 It would be interesting to know
 what kind of an ice bridge Niagara will
 have a thousand years hence. Every
 year the bridge is more wonderful than
 the one preceding it.
 T & N. R. cars are now run on the
 broad gauge. The trial train came from
 Toronto to the Junction on Thursday,
 the 9th inst at the rate of 60 miles per
 hour. This is fast travelling, and the
 usual speed under the new time-table
 will be 45 miles per hour.

AHA!—Dentists who have tried "TEA-
 BERRY" pronounce it the finest thing on this
 earth for the teeth and breath. 5 cent
 samples.

It's all right to toll a bell, but it
 makes a great difference how you do it.
 A man told a belle he would marry her
 and it cost him \$2,000 because he did
 not do it.

THE congregation of Knox church,
 Port Perry have decided not to intro-
 duce the organ into the service. The
 attendance of the members was very
 large and a decision came to that the
 time had not yet come for the intro-
 duction of machinery.

It's funny? says an exchange, but a
 soft-palmed woman can pass a hot plate
 to her nearest neighbour at a table
 with a smile as sweet as distilled honey
 while a man with a hand as horny as a
 crocodile's back will drop it on the
 floor and howl around like a Sioux
 Indian at a scalp dance.

A NEW firm takes control of the stand
 until lately occupied by Mr. Hector
 McNeill. Mr. R. J. Harwood has re-
 opened the shop, and we believe intends
 to do a large trade. Carriage and
 waggon building in all its branches will
 be engaged in and several hands are to
 be employed.

THE Concert or Social given in Mc-
 Sweyn's Hall last Friday evening, was
 the most entertaining one held yet.
 The programme was well arranged and
 pleasantly carried out. Another will
 be held in the same place to-morrow
 (Friday) evening. A good programme
 is in readiness.

WHAT IS LARDINE? Ask any
 Farmer, Thresher or Saw Mill man,
 or in fact, any man who runs machin-
 ery of any kind, and he will tell you
 that it is the only MACHINE OIL which
 will wear equal to Castor Oil and won't
 gum or clog your machinery. Ask
 your dealer for it and take no other.

OUR farmers are fast awakening to
 the fact that first-class stock will pay.
 We notice that Messrs. D. Howkins
 and Thos. Rear have recently purchased
 a thoroughbred Cotswold Ram—"Duke
 of Stockton"—which may be seen at
 their premises. The animal was im-
 ported direct from England for the
 breeder from whom the above gentle-
 men bought him.

THE Canada mutual telegraph com-
 pany has already introduced the wedge
 in the reduction of telegraphic rates.
 The night rate has been reduced to one
 half of the day tariff. For instance by
 this line a ten-word message is sent
 from Toronto to New York for 20cts.,
 and a twenty-word for 35cts.; the other
 company charges 30cts. and 50cts. re-
 spectively for the same service.

THERE is a certain amount of satis-
 faction that a publisher realizes when
 he finds out that some people are so
 fond of reading his paper that they
 tramp out regularly to some store or
 house where they know the paper is
 subscribed for, and swallow its contents
 with surprising rapacity. Every pub-
 lisher knows this is done, and he also
 knows that these same newspaper
 spongers are the ones who find the
 most fault with the paper's contents.
 To spare a meal and then growl about
 its quality is not a bit worse than these
 penurious critics.

ON Tuesday evening last a number
 of the townsmen of our village met at
 Mr. Edward's Hotel to say "good-bye"
 to Mr. Angus Campbell, on the eve
 of his departure for the North-West,
 and presented him with a handsome
 set of albums, accompanied by the fol-
 lowing address:—

MR. ANGUS CAMPBELL,—DEAR FRIEND,
 It is with a feeling of deep regret that
 we have assembled here to-night to bid
 you farewell, we trust not forever, al-
 though it may be for years. Dear Sir,
 we do not wish to flatter you when we
 say that your kindness and gentlemanly
 department has won for you a host of
 friends, and I trust you may win many
 friends among your new acquaintances.
 We cannot allow this opportunity to
 pass without showing you in a small
 measure the kind regard in which you
 are held by your "fellows" in this vil-
 lage and locality, and we ask you to
 accept this small present as a token of
 friendship from us, and sincerely trust
 that in whatever clime you may cast
 your lot that Peace, Health and Pros-
 perity with the blessing of an all-wise
 Providence may be yours.

