HARDWARE! HARDWARE!

THE attention of farmers and others who are thinking of building, is directed to the following facts:—In order to prevent disappointment, it is necessary to see just what you are buying, otherwise goods may be sent you on your order, which are not exactly what you want, and when different qualities and varieties are kept in stock, you can be much better suited by judging for yourself which you will take. When you have bought your Hardware, very often a mistake is made in size or quantity, which necessitates sending back to the store and much time is thus consumed when you are dealing at a distance from home. In view of the above facts you are requested to call and examine the stock and prices of the undersigned who keeps constantly on hand A LARGE AND WELL-ASSORTED STOCK OF SHELF AND HEAVY HARDWARE.

R. F. KILLALY, Cannington.

N. B.—Parties purchasing their Hardware from me, having more than they require of Glass, Putty, Nails, or any other articles, may return them and full price will be allowed if in good order. TERMS, LIBERAL.

NOTICE.

All parties indebted to me by Account, Note, or otherwise will please call and settle at once, and save me the unpleasant trouble of calling on them. Accounts are now ready, and by calling and settling you will oblige

FARMERS READ THIS.

HONEY'S IMPROVED FANNING MILL.

We desire to call the attention of the farming community to the above well known Fanning Mill, now being manufactured at our works. We are prepared to give,

A WRITTEN GUARANTEE THAT OUR MILL IS ALL THAT IS CLAIMED FOR IT.

It is a perfect cleaner, and chaffer. It will take out Wild Oats perfectly. It will take out all Cockle, Chens and other foul seeds, making a perfect sample of Market Wheat. It is a most perfect separator, and will separate all the large kernels from the small and shrunken grains. It is very rapid in its action. It separates all kinds of grain as well as seeds, and if Oats and Peas, or Timothy and Clover seed are mixed together and put through this Mill, they will come out perfectly separated. It will separate small and split Peas from large Peas, taking them from the chaff in the most perfect manner. The Honey Improved Fanning Mill and Separator, is acknowledged by all to be

The Best Mill Manufactured In The Dominion.

And in proof of this strong statement, we can furnish abundant testimonials from those having them in use. To intended purchasers we would say, come and see it for yourselves, and, we feel confident you will be entirely satisfied that they are all they are represented.
