

**THE CASH SYSTEM.**

The subscribers while grateful to a discerning public for the liberal patronage bestowed on them in the past, beg to announce that on and after the first day of January, 1879, their books will be closed and positively no credit given—excepting as per special arrangement—believing that the true National Policy consists in the adoption and carrying out by individuals of the "Pay as you go" system. Having tried the credit system to our hearts' content, we pronounce it an unmitigated evil—as it affects buyer and seller, especially the latter.

Our Mr. Campbell has returned from Montreal, where he made special purchases of general Dry Goods, Clan Tartan Dress Goods, &c., together with a choice lot of Fruits and General Groceries, which buyers should inspect before purchasing, as hard pan prices will be quoted for cash.

Soliciting under the new regime a continuation of the favors so liberally bestowed on us in the past, and wishing our numerous friends and patrons, in spite of the hard times a "Merry Christmas and a Happy New Year," we remain,

A. C. CAMPBELL & Co.

P. S.—Accounts are now ready and as we want money, parties interested are requested to call and settle forthwith.

A. C. C. & Co.

**LOCAL MATTERS.**

Advertise your wants in THE ADVOCATE.

If you have anything to sell advertise it in the columns of THE ADVOCATE

**Taxes.**—The Collector will be in Woodville, on Thursday the 27th inst. to receive taxes.

The Beaverton Good Templars, paid their brethren of Woodville a visit last Friday evening.

A North Carolina editor declares that "the man who will read a newspaper three or four years without paying for it will pasture a goat on the grave of his grandfather."

Woodville Lodge of Good Templars paid a visit to Cannington Division Sons of Temperance, on Monday evening last. A very pleasant time was enjoyed.

**Music Hath Charms.**—The largest audience ever assembled in the Methodist church, gathered on Sunday last, the building being crowded. The introduction of the organ and choir is undoubtedly the cause.

**Tea-Meeting.**—A Social tea-meeting is to be held in the Methodist church here on Wednesday next. It is expected that several eminent speakers from a distance will be present.

**Declined.**—Rev. Mr. Cameron, of Chatsworth, Presbytery of Owen Sound has declined the call extended to him by the congregation of Woodville Presbyterian Church.

The Rev. J. McQueen, preached in the Presbyterian church last Sunday morning, Rev. J. McNabb, of Beaverton, in the evening. Rev. Mr. Scott of Cambay will preach next Sabbath.

**The Band Concert.**—The Band Concert came off last Thursday evening and as far as numbers is concerned, was very successful. Several nice songs and choruses were sung, but the main feature of the evening's entertainment was the valentine distribution, which by the way is something original, and created considerable amusement.

We have been favoured by "a subscriber" of more than ordinary talent, with several "beautiful" sacred poems, but owing to the said "subscriber" not having furnished us with his name, we cannot publish them. Correspondents should remember that communications must be accompanied by the name of the writer to insure publication.

**New Advertisements.**—Read our new advertisements this week! Mr. Rod. Campbell announces a large new stock of Boots and Shoes, for spring wear, which he is selling cheap. Mr. Henry Follitt, of Bolsover, gives the people of this neighbourhood to understand that he intends to furnish Lumber cheaper than any other person in the District. It will pay to peruse our advertising columns.

Says the Boston Post:—"People who advertise are smarter than those who don't; better looking, too, nine in ten. This is natural, if not logical. Advertising is an indication of intelligence, is one of the leading elements of good looks. At all events, the world believes in those who advertise, and it plants its dollars in their pockets. Such are live people, and in these live days nobody wants anything to do with any but your live men and women. Our advice to everybody—except in matrimony—is to advertise. It is sure to return largely, increase your reputation as a business man, make hosts of friends, and add to the number of shrewd and sensible people in the world of which there has never yet been an overstock."

Methodist church, Hartley, on Monday evening last, resulted in a decided success, about two hundred being present. Several Rev. speakers were present and delivered very pleasing addresses. The ladies of the congregation deserve great credit for the manner in which they provided and served the tea. The Woodville Brass Band were present and helped to make the evening pleasant.

**Brace up!**—"Brace up!" We like that slang phrase. We like it because there's lots of soul in it. You never know a mean, stingy, shrivel-souled man to walk up to a discouraged or afflicted neighbor and slap him on the shoulder and tell him to "brace up" It is the big-hearted, open-handed, whole-souled fellow that comes along when you are cast down and squares off in front of you and tells you "that won't do, old fellow—"brace up!" It is he that tells you a good story and makes you laugh in spite of yourself; and lifts the curtain that darkens your soul and tells you to look out and see the light. It is he that reminds you that there never was a brilliant sunset without clouds. He may not tell you in so many and such words, but he will make you "brace up" and see the silver for yourself.

**MARRIED.**

On the 5th inst., at the residence of the bride's father by Rev. J. A. Jewell, B. A., Frances Raby, of Mariposa, to Miss Lucy L. Hale, of the same place.

On the 14th inst., at the Methodist Parsonage, Woodville, by the Rev. J. A. Jewell B. A., Jesse Christian, of Fenelon, to Miss Barbara Laidly, of the same place.

**BIRTHS.**

On the 16th inst., the wife of Mr. H. MacNeill, of a daughter.