Yours very truly,
 JNO. MCKAY, M. D., N. B. CAMPBELL,
 JNO. LETHBRIDGE, A. C. CAMPBELL,
 THOS. EDWARDS.

MR. N. McLeod, who accompanied
 Mr. A. Campbell, was also the recipient
 of a handsome gift as a souvenir from
 his many friends.

A CURE FOR HEADACHE.—What physician
 has ever discovered a cure for headache?
 Echo answers none. But Burdock Blood
 Bitters by their purifying, invigorating
 and nerve properties afford a cure in nearly
 every case. The health-giving principles of
 this remedy are unequalled by any similar
 preparation in the world.

KENDALL'S SPAVIN CURE,
 The Most Successful Remedy ever dis-
 covered, as it is certain in its effects and
 does not blister. READ PROOF BELOW.
 From the Ontario Press, New York.

ONTARIO, New York, Jan. 6th, 1881.
 Early last summer Messrs. B. J. Kendall
 & Co., of Enosburgh Falls, Vt., made a
 contract with the publishers of the PRESS
 for a half column advertisement, setting
 forth the merits of Kendall's Spavin Cure,
 for one year. At the same time we secured
 from the firm a quantity of books entitled
 Dr. Kendall's Treatise on the Horse and his
 Diseases, which we are now giving to ad-
 vance paying subscribers to the press as a
 premium.
 About the time the advertisement first
 appeared in this paper, Mr. Schermerhorn,
 who resides near Colliers, had a spavined
 horse. He read the advertisement and
 concluded to test the efficacy of the remedy,
 although his friends laughed at his credulity.
 He bought a bottle of Kendall's Spavin
 Cure and commenced using it on the horse
 in accordance with the directions, and he
 informed us this week that it effected such
 a complete cure that an expert horseman,
 who examined the animal recently could
 find no trace of the spavin or the place
 where it had been located. Mr. Schermer-
 horn has since secured a copy of Kendall's
 Treatise on the Horse and his Diseases
 which he prizes very highly and would be
 loth to part with at any price, provided he
 could not obtain another copy. So much
 for advertising reliable articles.

Kendall's Spavin Cure
 ON HUMAN FLESH.

Thousands of trials on Human Flesh has
 proved beyond a doubt that "Kendall's
 Spavin Cure" has sufficient strength to
 penetrate and virtue to cure the worst cases
 of rheumatism, corns, bunions, frost-bites,
 or any bruise, cut or lameness which are
 not affected in the least by ordinary lin-
 iments. It does not blister but on the con-
 trary removes all soreness.

Kendall's Spavin Cure.

St. Johns, P. Q., Oct. 27th, 1881.
 DR. B. J. KENDALL & Co., Gents:—I
 have used your Spavin Cure with great suc-
 cess on spavins, curbs and splints. I know
 it to be a good remedy for ringbones, loose
 spavins, cuts, galls and all kinds of lame-
 ness and many other difficulties about the
 horse. One of my men sprained a knee
 very badly. I applied Kendall's Spavin
 Cure and I never saw anything work like it,
 he was well in a few days. I know it to be
 good for man as well as beast. I procured
 one of your Treatise on the Horse, by mail-
 ing 25 cts., and I think it was the means of
 saving me \$100, on one horse that I treated
 according to the directions given in your
 book for displaced stifle.

Yours truly,
 WM. J. PEARSON.

[Danham, P. Q., March 10th, 1879.
 DR. R. J. KENDALL & Co., Gents:—
 About a year ago I fell in the road on to
 some ice and was badly hurt on the hip
 joint, which caused me much suffering. I
 tried various remedies but none gave relief
 until I tried Kendall's Spavin Cure. I ap-
 plied it full strength twice a day for about
 two weeks during last October, and it
 effected a perfect cure; I have since then
 been well and free from lameness. It is
 very valuable for man as well as beast.

Yours truly,
 CHESTER K. GREEN.
