

Holloway's Pills.

Sudden changes, frequent fogs, and pervading dampness sorely impede the vital functions, and conduce to ill-health. The remedy for such disorders lies in some purifying medicine, like these Pills, which is competent to grapple successfully with the mischief at its source, and stamp it out, without fretting the nerves, or weakening the system. Holloway's Pills extract from the blood all noxious matter, regulate the action of every disordered organ, stimulate the liver and kidneys, and relax the bowels. In curing chest complaints these Pills are remarkably effective, especially when aided by a free local application of the Ointment. This double will ensure a certain, steady and beneficent progress, and sound health will soon be re-established.

Not only lignite and soft coal, but very good hard coal has been found in the north-west. Certainly good for the prospects of the new country.

O. Bortle, of Manchester, Ontario Co., N. Y., writes: "I obtained immediate relief from the use of Dr. Thomas' Electric Oil. I have had asthma for eleven years. Have been obliged to sit up all night for 10 or 12 nights in succession. I can now sleep sound all night on a feather bed, which I had not been able to do previously to using the Oil."

Enough liquor was consumed in Great Britain last year to make a lake a mile long, a mile wide, and thirty five feet deep. What a lake of fire that would be lighted!

Mrs. Barnhart, of Pratt and Broadway, has been a sufferer for twelve years through rheumatism, and has tried every remedy she could hear of, but received no benefit until she tried Dr. Thomas' Electric Oil; she says she cannot express the satisfaction she feels at having her pain entirely removed and her rheumatism cured. There are base imitations of this medicine for sale; see that you get Dr. Thomas' Electric Oil.

The Dominion Government has decided to extend the postoffice savings bank system to Nova Scotia, New Brunswick, and Manitoba. On the 1st of January, thirty-five new offices will be opened, eight in Manitoba and thirty-seven in the lower provinces.

There are a number of varieties of corns. Holloway's Corn Cure will remove any of them.

Pleasant as syrup; nothing equals it as a worm medicine; the name is Mother Graves' Worm Expellent.

A silver brick from Mexico, weighing 4-200 pounds, has arrived at the New Orleans Exposition. It is valued at \$200,000.

Give Holloway's Corn Cure a trial. It removed ten corns from one pair of feet without any pain.

Most exciting are the things which rack the muscles and joints of the rheumatic. Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, by promoting increased action of the kidneys, by which the blood is more effectually depurated, removes through the natural channels certain acid elements in the circulation which produce rheumatism and gout. The medicine is also a fine laxative and biliousness, biline and general corrective.

London, Dec. 23.—The London correspondent of Novoe Vremya alleges a complete organization of Russian nihilists exists under the guise of an expert firm within the precincts of the city of London, and is exporting to Russia criminal documents and explosives.

Mrs. A. Nelson, Brantford writes: "I was a sufferer from chronic dyspepsia for eleven years. Always after eating, an immense burning sensation in the stomach, at times very distressing, causing a drooping and languid feeling, which would last for several hours after eating. I was recommended by Mr. Poppleswell, Chemist of our city, to try Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, and I am thankful to say that I have not been better for years; that burning sensation and languid feeling has 100% and all does not lie heavy on my stomach. Members of my family have used it with the best results."

Chicago, Dec. 21.—This afternoon Police Inspector Maokowski, being informed that his wife, who was ill, could not recover, went out and killed himself. His wife expired a few minutes later.

Health is impossible when the blood is impure, thick and sluggish, or when it is thin and impoverished. Under such conditions, boils, pimples, headache, vertigo, neuralgia, rheumatism, and one disease after another is developed. Take Ayer's Sarsaparilla, and it will make the blood pure, rich, warm and vitalizing.

The Cheapest And Best. On account of its purity and concentrated strength and great power over disease, Burdock Blood Bitters is the cheapest and best blood cleaning tonic known for all disordered conditions of blood, liver and kidneys.

A Scottish physician declares that of all the strange conjunctures of needles in the flesh which have come under his observation, the strangest occurred in a lady patient who a year ago broke a needle in the first joint of her left thumb and a few days ago removed it from her right forefinger.

Ayer's Cherry Pectoral is recommended by physicians of the greatest eminence on both sides of the Atlantic, as the most reliable remedy for colds and coughs, and all pulmonary disorders. It affords prompt relief in every case. No family should ever be without it.

