A New Organization.

As the result of the recent temperance lectures by Mrs. Youmans of Picton, the ladies of the village have organized a Woman's Christian Temperance Union with an already large membership. A meeting was held in the Odd-Fellow's Hall, on the 14th inst., which was conducted by Mrs. Youmans. After a very feeling and instructive address a Union was formed a large number of ladies joining. The officers elected were: President, Miss T. Robinson; 1st Vice-President, Miss M. Cameron; 2nd Vice-President, Mrs. McKee; Recording-Secretary, Miss Kate Calder; Corresponding-Secretary, Mrs. C. Campbell; Treasurer, Miss Bella McKinnon. The first meeting of the Union will be held in the basement of Knox Church on Thursday the 26th inst. at 8 p. m.

Too Generous.

About the most presumptuous, we might in fact say impertinent circumstances as the outcome of the present temperance agitation was the demand made by one of our village hotel-keepers on Mr. Wm. Smith of the foundry, to discharge his foreman, Mr. A. Ross and his blacksmith, Mr. Wilson because they happened to be earnest temperance men. Mr. Smith very fittingly replied that he had no control over the opinions of his men and further that he would be the last to influence them in any way even if he had. Could anything be more presumptuous than the above. It is about time this worthy disciple of Bacchus learned that employers are usually on the look-out for just such men as he would have Mr. Smith discharge and further that such an infringement on the personal liberties of good respectable citizens will not be tolerated even from hotel-keepers.

Mrs. Youmans.

This veteran orator of the temperance platform lectured in the basement of Knox Church, on Friday evening last to a large audience. From a late despatch to the "Toronto Empire" we learn that nothing new was elicited in behalf of the temperance cause and neither was there a great amount of enthusiasm shown by

those present, both of which statements go to prove that the writer was not present or if he was that he wilfully perverted the truth. It is a long time since such an audience assembled here before. All denominations were represented and the most earnest attention was given the speakers in their remarks. The visit of Mrs. Youmans will prove a veritable revival in the temperance sentiment of the town and we look for much good to result from it.

P. T. Barnum writes a Story.

The opening chapter of a splendid story for the young, by the famous showman, P. T. Barnum, appears this week in the columns of "The New York Family Story Paper." The story describes the adventures of an American boy, whom Mr. Barnum calls, "My Plucky Boy Tom" and whom he sent to India in search of wild, fierce and rare animals to replace those destroyed by the disastrous fire at Bridgeport last month. The reader is thrilled by the hair-breadth escapes of this dauntless American boy when capturing the fiercest and wildest animals ever seen in any traveling show. "The New York Family Story Paper" is for sale at all news-stands.

Address and Presentation.

At the annual meeting of the North Yarmouth Presbyterian congregation, held on Wednesday the 4th inst., the Rev. J. A. Brown was presented with a New Year's gift, consisting of a handsome fur overcoat and gloves, accompanied by the following address:

DEAR PASTOR AND FRIEND,
We have taken this simple but hearty way of manifesting our heart's best wishes for a happy New Year to you. God has been gracious in directing to us one who has, with such love and power, brought home to us the message of salvation; fearing not to declare the whole council of God. Our hearts touched by His truth, kindled by His love, seek utterance by asking your kind acceptance of this coat and gloves, and should you ever—which, God forbid—experience the chill of disappointment or the biting frost of affliction, may it then be, as always, a comforting testimony of your Yarmouth congregation. May the Holy Spirit who has called you, continue to fill your heart with faith and power, that His manifested fruits may abound on every side. We are well aware that no gift at our hands can repay your work of faith and labor of love among us; "Ye shall be recompensed at the resurrection of the just," yea, even now we believe you have reward far beyond earthly source; for He is faithful that promised, and His promise is this: "He that reapeth receiveth wages and gathereth fruit unto life eternal." May God's love ever sustain you, His peace which passeth understanding, fill your heart and life, and His grace prepare you for the crown of glorious victory, in the unanimous prayer and wish of all.
Signed on behalf of the Yarmouth congregation,

F. CAMPBELL, } Elders.
A. C. MCBAIN, }

Division Court.

