NEW ADVERTISEMENTS.

D. McLEOD.—Groceries, Provisions, etc.
TWP. OF MARIPOSA.—Auditors' Report.
JOHN DONNELLY.—Teacher Wanted.

Local Matters.

Friday next is Good Friday.
Paper Window Blinds at Gunn's.
Hot X Buns at Berrie's for good Fri-
day. Order at once.
D. McLeod has just received a large
stock of Crockery. Call and see.
Hot X Buns—have you ordered any
for to-morrow? If not, get them at
Berrie's.
25 dozen pairs of Spring Stock just
arrived at Rod. Campbell's.
Horace Greeley's advice "Go west"
is taken by a great many in this section
of the country this season.
Latest styles in Ladies' and Children's
wear just opened at Rod. Campbell.
The Good Templars' Necktie Social
last Friday evening was a decided suc-
cess, and every one enjoyed themselves.
All kinds of produce taken on account,
or in exchange for work at Rod. Campbell's.
Notice.—Examine all the silver that
comes to hand, for there is a good deal
of bogus coin in circulation just now.
Gunn's have just received the largest
assortment of Wall Paper ever brought to
Woodville. Call and see it.
Special services are to be held in the
Episcopal church, Cannington, next
sabbath, Easter Sunday. A number of
our villagers intend going down.
On Friday next the Good Templars
of Beaverton give an entertainment in
the Orange Hall, in that village, in
which all the local talent will take part.
Tuesday was another of those re-
markable days which we are having so
many of this winter. We had snow,
hail, rain and sunshine all inside of ten
hours.
There was quite a little excitement in
town on Tuesday. An American gen-
tleman was here purchasing horses, and
a great many brought their animals in
to try, and dispose of them.
We are to have lots of butcher
shops in town now it appears. Mr. A.
J. McCorquodale carries on Mr. Smith's
business, Mr. Jno. Stephenson has start-
ed on Agnes Street, and Mr. John
Gillies, on King Street east, near the
Northern Hotel.
There is considerable mud on our
streets at present; in fact, we believe
there is nothing else but a river of mud
where the street ought to be. Since
penning the above the road has again
frozen up making it rougher than the
"Rocky Road to Dublin."

A Poor Show.—Prospects for the fall
wheat are very poor this year in the
townships in this district, the growth
being completely killed out in some
places, and nowhere looking promising.
The variable weather will also injure
the clover crop.

Something Interesting.—All should
know that a handful of flour thrown on
burning oil will quench the flames in-
stantly. If you should have a lamp
explosion, try the experiment, and see
how like a charm it will work. It is
well worth remembering and don't you
forget it.

Notice to Advertisers.—Instructions
have been issued from the Post Office
Department in relation to the enclosure
of hand bills in newspapers as suppl-
ments. If they are enclosed in news-
papers hereafter the rate of postage on
the papers will be three cents a pound
extra. Hereafter, merchants wishing
to send supplements through the news-
papers will have to pay the additional
postage.

Leaving Town.—For the last two or
three weeks there has been a steady
exodus of young men from our village.
Mr. Peter Campbell, left for Toronto;
Mr. E. Croater has gone to Manitoba
to join his father; Messrs. W. C. Gil-
christ and D. McLaughlin have secured
situations in Cannington; Mr. Thos.
Morrison has gone to Sunderland to
complete his trade, and to-day Mr.
Alex. Taylor leaves for Kingston to join
the band in connection with the King-
ston Battery. We are sorry to see so
many of the boys leaving us, but wish
them well wherever their lot may be
cast.

The Boy's Own Paper.—The atten-
tion of the public is requested to the
beautiful Chromos (from a painting by
Wagner) given with the February part
of the Boy's Own Paper, which is of a
most attractive character. "The Char-
iot Race," as taking place at the Col-
osseum of Ancient Rome is full of
incident, and the dash of the Chariot-
eers is met by the enthusiastic admir-
ation of the spectators. When we
mention that the printing is by Kron-
heim, we have said enough to bespeak
for it a hearty welcome, not only by
thousands of boys, but by their parents
also. Nor is this the only picture of
interest. Numbers will be equally in-
terested in the portraiture of "Ships
of all Nations," a full sized plate of
twenty-one vessels.

Dramatic.—The Amateur Dramatic
Club, of Bolsover, will give an enter-
tainment in Spencer Hall, to-morrow,
(Friday) evening, when they will pre-
sent "Ben Bolt's Sloop, or the Master
so kind and so true." This splendid
Drama was presented to a large audi-
ence in Bolsover last week, and the
success they met with has tempted the
Club to try their fortunes here, and as
the object for which they are trying to
raise money is a good one—the reseat-
ing of St. Andrew's church,—we hope
they will be well patronized. There
will be some splendid selections of vocal
and instrumental music, and a laugh-
able farce to conclude with. The ad-
mission is fixed at 25 cents, and 15
cents for children. Tickets can be had
at THE ADVOCATE office or any of the
stores.

THE CRADLE.

wife of Mr. John Logan of a daughter.
At Woodville, on Friday, 19th inst., the
wife of Mr. James Stephenson, of a son.

McDiarmid, Mr. E. F. McGimsie, of Wood-
ville, to Miss Mary J. Morrow, of Port Hope.

24th, Mr. John McDougall, aged 60 years,

Donald Cameron, at the advanced age of 80
years.

The Great Shoshonees Remedy and Pills.

The success that these medicines have met
with since their introduction to the public
some years ago, proves plainly to the most
skeptical that they are medicines that per-
form what they are advertised to do. The
virtues of these medicines have been well
tested, and have withstood their trial in a
most satisfactory manner. For diseases of
the Blood, Liver, Lungs, &c., they are unsur-
passed. We have testimonials of miraculous
cures of these diseases, and of many others.
If any one is afflicted, let him try a bottle of
the remedy and a box of Pills. No injur-
ious effects will follow their use to the most
delicate person, as they are purely vegetable,
there being no mineral matter in them. The
cost is small, while the advantages derived
from their use will doubly repay you for
your expense and trouble.

Try these great remedies and be convin-
ced that they are no humbug. No one who
has tried the Shoshonees Pills has pronoun-
ced an unfavorable opinion of them; no fam-
ily where they have been used will be with-
out them. Full information may be had on
all particulars touching the use, and the ex-
perience of those who have used them, by
securing the Treatise or the Circular from
your druggist free. Price of the Remedy in
pint bottles, \$1; Pills 25 cents a box. Sold
by all medicine dealers.