Five out of twenty-one presidents were of Scotch-Irish lineage—Jackson, Polk, Buchanan, Johnson and Arthur; two of Scotch, Grant and Hayes; one of Welsh, Jefferson, and one of Dutch, Van Buren; the remaining twelve being of English descent.

The name of N. H. Downs' still lives, although he has been dead for many years. His Elixir for the cure of coughs and colds has already outlived him a quarter of a century, and is still growing in favor with the public.

The mysterious movement of the northern Chinese fleet is causing some anxiety to both Admiral Courbet and the French Government. It is now well known that the principal officers are all Germans, who will make the Celestials start to their guns.

All those who have used Baxter's Mandrake Bitters speak very strongly in their praise. Price twenty-five cents per bottle. Jan 10

Mrs. Wm. Allan, of Acton, declares that Hagar's Yellow Oil is the best household remedy in the world for coughs, croup, sore throat, burns, scalds, and other painful complaints. Her opinion is well founded.

Lady of the house—So, now I think I've got all that's wanted for the party this evening—goose, turkey, lobster, a couple of hams, two professors, a noted painter, a pretty good musician. Yes, that'll be all.

A Wonderful Discovery.

Consumptives and all who suffer from an affection of the Throat and Lungs, can find a certain cure in Dr. King's New Discovery for Consumption. Thousands of permanent cures verify the truth of this statement. No medicine can show such a record of wonderful cures. Thousands of once hopeless sufferers now gratefully proclaim they owe their lives to this New Discovery. It will cost you nothing to give it a trial. Free Trial Bottles at John McKinnon's Drug Store. Thousands Say So.

Mr. G. W. Atkins Girard, Kan., writes: "I never hesitate to recommend your Electric Bitters to my customers, they give entire satisfaction and are rapid sellers." Electric Bitters are the purest and best medicine known and will positively cure Kidney and Liver complaints. Purify the blood and regulate the bowels. No family can afford to be without them. AYER'S Cherry Pectoral.

No other complaints are so insidious in their attack as those affecting the throat and lungs: some so trifling with by the majority of sufferers. The ordinary cough or cold, resulting perhaps from a trifling or unseasonable exposure, is often but the beginning of a fatal sickness. AYER'S CHERRY PECTORAL has well proven its efficacy in a forty years' fight with throat and lung diseases, and should be taken in all cases without delay.

A Terrible Cough Cured.

"In 1857 I took a severe cold, which affected my lungs. I had a terrible cough, and passed night after night without sleep. The doctors gave me up. I tried AYER'S CHERRY PECTORAL, which relieved my lungs, induced sleep, and afforded me the rest necessary for the recovery of my strength. By the continued use of the PECTORAL, a permanent cure was effected. I am now 52 years old, hale and hearty, and am satisfied your CHERRY PECTORAL saved my life." A. J. CRANE, Rockingham, Vt., July 15, 1882.

Croup.—A Mother's Tribute.

"While in the country last winter my little boy, three years old, was taken ill with croup. It seemed as if he would die from strangulation. One of the family suggested the use of AYER'S CHERRY PECTORAL, a bottle of which was always kept in the house. This was tried in small and frequent doses, and to our delight in less than half an hour the little patient was breathing easily. The doctor said that the CHERRY PECTORAL had saved my darling's life. Can you wonder at our gratitude? Since my recovery."

"I have used AYER'S CHERRY PECTORAL in my family for several years, and do not hesitate to pronounce it the most effectual remedy for coughs and colds we have ever tried." A. J. CRANE, Lake Crystal, Minn., March 13, 1882.

"I suffered for eight years from Bronchitis, and after trying many remedies with no success, I was cured by the use of AYER'S CHERRY PECTORAL. JOSEPH WALDEN, Byhalia, Miss., April 5, 1882.

"I cannot say enough in praise of AYER'S CHERRY PECTORAL, believing as I do that but for its use I should long since have died from lung troubles." E. BRADGON, Palestine, Texas, April 22, 1882.

No case of an affection of the throat or lungs exists which cannot be greatly relieved by the use of AYER'S CHERRY PECTORAL, and it will always cure when the disease is not already beyond the control of medicine. PREPARED BY Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists.
