramp, burns, cuts and bruises, it has no equal."

A POSITIVE FACT.—Nervousness is the sense of feebleness, or the lack of stability of the nervous system, as distinguished from the rest of the body. It is pre-eminently a disease, and more widely spread through the Northern and Eastern part of the United States and the Dominion of Canada than in any other part of the world. We will not stop to say why this is the case, but we do emphatically say the Victoria Compound Syrup of Hypophosphites will be found an invaluable medicine for all parties afflicted with Nervousness, Dyspepsia, Consumption, Defective Nutrition, General Debility, or weakness of the whole system. One of the first effects is an increase of the nervous or vital energy, followed by a feeling of unusual comfort and strength. For sale by all dealers.