Division court was held here on Tuesday 17th inst. Very little excitement was manifested, there being but one case, viz., that of J. McFadyen vs. L. McEachern, which resulted in a glorious victory for the plaintiff.

A Plucky Young Lady.

Lately a young man hired a livery rig and drove to Manilla to participate in a party. He was loath to return home and the young lady ordered the horse out and took her seat in the sleigh. Then she sent for her stripling friend and as he did not answer the summons, she drove home leaving him to walk. It is safe to say he will not trifle with her again.

Bargains.

Big bargain sale of Tweeds now going on, for cash, at J. R. Prior's, Woodville.

A. O. U. W.

The A. O. U. W., of this village, are greatly increasing their membership. Every meeting brings new candidates and for some time past there has been an average of three initiations, each night of meeting.

Friendly Visit.

A large number of members of the R. T. of T., here availed themselves of the first opportunity of visiting their sister Lodge at Cannington. The evening being a pleasant one and the roads capital, the journey was without either accident or delay, rapidly accomplished. After arriving at Cannington, they registered at P. McSweyn's, who made every preparation possible to hospitably entertain the visitors. The Cannington Bros. & Sis. had a very extensive and interesting programme prepared and entertained their Woodville friends for nearly two hours in a most friendly manner. The exercises being concluded tea was served and ample justice done to the necessities provided. Throughout the evening great enthusiasm was manifested and when the Cannington members visit here, we trust they will be as well treated and entertained and a programme equally as well prepared.

Speeding By Local Trotters.

Our well-worn racing track, the main street, is, since the last snow, the scene of the usual excitement and turmoil. Judging from the way Louis D. is moving, we think Beaverton "hustlers" Mayflower, especially, must be able to trot faster than she hitherto has done to even exert this coming wonder.

A Newspaper Change.

Mr. Ed. Sidey, who for the past four years has been foreman of "The Gazette's" job printing department, last Tuesday purchased the Creston "Commonwealth" of W. A. Page, and will take possession next Monday.

No change will be made in the politics of the paper, but we predict it will be conducted in a manner that will not only gain for it the confidence of the better elements of democracy, but will tend to place the "Commonwealth" where it should be, at the head of the party press in Southwestern Iowa.—"Creston Gazette."

Carnival.

We understand a carnival will take place at the rink shortly, we trust it will be above the ordinary as we would like to see a few of the Beaverton and Cannington twirlers on hand to participate and thus help us to enliven the evening's proceedings.

School Board.

A meeting of the School Board was held on Monday evening. Considerable business was transacted. The present staff of teachers were re-engaged, Miss Pattyson receiving a slight increase in salary.

Commercial Union.

A farmers' meeting will be held in the basement of the Presbyterian Church, under the auspices of the West Ontario Farmers' Institute, on Wednesday, February 1st, when Hon. Wm. McDougall, or Prof. Goldwin Smith and Mr. Valency Fuller will address the meeting. The question of Commercial Union is a very important one to the farmers of Ontario and the above named gentlemen are its most powerful exponents. A large audience is therefore almost assured.

Snow Plow.

The Corporation has had a snow plow built for the purpose of clearing the sidewalks of snow. It was used for the first time on Wednesday.

School Board.

The I. O. G. T. purpose holding an open temple on Friday evening. A good programme is in preparation and an enjoyable evening may be looked for.

Bad Accident.

Lizzie McCallum, a young domestic in the employ of Mr. Josiah Barnett of 54 Gloucester street, was, it is feared, fatally injured by a runaway on Yonge street Saturday afternoon. Whilst driving across that thoroughfare a cutter in which a young boy was seated was overturned and the horse dashed down Yonge street at a furious rate. Opposite St. Joseph street the animal took to the sidewalk on the west side of the street and only stopped by the cutter's collision with the verandah in front of Cornell Husband's butcher shop. The rig, which was the property of Mr. Maurice Kiely, the liveryman, was badly smashed. Miss McCallum was in front of the store and was struck by the cutter with terrific force. Her skull was fractured in two places and she suffered other serious injuries. She is now at the Toronto General Hospital.—[World]—"Miss McCallum was at one time in the employ of N. B. Campbell, of this village. By later papers we learn she is slowly recovering.
