 We have been made the recipient of one of those gentle reminders of a heart-felt regard—a Valentine.—It is very suggestive and we regret that the sympathetic sender is beyond the reach of our embrace, as we would certainly be prompted to choke him in the exuberance of our feelings. The circom is on exhibition at our sanctum.
 THE Canadian edition of the Boys' Own Paper containing the January numbers is now out. The paper begins the year with several fine stories "to be continued," in addition to several short articles. The Leisure Hour and Sunday at Home for February will sustain their reputation. Single copies of each of these journals, 15 cents, or \$3.50 per annum. W. Warwick, publisher, Toronto.
 THE Rev. Dr. J. Wild, D. D., of Toronto, lectured in the Presbyterian church last Tuesday evening. The audience was not so large as we anticipated but it is a long time since we have seen a gathering in Woodville intellectually as strong. We cannot find words sufficiently vigorous to convey our opinion of the lecturer. He was fully above what he was represented. The Rev. Dr. is a good speaker and although many of his ideas are strongly speculative and original he is deeply interesting and holds his audience in wrapt attention to the end. We have not spent a more enjoyable evening for a long time, and it is too bad a larger audience were not present.

THE following personal advertisement appeared in the New York Herald of Sunday. "About 35 years ago a little girl named Mary E. Wells, while playing near the banks of the Mississippi River, was carried away; father's name was John Wells; had brothers and sisters; forgot how many; remember the names of some—William and Benjamin Wells; baby sisters name was Amelia. Any information respecting the family will be thankfully received. Papers please copy? Emma Raymond, Rockwood Asylum, Kingston, Ontario.

HARDWARE! HARDWARE!

THE attention of farmers and others who are thinking of building, is directed to the following facts:—In order to prevent disappointment, it is necessary to see just what you are buying, otherwise goods may be sent you on your order, which are not exactly what you want, and when different qualities and varieties are kept in stock, you can be much better suited by judging for yourself which you will take. When you have bought your Hardware, very often a mistake is made in size or quantity, which necessitates sending back to the store and much time is thus consumed when you are dealing at a distance from home. In view of the above facts you are requested to call and examine the stock and prices of the undersigned who keeps constantly on hand A LARGE AND WELL-ASSORTED STOCK OF SHELF AND HEAVY HARDWARE.
R. F. KILLALY, Cannington.
 N. B.—Parties purchasing their Hardware from me, having more than they require of Glass, Putty, Nails, or any other articles, may return them and full price will be allowed if in good order. TERMS, LIBERAL.

HONEY'S IMPROVED FANNING MILL

We desire to call the attention of the farming community to the above well known Fanning Mill, now being manufactured at our works. We are prepared to give
A WRITTEN GUARANTEE THAT OUR MILL IS ALL THAT IS CLAIMED FOR IT.
 It is a perfect cleaner, and chaffer. It will take out Wild Oats perfectly. It will take out all Cockle, Chess and other foul seeds, making a perfect sample of Market Wheat. It is a most perfect separator, and will separate all the large kernels from the small and shrunken grains. It is very rapid in its action. It separates all kinds of grain as well as seeds, and if Oats and Peas, or Timothy and Clover seed are mixed together and put through this Mill, they will come out perfectly separated. It will separate small and split Peas from large Peas, taking them from the chaff in the most perfect manner. The Honey Improved Fanning Mill and Separator, is acknowledged by all to be
The Best Mill Manufactured In The Dominion.
 And in proof of this strong statement, we can furnish abundant testimonials from those having them in use. To intended purchasers we would say, come and see it for yourselves, and, we feel confident you will be entirely satisfied that they are a J. they are represented.
